Melton and the Hereafter Damian Gutierrez Barnes,2022-09-29 Much like his favorite black and white television shows growing up Melton often thought of life in dualities of right and wrong moral and immoral grace and sin impressing religious devotion on his family s life and anyone else who would listen Sure in his opinions Melton remained uncertain of what to expect when his time on earth came to an end He never anticipated finding himself utterly alone but surrounded by the idyllic beauty of the state park he d enjoyed visiting so much with his wife and children over the course of his life and in his meditations Returned to this serene natural setting so familiar to him and yet not quite the same he travels the park s old rim trail along cliffs above the Pacific Ocean into foggy groves of firs redwoods and memory Alone with ghosts who have haunted him through life his dead twin and breathless daughter his father who beat him and the monsignor who molested him Melton also encounters the shadow of a man who left his own lasting impacts in the lives of others Tortured with hindsight and dreading an eternity of solitude in this once beloved wilderness Melton eventually encounters a peculiar park ranger who will lead him on the remainder of his journey and to a mythical encounter where the final tea about his life will be spilled Melton may be able return to his tribe if he can take what s served Readers will laugh and cry in this cinematic life changing tale In an era of doom and pessimism Melton and the Hereafter radiates

with hope and faith in humanity
