Famous People Speak About Jesus A Compendium Of Expressions Of Praise Reverence:

Famous People Speak About Jesus Christopher H.K. Persaud,2004-11-16 WHO DO YOU SAY THAT I AM Jesus posed the question to His disciples a short time before he was unfairly accused and wrongfully condemned to death after being subjected to a mockery of a legal trial before he was horrendously abused and killed atop a wooden cross And who do you say that I am Peter the disciple who was to initiate and lead the astounding movement we know today as Christianity answered You are the Son of the living God to which Jesus replied Peter you are the rock upon which I will build my Church and the gates of hell will not prevail against it Jesus question reverberates throughout history as we know it and directly and indirectly people have answered and continue to respond to this most poignant of inquiries Let us endeavor in this regard to peer into the thoughts of over a thousand notable men and women from the first century following Christ s life and times to the present age Let us read what monarchs presidents statesmen philosophers scientists theologians writers philanthropists poets composers singers songwriters actors actresses television talk show hosts athletes and Christian martyrs throughout history among others and even a dictator or two and a few infamous personalities have had to say about this mesmerizing young rabbi who wandered the Judean hills over two thousand years ago **Famous People Speak about Jesus**

Christopher Persaud,2020-05-31 Famous People Speak about Jesus Every major religious movement regards Jesus Christ as an outstanding philosophical and spiritual figure multitudinous millions see him as God Himself He is unique to the degree he defies comparison with anyone else In Famous People Speak about Jesus the author peers into the minds of 1 150 notable men and women from the first century following Christ s life and times to the present age He shares with the reader what monarchs presidents statesmen philosophers scientists theologians writers philanthropists humanitarians poets singers musicians rappers songwriters composers actors television talk show hosts athletes politicians and Christian martyrs among others and even agnostics and some infamous people have had to say about the mesmerizing young Jewish rabbi who wandered the Judean hills over two thousand years ago and taught a revolutionary message of salvation from sin and eternal life in a place called Heaven The author provides personal data about the speakers so the reader learns where they lived when they lived what their professions were and in many instances information about unique experiences and accomplishments **Mending Broken Relationships, Building Strong Ones** John Boucher,2015-08-01 We all struggle

with relationships that are broken in some way In this book authors John and Therese Boucher show us eight ways to love like Jesus through intercessory prayer respect forgiveness gratitude affirmation forbearance honesty and a healing presence These are gifts that are given to us through the power of the Holy Spirit Like seeds that are placed in the earth these virtues and gifts can grow with prayer mutual support and practice and become the paths to strong and fulfilling relationships Each chapter focuses on a different path to love Many real life stories including those from the saints help readers to connect these virtues and gifts to their own lives *Jesus* Margery Wolfe,2016-10-04 Jesus came so that man would be aware of the

choice they have leaving man without excuse to sin You see God loves man and desires that we serve him in spirit and in truth Jesus is the way the truth and the light we will need to live now the Word and he is the same one we need when we depart this life the Christ He came that we have life in Christ that is more abundant through the Spirit He sent us once again Gods Spirit that gave man life in the earth as living souls The Universalist's Book of Reference Everet Emmett Guild,1881

Dr Tony M Thurston,2023-01-27 As a team member of Amazing Things The Church the origin of this book is a result of Dr Tony Thurston finding a way to express what The Lord God gave to all of the saints who will be joining Him soon in glory Corroborating with Elder Sharon Bright Boxley also of Amazing Things I demonstrate the will of God for believers on this side of the grave and then show the awesome splendor and majesty that He s revealing to us beyond the grave and into eternity Upon completion of my graduate work in End Time ministry I was convinced that there were not many books that covered both sides of the grave simultaneously I also noticed that the blow of death to families was just too monumental So I felt compelled to offer not only for the living but also additional hope to people and families facing grave or terminal experiences During these difficult times I provide hope not arguing points Thus the book *Heavenly Things to Die For* targets four potential groups The downtrodden those searching for Gods proof text the sick terminally ill and the elderly Scriptures are being discussed that will lift you up knowing that there in our midst is the compassionate God that loves you no matter what the situation is It delivers hope to those who are living or hope to people who are terminally ill Phil 1 21 27 The goal that is met in this offering is to bring you to a point of accepting whatever God has ordained for you including the beginning of real life which in fact is death Pleasure Being Mine Minister Dr Tony Thurston **Record of the Year, a Reference Scrap Book** Frank Moore,1876 **The Book of Common Praise** William Staunton,1866 **The Annotated Book of Common Prayer** John Henry Blunt,2023-03-19 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The annotated Book of common prayer; an historical, ritual, and theological commentary on the devotional system of the Church of England, ed. by J.H.
