Ord, 2001-11-08 The beginning bass singer with his range and tessitura at the bottom end of the scale of voices has unique  
difficulties finding suitable vocal music which is often very frustrating for him and his teacher As the young or beginning bass  
works and waits patiently for his voice to develop appropriate vocal literature needs to be found which is within his present  
range and tessitura To address this problem this new book lists selected songs carefully chosen from the repertoire with  
annotations Some songs given as an illustration or example of what is appropriate are presented in their entirety Each of  
these has its own background material complete with interesting biographical information and tips on interpretation If the  
song is originally in a foreign language a suitable English version is given as well In addition the selected entries provide full  
access to suitable material annotations include composer title range tessitura tempo meter difficulty source publisher and  
pertinent comments Also includes indexes by composer title and publisher      **57 Classic Period Songs** Van A. Christy, Carl

festivals approach choir directors and voice teachers search for the right songs for their students to sing There is so much  
music available for young developing voices but how can an overworked teacher keep track of it all *Songs for Young Singers*  
a careful review of more than 2 000 songs printed in over 70 anthologies has been written to address the needs of choir  
directors and voice teachers of junior high and high school age students Section I lists songs by title as well as the  
anthologies in which they are found Teachers wishing to explore the works of a particular composer will turn to section II  
where songs are listed by composer In section III IV and V the songs are categorized by Beginning Intermediate and  
Advanced levels for Quick reference Section VI lists the anthologies reviewed with a detailed description of the vocal demand  
of each song in the anthology The songs have been evaluated on seven criteria melodic contour including range phrase  
length language rhythm accompaniment harmonic language and dynamics and are listed by title composer and level of  
difficulty      **Catalog of Copyright Entries, Third Series** , 1967 The record of each copyright registration listed in the
