Elusive Passion:

Hidden Games Erez Yoeli, Moshe Hoffman, 2022-04-05 Two MIT economists show how game theory the ultimate theory of rationality explains irrational behavior We like to think of ourselves as rational This idea is the foundation for classical economic analysis of human behavior including the awesome achievements of game theory But as behavioral economics shows most behavior doesn't seem rational at all which unfortunately casts doubt on game theory's real world credibility In Hidden Games Moshe Hoffman and Erez Yoeli find a surprising middle ground between the hyper-rationality of classical economics and the hyper-irrationality of behavioral economics They call it hidden games Reviving game theory Hoffman and Yoeli use it to explain our most puzzling behavior from the mechanics of Stockholm syndrome and internalized misogyny to why we help strangers and have a sense of fairness Fun and powerfully insightful Hidden Games is an eye opening argument for using game theory to explain all the irrational things we think feel and do The New Plan A Geeta , Rajeshwari, 2018-08-16 How do you know it's time for a career break How can you revitalize yourself during a career break How can you prepare and acquire a PhD around your mid life What can you expect while changing careers from corporate to academia How do you re-enter the corporate world post a Ph D Working women face career dilemmas especially in their mid life Issues of work life balance are encountered at this stage and they begin to introspect and question what they really want from their careers The New Plan A is a book aimed at encouraging working women to change careers at any life stage Careers in the corporate world and the academic world and the aspects of dealing with a career break have been covered in detail Honest vulnerable witty The New Plan A is a book that seeks to inspire people to believe in their dreams and dare to pursue them age not being a barrier The Dark Interval Padraic Killeen, 2022-05-05 Invoking key concepts from the philosophical writings of Gilles Deleuze and Giorgio Agamben The Dark Interval examines a subtle but distinct iconography of passivity stillness and profound self affection that recurs across noir films of every era In doing so it identifies the emergence of a specific cinematic figure the intervallic noir protagonist exposed to the redemptive force of his or her own passion Significantly the book contextualises the iconography of film noir in relation to prior art historical visual traditions in particular earlier representations of melancholia and the saturnine locating noir against a much broader canvas than has been the norm Examining central noir films of the classic and modern era The Killers The Man Who Wasn't There as well as films at the peripheries of noir from Jacques Tourneur's Cat People to Wong Kar Wai's 2046 the book locates a series of iconographic gestures performance traditions and affective tonalities at once specific to noir and yet resonant with a deeper cultural and philosophical heritage It is a meditation that uniquely grapples with the look and the feel of noir and which dares to detect a unique quality of beatitude that runs through a certain strain of noir films In doing so it illuminates why film noir remains one of the most provocative and affecting visual milieus of our time **Elusive Passion** Kathryn Smith, 2009-05-05 Who is the mysterious Varya On the surface she's a woman who tempts men beyond reason but no one has touched the heart

of the elusive creature that is until now Miles Christian the Marquess of Wynter never expected to be abducted at gunpoint and accused of murder and certainly not by a woman When he discovers his would be kidnapper is the elusive Varya a beauty courted and desired by most of the men in London society he is doubly shocked and enthralled Obsessed with this seductress Miles is determined to keep her by his side as they hunt for the true culprit even if it means putting them both in danger For Varya the danger lies in Miles s very touch and though she s far from ready to trust the dashing rogue she cannot deny the attraction that flares between them But when they are caught in a compromising position Varya reluctantly agrees to pose as Miles s mistress even as she resists his potent efforts to woo her into his bed For none could guess that her bloodlines are as pure as any English aristocrat s or that behind her public mask lies a woman determined not to relinquish her hard won independence to a man s desire unless she ensnares his heart as well

The Black Hole Iris Macfarlane,2024-11-18 Who went into the Black Hole of Calcutta Who came out alive And does it matter anyway Historically not at all but it is perhaps important to try to understand why such an event of which the known facts are so at variance with the legend ever assumed such significance and became one of the few things that anyone knows about India In The Black Hole originally published in 1975 Iris Macfarlane tries to answer these questions The author aims to fill the gap between the classic studies of Indian history and the imaginary history of the

novelists She writes with a great awareness of the injustice done to two thirds of the world by colonisers who first with guns then with bibles and grammars imposed on the native people that sense of inferiority on which colonialism feeds and thrives Then she says they used incidents like the Black Hole distorted and exaggerated to justify their actions In this book the story of the colonisation of India is told from the arrival of the first merchants until the incidents of the Black Hole to show how India was reduced to subjection The Black Hole itself is investigated in great depth to extract the facts that can be proved and to set them up beside the legend

A Companion to François Truffaut Dudley Andrew, Anne Gillain, 2013-04-22 A Companion to François Truffaut An unprecedented critical tribute to the director who in France wound up becoming the most controversial figure of the New Wave he helped found Raymond Bellour Centre National de la Recherche Scientifique This exciting collection breaks through the widely held critical view that Truffaut abandoned the iconoclasm of his early work for an academicism he had consistently railed against in his own film criticism Indeed if fever and fire were Truffaut's most consistent motifs the essays in this collection live up to his lifelong burning passion for the cinema Written by world famous scholars the essays exhaustively explore the themes and styles of the films as well as Truffaut's relationships to André Bazin Alfred Hitchcock and the directors of the New Wave his ground breaking and controversial film criticism and his position in the complex politics of French cultural life from the Popular Front to 1968 and after Angelo Restivo Georgia State University Although the New Wave one of the most influential aesthetic revolutions in the history of cinema might not have existed without him François Truffaut has largely been ignored by film scholars since his death almost thirty years ago As an innovative theoretician an influential critic and a celebrated filmmaker Truffaut formulated disseminated and illustrated the ideals of the New Wave with exceptional energy and distinction Yet no book in recent years has focused on Truffaut's value and his overall contribution to cinema deserves to be redefined not only to reinstate him in his proper place but to let us rethink how cinema developed during his lifetime In this new Companion thirty four original essays by leading film scholars offer new readings of individual films and original perspectives on the filmmaker's background influences and consequence Hugely influential around the globe Truffaut is assessed by international contributors who delve into the unique quality of his narratives and establish the depth of his distinctively styled work An extended interview with French filmmaker Arnaud Desplechin tracks Truffaut's controversial stature within French cinema and vividly identifies how he thinks and works as a director adding an irreplaceable perspective to this essential volume

Life After Gravity Patricia Fara, 2021 Presents Newton as a wealthy ambitious Londoner with international connections challenging the prevailing view of Newton as a solitary reclusive genius A unique narrative structure based on a Hogarth's painting The Indian Emperor incorporating iconographic evidence to identify Newton as a participant in aristocratic metropolitan circles Relates Newton and his science to Britain's imperial networks and the African slave trade exposing Britain's greatest scientific hero as a participant in global trading based on slavery Publisher's description

Revealing/Reveiling Shanghai Lisa Bernstein, Chu-chueh

Cheng,2020-08-01 *Revealing Reveiling Shanghai* provides international and interdisciplinary perspectives on representations of Shanghai a contested location within political discourse and cultural imagination Shanghai s complex history as a quasi colonial city and its contradictory identity as the birthplace of Communist China and the epitome of twenty first century capitalism make it an especially fascinating subject Contributors examine representations of Shanghai in film art literature memoir theater and mass media from the past one hundred years They address the ways in which texts from the late twentieth and early twenty first centuries have rewritten past and present Shanghai to reflect our own wishes and anguishes show how the city resists static interpretations and challenge notions of authentic representation and identity By revealing and questioning persistent stereotypes and constructed versions of East and West the essays offer diverse views so as to create a genuine exchange with contemporary global audiences A wide variety of texts are discussed including the films *Street Angel* 1937 and *The White Countess* 2005 and the novels *The Song of Everlasting Sorrow* 1996 and *Shanghai Baby* 1999 *If You Could Read My Mind* Pamela Labud,2006 Never underestimate the power of the paranormal as Pamela Labud follows her debut with a romance as compelling as her first *The Resilient Clinician* Robert J. Wicks,Mary Beth Werdel,2023-11-17 Thoroughly updated with the latest research studies this book addresses the experience of the mental health professional and raises awareness of the insidious almost silent psychological defenses of denial and avoidance in the life of the clinician A concise guide to preventing and limiting acute and chronic secondary stress *The Resilient Clinician* 2nd Edition offers an overview of mindfulness and meditation as it applies to the clinician s own life rather than that of the client or patient and describes how to develop a personally designed self care protocol **Twentieth Century American Literature** Warren French,1980-11-01 **Colour Films in Britain** Sarah Street,Keith M. Johnston,Paul Frith,Carolyn Rickards,2021-11-18 The story of Eastmancolor s arrival on the British filmmaking scene is one of intermittent trial and error intense debate and speculation before gradual acceptance This book traces the journey of its adoption in British Film and considers its lasting significance as one of the most important technical innovations in film history Through original archival research and interviews with key figures within the industry the authors examine the role of Eastmancolor in relation to key areas of British cinema since the 1950s including its economic and structural histories different studio and industrial strategies and the wider aesthetic changes that took place with the mass adoption of colour Their analysis of British cinema through the lens of colour produces new interpretations of key British film genres including social realism historical and costume drama science fiction horror crime documentary and even sex films They explore how colour communicated meaning in films ranging from the *Carry On* series to *Monty Python s Life of Brian* 1979 from *Lawrence of Arabia* 1962 to *A Passage to India* 1984 and from *Goldfinger* 1964 to 1984 1984 and in the work of key directors and cinematographers of both popular and art cinema including Nicolas Roeg Ken Russell Ridley Scott Peter Greenaway and Chris Menges **Sur's Ocean** Surdas,2023-02-01 Surdas and his remarkable lyrics refashioning the widely known narrative of the Hindu deity

Krishna and his lover Radha has been regarded as the epitome of artistry in Hindi verse from the end of the sixteenth century to the present day This award winning translation of Sur s Ocean reconstructs the early tradition of Surdas s poems *The Hofer family* Mr. Rosolino,2020-01-02 There are places in this life that are not made of tuff and concrete and that exist only in those hearts full of hope The young Michael Hofer knew well that he only wanted to play with his peers study in a public school explore the streets of his native country but above all grow up as a normal person What did he ask for so much detail Nothing for one of his age Yet in the most luxurious villa in Bressanone in the province of Bolzano the Hofer family forged the young Michael to make him a special boy and even before his face was shown in public the name Michael Hofer had already become legend Would fame have been enough to restore Michael lost childhood Could success have restored his lost years in his youth But the day the doors of that prison would open was about to come
