**Farewell to Eden** Duwayne R. Anderson, 2003-12     *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book     *The Mormon Mirage* Latayne C. Scott, 2009 Three decades after leaving the Mormon faith Latayne Colvett Scott looks back to her original journey out of Mormonism and the reasons why she left Revised and updated this third edition of *The Mormon Mirage* presents both a fascinating inside look at Mormonism and new and formidable evidence against its claims and teachings     **Copper Mines, Company Towns** Dr. Larry R. Stucki, 2009-10-06 Just as few natural species have withstood the test of ever changing earth environments through time relatively few human created systems e g companies governments religions etc long survive their creation What then is the secret of those that continue to defy these odds and what factors have led to the failure of others This manuscript attempts to answer this question using the Phelps Dodge Corporation its unions its Native American and Mexican workforce the Ajo Inter tribal Community Council the Mormon Church The March of Dimes and others as examples Dr Larry R Stucki from the Preface     *Dialogue*, 2005 A journal of Mormon thought     *The American Phrenological Journal and Repository of Science, Literature and General Intelligence*, 1855     **The Charles Meeker Kozlay Collection of Bret Harte** Charles Meeker Kozlay, American Art Association, 1926     *Arts & Humanities Citation Index*, 1980
