Eye Of The Elephant An Epic Adventure In The African Wilderness:

The Eye of the Elephant Delia Owens, Mark Owens, 1992 Expelled from Botswana for writing *Cry of the Kalahari* the Owens set off across Africa They settled in Zambia where they soon found their peace shattered by the gunfire of elephant poachers This is the story of the couple's battle to save the elephants and their own lives *The Eye of the Elephant*

Cordelia Dykes Owens, 1993-10-29 In a remote Zambian valley where elephants gracefully wandered into camp to eat fruit from the trees the authors of the bestselling *Cry of the Kalahari* discovered a new wilderness Eden But peace was shortlived when they were drawn into a struggle that threatened their lives Photos **Summary of The Eye of the Elephant by**

Delia Owens & Mark Owens: An Epic Adventure in the African Wilderness Thomas Francis, 2024-06-15 The Eye of the Elephant In the heart of Africa where the sun rises and sets over vast landscapes teeming with life lies the Luangwa Valley a place of unparalleled beauty and danger This valley framed by the majestic Luangwa River and the towering escarpments is home to one of the continent's last great populations of elephants Here Delia and Mark Owens embarked on a journey that would not only change their lives but also alter the fate of these magnificent creatures Their adventure began with an insatiable curiosity about the natural world a passion ignited in the vast wilderness of North America and fueled by their academic pursuits in biology and zoology This curiosity led them to Africa a land where the raw untamed beauty of nature is matched only by its harsh realities **The Eye of the Elephant** Delia Owens, Mark Owens, 1993-10-29 An exciting true

account of battling the elephant poachers of Zambia by the author of *Where the Crawdads Sing* and her fellow biologist The Boston Globe Intelligent majestic and loyal with lifespans matching our own elephants are among the greatest of the wonders gracing the African wilds Yet in the 1970s and 1980s about a thousand of these captivating creatures were slaughtered in Zambia each year killed for their valuable ivory tusks When biologists Mark and Delia Owens residing in Africa to study lions found themselves in the middle of a poaching fray they took the only side they morally could that of the elephants From the authors of *Secrets of the Savanna* *The Eye of the Elephant* is part adventure story part wildlife tale recounting the Owens' struggle to save these innocent animals from decimation a journey not only to supply the natives with ways of supporting their villages but also to cultivate support around the globe for the protection of elephants The Boston Globe Filled with daring exploits among disgruntled hunters arduous labor on the African plains and vivid depictions of various wildlife this remarkable tale is at once an adventure story a travelogue a preservationist call to action and a fascinating examination of both human and animal nature *Elephants* Ellen Greene Stewart, 2022-03-04 Elephants are a keystone species and have

been a part of the magic of the thickly forested land of South Africa for millennia This book focuses on the history and work of Knysna Elephant Park a leading South African elephant research facility that has been home to more than 40 elephants in 25 years Unfortunately all the mystique of the Knysna elephant has been reduced to a single elephant left alive Exploring a wide range of topics this book covers the impact of elephants' interactions with tourists how they recover from trauma and

even their relevance in human healthcare Renowned elephant researchers explain the majesty of the elephant brain which has the largest temporal lobe devoted to communication language spatial memory and cognition To this effect the book emphasizes the threat of poaching to these gentle giants which has almost forced them to extinction Perhaps if humans pay attention to how elephants symbolize our relationship with nature we can learn important lessons about humanity itself

Storytelling in Northern Zambia Robert Cancel,2013 Storytelling plays an important part in the vibrant cultural life of Zambia and in many other communities across Africa This innovative book provides a collection and analysis of oral narrative traditions as practiced by five Bemba speaking ethnic groups in Zambia The integration of newly digitalised audio and video recordings into the text enables the reader to encounter the storytellers themselves and hear their narratives Robert Cancel s thorough critical interpretation combined with these newly digitalised audio and video materials makes Storytelling in Northern Zambia a much needed addition to the slender corpus of African folklore studies that deal with storytelling performance Cancel threads his way between the complex demands of African fieldwork studies folklore theory narrative modes reflexive description and simple documentation and succeeds in bringing to the reader a set of performers and their performances that are vivid varied and instructive He illustrates this living narrative tradition with a wide range of examples and highlights the social status of narrators and the complex local identities that are at play Cancel s study tells us not only about storytelling but sheds light on the study of oral literatures throughout Africa and beyond Its innovative format meanwhile explores new directions in the integration of primary source material into scholarly texts This book is the third volume in the World Oral Literature Series developed in conjunction with the World Oral Literature Project

Walking Safaris of Africa Denis Costello,2025-03-13 The comprehensive guide to walking safaris in the parks and reserves of East and Southern Africa The survival of Africa s wilderness is dependent on wildlife tourism and walking is the most sustainable way to appreciate it First time safari travellers are often surprised to discover that walking with elephants and other big game is possible always in the care of professional guides Swapping a game drive for a walk one morning they become hooked on this immersive experience which offers a deeper dive into the natural world From camel supported explorations with the Samburu of Kenya s northern frontier to gentle walks amidst the Cape Floral Kingdom a lifetime of alluring adventures awaits Luxury lodges seasonal trails camps leave no trace backcountry camping adventures this book is the essential companion for all kinds of walking safaris It offers guidance on when to go what to bring and reserve by reserve information about the terrain ecology and walk operators as well as a series of inspirational narratives of walks undertaken This is the first guide to walking safaris that covers all of the major safari destinations in Africa Along the way a superficial search for Big Five animals is transformed into an absorbing discovery of the entire ecosystem from fossils and flora to invertebrates tracks human history and rock art It s not surprising that those who love walking safaris become champions for habitat conservation Including information for all levels of ability from gentle dawn walks to sleep out primitive trails this is

ELEPHANTS features text by some of the world's leading authorities on the African elephant It has more than 100 color pictures and is very much a celebration of this magnificent animal **The Scott, Foresman Handbook for Writers** Maxine Hairston, John J. Ruszkiewicz, Christy Friend, 2002 The *Scott Foresman Handbook for Writers* 6e continues its tradition of innovation with ground breaking coverage of grading service learning document design and research Already the most imitated book in its field SFH 6e becomes the first handbook to offer a full chapter on Evaluating Writing covering both traditional and portfolio systems of grading The new chapter answers many of the questions about grading principles criteria and procedures that instructors face every term There's more too in this edition about the kinds of writing more and more college writers are doing in their professional and civic lives or in service learning courses Already a leader in technology SFH now expands its first ever treatment of document design into a fully illustrated section that explains document design as a process like writing itself There's a thorough new chapter with full coverage of Writing for the Web and a portfolio chapter of four color model documents Coverage of research continues to set the standard for college projects with new material on designing research projects evaluating sources and working with online materials helpful online materials to enhance their thinking and research But the edition has not neglected more traditional elements of writing Every chapter has been reworked to enhance clarity and to polish the notably friendly style of SFH No handbook addresses writers more cordially or helpfully A new cleaner design makes all materials more accessible and frequent photos and images make the entire package

more student friendly *Bookmarks* John J. Ruszkiewicz, Janice R. Walker, Michael A. Pemberton, 2003 Written in a lively conversational tone and amply illustrated *Bookmarks A Guide to Research and Writing* establishes a new benchmark for college research guides serving as a bridge between old and new traditions for researchers who expect to work regularly in both print and electronic environments *Bookmarks A Guide to Writing and Research Second Edition* demystifies the writing process by engaging and guiding students through the entire research and writing process The new edition includes an expanded focus on rhetorical issues addressing audience authorial stance and balanced argumentation encouraging writers to connect their projects to the wider community and to find a clear purpose for their research projects The completely updated approach to research encourages students to use new technologies to find reliable information using electronic library catalogs online databases and the WWW encouraging them to use the technologies to locate the sources that are most appropriate for their topics and purposes *Bookmarks* attends to all aspects of the research and writing process guiding students through the strategies for selecting a topic refining it and developing it into a full fledged research hypothesis finding and positioning sources using them in appropriate and responsible ways to further their projects and documenting and completing their final projects for print or electronic publication Renowned authors John Ruszkiewicz and Janice Walker prepare students for the ever changing demands of conducting research in today s technology driven society **CoreText**

Maxine Hairston, John J. Ruszkiewicz, Daniel E. Seward, 1997 *SF Writer* John J. Ruszkiewicz, Maxine Hairston, Daniel E. Seward, 1999 With *SF Writer 2* e the authors did more than offer a revision they created a new kind of handbook *SF Writer 2* e takes the writer in its title seriously From its opening paragraph to its concluding almanac the handbook examines the writing process today from the perspective of writers young and old learning new roles and reaching new audiences The style of *SF Writer* is energetic and witty the advice fresh and contemporary the design ground breaking Almost every major element of *SF Writer* is new or significantly revised beginning with an organization that removes the barriers between writing and research While most handbooks put the chapters on research in back of the book *SF Writer* locates these essential strategies up front in Part II Thinking and Research This new arrangement helps writers appreciate better the connection between college research and other essential activities such as Reading Critically and Writing Persuasively also examined in Part II Equally fresh is Part I Working as a Writer which presents writing as a dynamic activity grounded in practical choices and familiar genres *Writer* also includes an innovative chapter on Evaluating Writing No other handbook in *SF Writer* s field covers this sensitive but important topic *SF Writer* breaks new ground too in expanding its coverage of document design and writing for the Web A full section is now devoted to these subjects featuring fresh material and rich illustrations Uniquely *SF Writer* treats the design of print and electronic documents as a process like writing itself *SF Writer* embodies these design principals in a volume full of carefully chosen images and photographs from section dividers that showcase the work of writers to an almanac featuring timelines of notable texts and authors It s not an accident that *SF*

Writer looks exceptionally fresh and contemporary In this edition the media is part of the message Yet SF Writer doesn't forget its responsibilities as a guide to grammar mechanics usage and documentation Its coverage in these areas is unsurpassed Yet even here new themes are sounded For example the model MLA paper is by a student teacher wrestling with a state mandate for competency testing undergraduate research in psychology So both papers demonstrate that undergraduates today really can do serious work as writers and reach live audiences

Sf Compact Maxine Hairston, John Ruskiewicz, Christy Friend, 2004-02 Based on the Scott Foresman Handbook SF Compact offers a simple brief and inexpensive reference as well as ample exercises and thorough coverage of research and documentation Includes thorough coverage of MLA APA CMS and CSE documentation through the context of the writing processes writing for academic and public forums style design and shape of writing grammar punctuation and mechanics research and writing and documentation A useful reference for any professionals who generate correspondence

SF Express John J. Ruskiewicz, Maxine Hairston, Christy Friend, 2001 With the SF Express the authors have created a pocket handbook unique in its treatment of issues frequently not covered in a book of its size including a sound introduction to critical thinking and the writing process document design and writing for the web SF Express breaks new ground in Part I Writing and Thinking where it presents writing as a dynamic activity grounded in practical choices and familiar genres Also innovative is its coverage of document design and writing for the Web Two full chapters devoted to these subjects feature fresh material and relevant illustrations Uniquely SF Express treats the design of print and electronic documents as a process like writing itself Yet SF Express doesn't forget its responsibilities as a guide to grammar mechanics usage and documentation Its coverage in these areas is unsurpassed in the pocket handbook format A concise but thorough reference the SF Express is the perfect tool for student writers needing a handy resource to help them meet the challenges of today's classes
