Elizas Daddy:

Eliza's Wish Rick Farren, 2007-03 *Eliza's Wish* is the third book in the Dickey Denton series. It's the story of Dickey Denton and the mystery he and his friends uncover at Rocky Neck Lighthouse and the Josiah Wheeler mansion. Spurred on by his vivid imagination and his need to discover the truth about the woman who walks the widow's walk, he seeks guidance from his grandfather. Reluctant at first to give in to Dickey's wishes, Grandpa eventually relents and suggests he seek advice from the spirit of his great great grandmother Eliza Tuffett. Unsure of what to expect, he summons up his courage and decides to risk it. With the help of his friends, they embark on the adventure, and their curiosity takes them back to Rocky Neck

Lighthouse and to the haunted Josiah Wheeler mansion on a mysterious journey they'll never forget. **The Way Home**

Megan Chance, 2011-07-20 Eliza Beaudry was determined to leave Richmond and poverty behind, and if that meant trading a few kisses for her freedom, she was more than willing to do so. When handsome gambler Cole Wallace sauntered into town, she saw in him her savior. But Cole's daydreams didn't include the poor daughter of a sharecropper, no matter how pretty, and when he left Richmond, he left Eliza behind, penniless and in a world of trouble. With no other choices, Eliza turned to Cole's shy brother Aaron. He was nothing like the man of her dreams, nor was his farm in the middle of West Texas, nowhere. But there was something about him, and suddenly Eliza found herself questioning the life she'd always wanted and wondering if her dreams could change. [Eliza Bing Is \(Not\) a Star](#) Carmella Van Vleet, 2018-09-25 How will Eliza make it through the sixth grade? Her ADHD tends to complicate things. Eliza Bing stuck with taekwondo and earned her yellow belt, even though her family expected her to quit. She's tough enough to break boards with her bare hands. Next up, middle school, and hopefully a best friend. The school play turns out to be the perfect opportunity to befriend confident stage-obsessed Annie. But can their friendship survive the spotlight? The joys and sorrows of middle school come to life in this funny and heartfelt sequel to *Eliza Bing Is NOT a Big Fat Quitter*, recipient of the Christopher Award and four child-voted state award nominations. A Junior Library Guild selection. [The Single Dad's Family Recipe](#) Rachael Johns, 2018-02-01 Is her new job at an Oregon restaurant a recipe for disaster or a second chance? Take one single dad in Oregon, working night and day to open his hot new restaurant, Mix, in his irresistible new hire, a woman who's flown to this mountain town from New York, burdened by a secret and looking for a fresh start. Simmer until a kiss leads to a clandestine affair that plunges Lachlan McKinnel and Eliza Coleman from the frying pan right into the fire. Praise for the novels of Rachael Johns: Appealing, believable characters and charming small-town setting. Publishers Weekly. A sincere and heartfelt story. RT Book Reviews. [Out of the Mist](#) Lynne Chitty, 2018-03-27 A story about the healing power of landscape. Set within the dramatic landscape of the Isle of Skye, it deals with how the sport of running can be used as part of a healing process. In *Out of the Mist*, a woman with a traumatic past eventually fulfills her lifelong dream of visiting the Isle of Skye, but a phone call just as she arrives on the island almost threatens to derail her whole visit. Used to avoiding company, Eliza unexpectedly finds herself invited to join a trip to the Half Marathon in Portree.

where she discovers joy and camaraderie within this running fraternity for the first time Can friendship and the haunting landscape that speaks so deeply to her soul give her the courage to overcome her past and to begin again On returning from her holiday a further tragedy drags her back into the horror of her past The story of this past is told from the point of view of Eliza her bedridden mother Edith and her half brother Marcus recently released from prison Each is haunted by the violent events of an attack in their family home eight years earlier which changed all their lives and destroyed their family Out of the Mist asks questions about faith and guilt and regret exploring loneliness and friendship hope and despair Does the past always have to define us or is the human spirit capable of overcoming all things **Eliza Berry A Second Chance** Daniella Colombo, 2022-02-09 Should a young girl save her father at the cost of trillions of fathers Eliza a tormented thirteen year old lives in the near future in a city called Cresco After her dad disappears down a wormhole she s catapulted into the intrigues of an incredible unfamiliar alien world on Earth Realising that everything she once knew was a lie and with her emerging but unreliable special powers Eliza teams up with her new friends TrueBias Yardley and Zeno and sets out on a quest to save her father She soon discovers that it s not only her dad who is in mortal danger but so is the survival of the whole galaxy She has to protect the precious Luxlumen stone from the Viscorpus race But even if she secures the stone as the only bargaining tool does she use it to save her father or the galaxy How can she save them both A note from Daniella Choosing an appropriate book for your child or even for yourself can be challenge and with so many on offer sometimes making the right choice is a lucky dip The Look Inside feature is excellent as it gives you the opportunity to see the style of writing and the initial direction of the story It is important to highlight that this book is written in British English and has not been translated into American English therefore for younger readers there may be some confusion with language such as Lift Elevator Flat Apartment Pavement Sidewalk I thought I would also add some further information to help you with your choice Eliza Berry A Second Chance does not contain any foul language drug use misuse and there is no reference to sex or any sexual scenes or associated language The story does however contain fight scenes which although are not heavily graphic and some are quite comical sometimes Eliza and her pals are in real danger and there are descriptions of being strangled and held by the throat or hair and other characters being hurt We assume one character is dragged into outer space but this is not confirmed This is a light science fiction novel for children from the age of 10 upwards Eliza Berry the main character is a girl of little confidence and as much as this is a story is about adventure and discovery it is also a story of how Eliza transforms from an individual with low self esteem and poor self worth As many 13 year olds she is struggling to find her place in the world and this story I d like to think takes us on a journey where Eliza learns to love and accept herself for her uniqueness Accepting who we are is an important part of growing up and I touch on the themes of domestic violence low self esteem love family feelings of abandonment isolation fear friendship trust acceptance and honesty All of us are special and unique and we all have a superpower It s just hard sometimes to find it **Eliza's Heart** D.P. Runaway Train Eric Roberts, 2024-09-17 In this brutally candid memoir, Academy Award and Golden Globe nominee Eric Roberts pulls no punches about the ups and downs of his career and his sometimes stormy relationship with his famous sister Julia. Eric Roberts grew up in Georgia, spending most of his teens away from his mother and sisters Lisa and Julia. Instead, he stayed with his controlling father, a grifter jealous of his early success. At age 17, Eric moved to New York to pursue acting, where he worked and partied with future legends like Christopher Walken, Mickey Rourke, John Malkovich, Bruce Willis, and Robin Williams. His big break came when he was cast in *King of the Gypsies*. Eric became one of the hottest stars of the era, starting an affair with actress Sandy Dennis, working with Bob Fosse on the critically acclaimed *Star 80*, and earning an Oscar nomination for *Runaway Train*. But for Eric, Hollywood came with a dark side: an ocean of cocaine that nearly swept him away, culminating in a car accident that almost cost him his life. Eric is open about the seriousness of his addictions and their devastating effect on his career. He reveals the reasons behind his complicated relationship with his sister Julia and his daughter Emma, a successful actress in her own right. Now happily married to actress and casting director Eliza Roberts, who helped him confront his demons, he is revered among his peers as the ultimate actor's actor. Written with New York Times bestselling author for years a *Vanity Fair* contributing editor and current *Air Mail* writer at large Sam Kashner, this is a powerful memoir of a Hollywood legend.

Striking a Light Louise Raw, 2011-03-10 In July 1888, fourteen hundred women and girls employed by the matchmakers Bryant and May walked out of their East End factory and into the history books. Louise Raw gives us a challenging new interpretation of events, proving that the women themselves, not celebrity socialists like Annie Besant, began it. She provides unequivocal evidence to show that the matchwomen greatly influenced the Dock Strike of 1889, which until now was thought to be the key event of new unionism and repositions them as the mothers of the modern labour movement. Returning to the stories of the women themselves and by interviewing their relatives today, Raw is able to construct a new history which challenges existing

accounts of the strike itself and radically alters the accepted history of the labour movement in Britain
