Elites Crises And The Origins Of Regimes:

Elites, Crises, and the Origins of Regimes Mattei Dogan, John Higley, 1998 Most political regimes whether authoritarian or democratic are born in abrupt brutal and momentous crises In this volume a group of prominent scholars explores how these seminal events affect elites and shape regimes Combining theoretical and case study chapters the authors draw from a wide range of historical and contemporary examples to challenge mainstream developmental explanations of political change which emphasize incremental changes and evolutions stretching over generations

Political Elites Geraint Parry, 2024-10-31 Elites have been described both as the bulwarks of democracy and its very antithesis *Political Elites* first published in 1969 reviews the literature on the role of elites in politics It deals with both the classic elite theorists Mosca Pareto Michels Burnham and C Wright Mills and with many of the empirical and theoretical works on elites by modern political scientists and sociologists It seeks to clarify the central terms of elite discourse some of which have entered the everyday political vocabulary elitism power elite establishment elite consensus iron law of oligarchy and mass It explores the ways in which the descriptions of power relationships can subtly be infiltrated by the values of the observers For this ECPR Classics edition Professor Parry has added an introduction reviewing significant new developments in elite political science *Elites After State Socialism* John Higley, György Lengyel, 2000 This distinctive book presents valuable new research on the political and economic elites that have emerged in Central and Eastern Europe since the demise of state socialism Integrating theoretically informed analysis with fresh empirical data the contributors significantly enhance our understanding of the evolution and interplay of elites in the post communist period Leading experts explore the elite circulations differentiations and competitions that now underpin but in some countries also still inhibit democratic stability and economic growth A provocative concluding chapter assesses the century long confrontation between elite theory and Marxism and where they stand today after state socialism's collapse **Elite Configurations at the Apex of Power**

Mattéi Dogan, 2003 This book prepared under the auspices of the IPSA Research Committee on Political Elites focuses on the interpenetration between various types of elites The contributions to this book reveal contrasting patterns of recruitment and selection in terms of career paths visibility influence and power of different elite circles *Regime Stability in Saudi Arabia* Stig Stenslie, 2012 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom's royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by old age and demonstrates how regime stability in Saudi Arabia rests on the royal family's ability to unite and to solve the challenge of succession He offers a strong

analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular *Paths to Development in Asia* Tuong Vu,2010-03-22 Why have some states in the developing world been more successful at facilitating industrialization than others Challenging theories that privilege industrial policy and colonial legacies this book focuses on state structure and the politics of state formation arguing that a cohesive state structure is as important to developmental success as effective industrial policy Based on a comparison of six Asian cases including both capitalist and socialist states with varying structural cohesion Tuong Vu proves that it is state formation politics rather than colonial legacies that have had decisive and lasting impacts on the structures of emerging states His cross national comparison of South Korea Vietnam Republican and Maoist China and Sukarno s and Suharto s Indonesia which is augmented by in depth analyses of state formation processes in Vietnam and Indonesia is an important contribution to understanding the dynamics of state formation and economic development in Asia **Defect Or Defend**

Terence Lee,2015 Why do certain militaries brutally suppress popular demonstrations while others support the path to political liberalization by backing mass social movements Although social movements and media can help destabilize authoritarian governments not all social protest is effective or culminates in the toppling of dictatorships Frequently the military s response determines the outcome In *Defect or Defend* Terence Lee uses four case studies from Asia to provide insight into the military s role during the transitional phase of regime change Lee compares popular uprisings in the Philippines and Indonesia both of which successfully engaged military support to bring down authoritarian rule with protest movements in China and Burma which were violently suppressed by military forces Lee s theory of high personalism and power sharing among the armed forces leadership provides a framework for understanding the critical transitory phases of democratization He uses this theory to review and assess Eastern Europe s democratization events in 1989 the Colored Revolutions of the early 2000s and the protests and revolutions unfolding in the Middle East This book will appeal to students and scholars of comparative politics Asian studies security studies and international relations as well as defense policymakers

Encyclopedia of Government and Politics Mary Hawkesworth,Maurice Kogan,2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to

enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers **Youth in Regime**

Crisis Félix Krawatzek, 2018-09-19 How do political regimes respond to the challenges emanating from youth mobilization This book seeks to understand regime resilience and breakdown by analysing the public meaning of youth as well as the physical mobilization of young people Mobilization carried by young people is a key component in understanding the stabilisation of the authoritarian regime structures in contemporary Russia but the Russian experience makes only sense if placed in its broader historical context Three comparative cases the breakdown of the authoritarian Soviet Union the breakdown of the democratic Weimar Republic and the crisis of the democratic regime in France around 1968 highlight how regimes which lacked popular support have compensated for their insufficient legitimacy by trying to mobilize youth symbolically and politically This book illustrates the symbolic significance of youth and its role in regime crisis by analysing a new data set of newspaper articles with a new method of discourse analysis The combination of qualitative interpretation and quantitative network analysis enables a deeper and more systematic understanding of discursive structures about youth Through this methodological innovation the book contributes to the way we define the categories of youth generation and crisis It makes the case that our conceptualisation should reflect the way terms are being used usages that can be captured in a systematic way with new methods of discourse analysis Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford **Elitenforschung in der Geschichte**

des 19. und 20. Jahrhunderts Lukás Fasora, Ewald Hiebl, Judit Pál, Petr Popelka, 2019 Der vorliegende Sammelband zur historischen Elitenforschung ist das Ergebnis eines internationalen Workshops der im Frühjahr 2015 in Cluj Napoca Klausenburg stattgefunden hat Im Mittelpunkt steht die Frage inwieweit philosophische und soziologische Elite Konzepte auf das Gebiet der historischen Forschung übertragen werden können und inwiefern die Quellenlage aus dem Gebiet der Sozialgeschichte vom 18 bis ins 20 Jahrhundert eine fundierte Erforschung historischer Eliten ermöglicht Neben dem praktischen Erfahrungsaustausch über die Perspektiven und Grenzen der historischen Elitenforschung am Beispiel eigener Forschungen werden auch die Bemerkungen der Geschichtswissenschaft thematisiert sich gegen andere Sozialwissenschaften im Besonderen der Soziologie zu öffnen und in einer Debatte über den Begriff der Elite in der historischen Entwicklung der Neuzeit zu engagieren Damit können theoretische Konzepte aus vielen Feldern der Sozial und Geisteswissenschaften mit empirischen Befunden aus historischen Quellen zu einer neuen interdisziplinären Symbiose verbunden werden *The Soviet Elite from Lenin to Gorbachev* Evan Mawdsley, Stephen White, 2000-03-09 This ground breaking book examines the Soviet

ruling elite over the entire period of Communist rule. It serves as a collective biography of nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991. The book is based on archival research only available after the collapse of communism and extensive interviews with former Central Committee members.

Elite Dualism and Leadership Selection in China Xiaowei Zang, 2004-03-01 Who are the top political leaders in China? What are the major criteria in elite recruitment? How is job promotion in high politics determined? By studying over one and a half thousand top political Chinese leaders, this book seeks to answer these questions and as a result defines how Chinese leadership is stratified. Unlike existing research on Chinese leaders, *Elite Dualism and Leadership Selection in China* draws on extensive statistical information and data analysis. It evidences how political development in the reform era has led to the division of labour between the Chinese Communist Party (CCP) and the government in governance, leading to two distinctive career paths in the two political systems respectively. Key issues examined include the different criteria the CCP and the government demand, the requirements for promotion, the effect of university education on the rate of mobility, the different affiliations of the two groups, the role of cooptation in leadership selection. Many of the elites discussed are still leading figures in China, making this book the most up to date and extensive biographical data set in elite studies. This allows for a meaningful analysis of elite behaviour in China for the first time in Chinese Studies. This book will be useful to both students of Chinese studies and comparative politics and will also interest researchers, political commentators, statesmen and China watchers.

Elites and Identities in Post-Soviet Space David Lane, 2013-09-13 The dissolution of the communist system led to the creation of new states and the formation of new concepts of citizenship in the post-Soviet states of Central and Eastern Europe. The formation of national identity also occurred in the context of the process of increasing economic and political globalisation, particularly the widening of the European Union to include the central European post-socialist and Baltic States. Internationally, Russia sought to establish a new identity, either as a European or as a Eurasian society, and had to accommodate the interests of a wider Russian Diaspora in the near abroad. This book addresses how domestic elites, regional political and economic, influenced the formation of national identities and the ways in which citizenship has been defined. A second component considers the external dimensions, the ways in which foreign elites influenced either directly or indirectly the concept of identity and the interaction with internal elites. The essays consider the role of the European Union in attempting to form a European identity. Moreover, the growing internationalisation of economies, privatisation, monetary harmonisation, dependence on trade, also had effects on the kind of national identity sought by the new nation states, as well as the defining by them of the other. The collection focuses on the interrelations between social identity, state and citizenship formation, and the role of elites in defining the content of concepts in different post-communist societies. This book was originally published as a special issue of *Europe Asia Studies*.

Political Elites in East Central Europe Nicole Gallina, 2008-10-29 This monograph is a major survey of East Central European (ECE) political elites and concentrates on

Czech Republic Slovakia Hungary and Poland It is grounded within classic elite theory slightly adapted to ECE necessities More practically the book examines political elite composition and identifies political elite fragmentation in ECE The author questions that East Central European political elites have incorporated democratic values and conduct The main argument is that there is a significant gap between the formal democratic ECE institutions and political elite behaviour This gap has different dimensions which are relevant at the domestic level and also cause problems at the EU level Ultimately the political elite institution gap questions democratic political achievements after 1989 In providing a major analysis of ECE political elite structure and conduct the book points to the most urgent challenges of ECE political systems the reform of the political elite From the content The Importance of Analysing ECE Elites Forms of Political Elite Formation and Activity Political Elite Fragmentation in ECE Elite Formation and Reproduction in East Central Europe Patterns of Political Elite Behaviour Influencing Political Elite Behaviour Institutional Change after 1989 The Relationship between Europeanisation and Euroscepticism Elite Systems in East Central Europe Case Studies Poland Czech Republic Slovakia Hungary Implications of Elite Attitudes for Europeanisation Political Elites Incapable Europeanisers

Building Democracy and Civil Society East of the Elbe Sven Eliaeson, 2006-04-18 This book explores the idea of civil society and how it is being implemented in Eastern Europe The implosion of the Russian empire fifteen years ago and the new wave of democratization opened a new field of inquiry The wide ranging debate on the transition became focused on a conceptual battle the question of how to define civil society Because totalitarian systems shun self organization real existing civil society barely existed East of the Elbe and the emergence of civil society took unusually complex and puzzling forms which varied with national culture and reflected the deep historical past of these societies This insightful text relates the concept of civil society and developments in Eastern Europe to wider sociological theories and makes international comparisons where appropriate It discusses particular aspects of civil society and examines the difficulties of establishing civil society It concludes by assessing the problems and prospects for civil society in Eastern Europe going forward

The Anthropology of Elites J. Abbink, T. Salverda, 2012-12-28 Offering insightful anthropological historical contributions to the understanding of elites worldwide this book helps us grasp their ways of life and role in times of contested global inequalities Case studies include the Polish gentry the white former colonial elite of Mauritius professional elites and transnational financial elites

Dismantling Democratic States Ezra N. Suleiman, 2013-12-03 Bureaucracy is a much maligned feature of contemporary government And yet the aftermath of September 11 has opened the door to a reassessment of the role of a skilled civil service in the survival and viability of democratic society Here Ezra Suleiman offers a timely and powerful corrective to the widespread view that bureaucracy is the source of democracy's ills This is a book as much about good governance as it is about bureaucratic organizations Suleiman asks Is democratic governance hindered without an effective instrument in the hands of the legitimately elected political leadership Is a professional bureaucracy required for developing but not for maintaining a

democratic state Why has a reform movement arisen in recent years championing the gradual dismantling of bureaucracy and what are the consequences Suleiman undertakes a comparative analysis of the drive toward a civil service grounded in the New Public Management He argues that government reinvention has limited bureaucracy's capacity to adequately serve the public good All bureaucracies have been under political pressure in recent years to reduce not only their size but also their effectiveness and all have experienced growing deprofessionalism and politicization He compares the impact of this evolution in both democratic societies and societies struggling to consolidate democratic institutions Dismantling Democratic States cautions that our failure to acknowledge the role of an effective bureaucracy in building and preserving democratic political systems threatens the survival of democracy itself **Dilemmas of Transition** Aurel Braun, Zoltan D. Barany, 1999

Exploring the controversies and problems surrounding post communist transitions this innovative volume brings together a distinguished group of political scientists economists historians and sociologists Within a strong theoretical framework the book moves between general issues of transition and specific analyses Hungary a state that has weathered political and economic transition more successfully than most is used as the volume's case study for illuminating both comparative and regional issues By bridging the divide between area studies and comparative politics this book will be a key resource for advanced students and for scholars in East European post communist studies comparative politics and international relations

Democratic and Capitalist Transitions in Eastern Europe M. Dobry, 2012-12-06 here of exchange and borrowing in debates between these disciplines all the more so as we shall see a little further on as the analysis of the Central and East European transformations has also contributed to introduce into political science and sociology theoretical systematizations first formulated in economics In addition to this opening up to the objects and theories of economics the pseudo dilemma of simultaneity produced by a kind of feedback another series of effects on transition and the related research domains Contrary to most expectations and predictions in the wake of the 1989 upheavals affirmations that the dilemmas problems or challenges of the transitions in Central and Eastern Europe ought to have been dealt with and resolved one after the other in sequence in the manner of the more or less idealized trajectories of Great Britain or Spain trajectories significantly enough promoted far beyond the circles of scholars as a model of transition and above all contrary to the assumption that superposing a radical economic transformation upon a transition to democracy would make the whole edifice thoroughly unworkable unstable or dangerous it must be stated clearly out that the two processes in their simultaneity are not necessarily incompatible This is one of the main findings stressed upon in several chapters of this book Politics in Southeast Asia

William Case, 2013-09-13 This volume provides an introduction to the politics of the five key southeast Asian states Malaysia Singapore Indonesia Thailand and the Philippines and is intended as a textbook for undergraduate and graduate students taking courses on this subject Using a comparative politics and political economy perspective the author focuses in particular on the degree of democracy in the five countries arguing that in all the countries considered democracy is to varying degrees

imperfect The book synthesises a wide range of scholarship and presents the material in a concise and accessible way

Elites Crises And The Origins Of Regimes Introduction

In today's digital age, the availability of *Elites Crises And The Origins Of Regimes* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Elites Crises And The Origins Of Regimes* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Elites Crises And The Origins Of Regimes* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Elites Crises And The Origins Of Regimes* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Elites Crises And The Origins Of Regimes* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Elites Crises And The Origins Of Regimes* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Elites Crises And The Origins Of Regimes* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Elites Crises And The Origins Of Regimes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Elites Crises And The Origins Of Regimes books and manuals for download and embark on your journey of knowledge?

FAQs About Elites Crises And The Origins Of Regimes Books

What is a Elites Crises And The Origins Of Regimes PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Elites Crises And The Origins Of Regimes PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Elites Crises And The Origins Of Regimes PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Elites Crises And The Origins Of Regimes PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Elites Crises And The Origins Of Regimes PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
