

4th OF JULY INTERESTING FACTS

DID YOU
KNOW?

On the 4th of July, 1776, the Declaration of Independence was approved by the Continental Congress.

Independence Day honors the birthday of the United States of America and the adoption of the Declaration of Independence on July 4, 1776.

The Declaration of Independence was signed by 56 men representing the 13 colonies. The moment the declaration was signed it marked the beginning of all-out war against the British.

The first signature on the Declaration of Independence was John Hancock's. The myth is that he wrote his name large so that King George would be able to read it without his glasses.

In 1870 the Congress made the 4th of July an unpaid holiday for federal employees. In 1941, Congress declared 4th of July a paid federal holiday.

Independence Day became a federal holiday in 1870.

Today, the 4th of July is a day of picnics and patriotic parades, a night of concerts and fireworks, and a reason to fly the American flag.
