Buzzfeed Town the winter that Harvard University would begin the tumultuous process of merging with Radcliffe its all
female sister school and the year that Jane Britton an ambitious twenty three year old graduate student in Harvard s
Anthropology Department and daughter of Radcliffe Vice President J Boyd Britton would be found bludgeoned to death in her
Cambridge Massachusetts apartment Forty years later Becky Cooper a curious undergrad will hear the first whispers of the
story In the first telling the body was nameless The story was this a Harvard student had had an affair with her professor and
the professor had murdered her in the Peabody Museum of Archaeology and Ethnology because she d threatened to talk
about the affair Though the rumor proves false the story that unfolds one that Cooper will follow for ten years is even more
complex a tale of gender inequality in academia a cowboy culture among empowered male elites the silencing effect of
institutions and our compulsion to rewrite the stories of female victims We Keep the Dead Close is a memoir of mirrors
misogyny and murder It is at once a rumination on the violence and oppression that rules our revered institutions a ghost

colonization and imperialism Guyana is today caught between its colonial past its efforts to achieve the consciousness of
nationhood and the need of its diverse subgroups to maintain their own identity Stains on My Name War in My Veins
chronicles the complex struggles of the citizens of Guyana to form a unified national culture against the pulls of ethnic
religious and class identities Drawing on oral histories and a close study of daily life in rural Guyana Brackette E Williams
examines how and why individuals and groups in their quest for recognition as a nation reproduce ethnic chauvinism racial

Congressional Record United States. Congress,2002 **No Other Name** Robert Beatty,2020-11-08 Samuel Martin is
not afflicted with the wanderlust that teenage boys growing into young men in isolated areas in isolated times so often are
Samuel has no desire to break out of the isolation of the remote rural farm town he was born into and see the world He wants
nothing more than to be the third generation patriarch on the farm of his ancestors living on the land he loves in company
with the family he loves He is just facing the problem of finding the one girl he wants to share his love and life with He thinks
he has found that girl in the form of the beautiful enigmatic young prostitute girl who hides her early life and hides herself
behind the flowery contrived name of Clarinda The girl shares her body with him but never shares her real name Neither

does she share the love she is incapable of returning Samuel loves the girl recklessly and beyond the point of caution In the process he learns that loving recklessly and beyond caution can invert and disrupt your life the way following any passion recklessly can He also learns that life is what happens to you when you had other plans **My Name Is Number 4**
