Andrews,2020-01-18 The only way in which anyone can become a genuine disciple of Jesus Christ is to exercise a divinely given faith in the once crucified but now glorified Son of God a faith that quickens the soul fills it with the mind of Christ and so unites them to Jesus forever Murray Andrews well know that the means for arriving at faith is the Word of God It is the question often asked by the Master Jesus Christ which brings us to the title of the book If I speak the truth why do you not believe John 8 46 Assured like the apostle Paul as taught by the Lord that the only mode for receiving forgiveness of sins and inheritance among them that are sanctified is faith in Christ Acts 26 18 Therefore Murray Andrews concentrate their writings

on the anxious soul onto the Savior on the one hand and the necessity and power of faith in his own heart on the other By this means they expect that under the working of the Spirit through the Word of God the reader will be led to more fully live their life in faith the faith which is in the Son of God who loved you and gave Himself up for you Gal 2 20 This little book will play a valuable part in our modern Christian faith no doubt with its lessons helping Christians to grow spiritually This book will awaken the need for a vital bond between Christ and the readers leading them to a stronger faith which is so richly needed today Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God s salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism s exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism s internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God s free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God s sovereignty salvific love foreknowledge and man s freedom this so a person can make an informed choice about Calvinism

THE 1946 PROJECT Edward D. Andrews, 2021-10-28 Did one mistranslated word in 1946 change the church forever The film The 1946 Project claims that the word homosexual was wrongly inserted into the Bible in the Revised Standard Version and that this single mistake has fueled decades of misunderstanding mistreatment and oppression But is that true Or is it a clever attempt to rewrite the gospel to fit the spirit of the age This book exposes the errors of The 1946 Project with Scripture history and sound scholarship From Genesis to Revelation the Bible speaks with one voice about God s design for sex marriage and holiness It is not one English word that defines the issue but the inspired Word of God itself Part One dismantles the film s claims showing why the mistranslation myth collapses under the weight of biblical evidence and the Christian consensus across centuries Part Two turns directly to today s youth ages 12 25 offering biblical guidance courage and clarity in a world of confusion about identity gender and truth This is not a book of hate but of hope It calls every reader to take God s Word seriously to stand firm in a culture of compromise and to believe the good news that in Christ sinners of every kind can be washed sanctified and justified 1 Corinthians 6 11 Truth matters Eternity matters The gospel cannot be rewritten *Argument is War: Relevance-Theoretic Comprehension of the Conceptual Metaphor of War in the Apocalypse* Clifford Winters, 2020-09-25 In *Argument is War Relevance Theoretic Comprehension of the Conceptual Metaphor of War in*

the Apocalypse Clifford T Winters demonstrates that the apparent war in the Apocalypse is rather telling the story of the gospel how Christ will restore Israel and through them the rest of the world When Revelation is viewed through the corrective lens of cognitive linguistics its violence becomes victory its violent characters become Christ and its bloody end becomes the blessed beginning of the New Jerusalem Revelation is simply telling the story of the early church the Gospels and Acts to the early church and it is using a conceptual metaphor ARGUMENT IS WAR to do it *WORKING FOR GOD!* Edward D. Andrews, Andrew Murray, 2020-01-26 THE objective of WORKING FOR GOD is first of all to remind all Christian workers of the greatness and the glory of the work in which God gives a share It is nothing less than that work of bringing men back to their God at which God finds His highest glory and blessedness As we see that it is God s own work we have to work out that He works it through us that in our doing it His glory rests on us and we glorify Him we shall count it our joy to give ourselves to live only and wholly for it WORKING FOR GOD at the same time aims to help those who are laboring in vain to find out what may be the cause of such struggles God s work must be done in God s way and in God s power It is spiritual work to be done by spiritual men and women in the power of the Holy Spirit The more precise our insight into God s Word and the more complete our submission to God s laws of work the surer and the richer will be our joy and our reward in it Along with this WORKING FOR GOD can be a great help for those who have struggled in finding their part in the service of their Lord Murray and Andrews seek to help ones understand that the chief characteristic of the Divine life in God and Christ is love and its work of blessing men The Divine life in us can show itself in no other way They have sought to show that it is God s will that every believer without exception whatever be his position in life gives himself wholly to live and work for God WORKING FOR GOD will also focus on teaching the imperative duty the urgent need the Divine blessedness of a life given to God s service and to waken within the consciousness of the power that works in them even the Spirit and power of Christ Himself *WAITING ON GOD!* Andrew Murray, Edward D. Andrews, 2020-01-25 Waiting on God appropriately Ps 42 5 11 43 5 is encouraged for one to gain divine approval Waiting on God what does it involve As Christians we are waiting for and hastening the coming of the day of God We look forward to relief when the time arrives for the day of judgment and destruction of the ungodly 2 Peter 3 7 12 Thus waiting on God involves waiting for His time to act As we await the Lord s day we may at times be very deeply concerned to see the moral standards of the world around us sink ever lower At such moments it is good to consider the words of God s prophet Micah who wrote The godly person has perished from the land and there is no upright person among humankind Then he added But as for me I will look to the Lord I will wait for the God of my salvation Micah 7 2 7 What is the waiting attitude that we should develop Since having to wait is often tiring and trying how can we find joy while waiting on God Murray and Andrews address these questions and so much more *Illumination and Interpretation* M. X. Seaman, 2013-03-06 The Holy Spirit s ministry of illumination is a commonly misunderstood doctrine both pragmatically and theologically As a result this divine activity is often neglected but it should be recognized that it is

indispensable for the hermeneutical endeavor This distinctive work seeks to take an apparently abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination while reemphasizing the cooperation of Word and Spirit In doing so this book treats issues such as the relationship between illumination and other hermeneutical doctrines the accessibility of the Spirit s illumination when interpreting the Scriptures and the question of unregenerate biblical interpretation Accordingly Illumination and Interpretation presents a biblical theological evaluation of the Spirit s work of illumination for the transformative purpose of understanding how to appropriate this vital hermeneutical doctrine into one s faith and practice CHRISTIAN THEOLOGY Reuben Archer Torrey,Edward D.
