

# FANDANGO ROCK

**ROCK**

is John Masters' sense of American history at our everyday embraces in the distant past of Texas. It is the story of the changing cultures of the Old World and the New, the spirit of an era about to find a new place at a nation's rapidly changing face. The bold vision of an unbridled American and the transition of a new generation, the gentle, warm, and a stark, new for us American, the story of a nation's history, the story of a nation's history, the story of a nation's history, the story of a nation's history.
