**Unlocking the Prophetic Mysteries of Israel** Jonathan Bernis, 2017-11-07 We are witnessing things today that the prophets of Israel longed to see God is fulfilling His Word in our generation If you want to understand what God is doing in these last days you must understand what He is doing with Israel It is here that the Bible's prophecies regarding the end of the age will all unfold Jonathan Bernis host of the internationally popular television program Jewish Voice With Jonathan Bernis with this fascinating book unlocks a greater knowledge about the last days The book explores questions such as What crucial role does Israel play in the last days Why is anti-Semitism on the rise worldwide and what is at its root What is the seed promise and why is Satan so angry about it What profound promise did God make to Abraham that applies to you today

*End Times Answers* Jimmy Evans, 2023-09-12 How can you know what will happen if it hasn't happened yet People have burning questions about the end times They want to know what when and how and they want to know it now Jimmy Evans discusses the most frequently asked questions from his weekly Tipping Point podcast including How significant are current events How can people know they are truly saved Will I know my family in eternity What are the Tribulation and the Millennium What needs to happen before Jesus returns Anyone can understand End Times prophecy

**For Zion's Sake** Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre-tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology

**Philosophical Dynamics 2** Daniel John, 2013-08-06 The greatest of leaders are continuously interested in excellence *Philosophical Dynamics 2* Paths of Leadership is an expedition designed to provide unique panoramic insight into facets of excellence in leadership whether in any organization or for any individuals in their own personal lives The term leadership can be encountered in any number of paradigm statements by any number of organizations The big picture reality is that various forms of individual and collective leadership will affect every human being in one way or another In personal matters in societal logistics in business in government in military in international affairs questions of life and death are frequently at hand and leadership can be a matter of survival Since every human being arguably has imperfections there will always be room for improvement in leadership And yet at the same time we can suspect that excellence in leadership is not so much a quality that can be hastily forced into reality as it is a quality that has to develop gradually over time in naturally balanced ways Meanwhile the world continually moves into increasing levels of

complexity and into potential dangers beyond that which it has already seen Therefore skillful leadership will be arguably more critical than ever before We will observe some of the most significant high points from an array of excellence in leadership Our primary objective will be to identify some of the most strategic aspects and to be able to adapt them into our own operations

Messianic Religious Zionism Confronts Israeli Territorial Compromises Motti Inbari, 2012-08-27 The Six Day War in 1967 profoundly influenced how an increasing number of religious Zionists saw Israeli victory as the manifestation of God's desire to redeem God's people Thousands of religious Israelis joined the Gush Emunim movement in 1974 to create settlements in territories occupied in the war However over time the Israeli government decided to return territory to Palestinian or Arab control This was perceived among religious Zionist circles as a violation of God's order The peak of this process came with the Disengagement Plan in 2005 in which Israel demolished all the settlements in the Gaza Strip and four settlements in the West Bank This process raised difficult theological questions among religious Zionists This book explores the internal mechanism applied by a group of religious Zionist rabbis in response to their profound disillusionment with the state reflected in an increase in religious radicalization due to the need to cope with the feelings of religious and messianic failure

**Israel, Beloved of God--His Eye Is Upon You--Fear Not!** Grace McGonigle, 2009-03 First Born Blessings upon Ishmael is a plea for realization of how abundantly the Lord God of Israel has blessed the Arab Hopefully coaxing Ishmael into a new respect and gratitude for the One who has so blessed him and his heritage The Fear of the Lord and The Wrath of God are must reads for what is taking place today world wide Thought filled poetry should awaken many What is Israel's birthright Who does this tiny piece of real estate really belong to Jews Arabs and Christians alike are disillusioned and have been misled concerning this ancient nation Outright fabrications have been made by those who are and are not ignorant of historical facts The result grievous misunderstandings to the truth of exactly what belongs to whom and why Primary historical facts rather than supposition should bring to those seeking truth thought out basic attitudes and responses to such Essential changes must be put into action It is time to realize the truth of the despicable forlorn empty cursed malarial swamps and treeless wasteland that Israel had become under 400 years of Turkish Ottoman control and who it was with work and sweat and shed blood that restored Israel to what she has become It is time for the world's governments and people groups to come together in dignity and justice to honor these truths and to join in the work of restoration of their inheritance unto the rightful heirs

Understanding The Anatomy of Evil William Nitardy, 2016-04-14 The book examines the anatomy of evil in the realm of ideological and philosophical beliefs This includes politics culture religion science and law It attempts to answer many questions by giving the reader a better understanding of all aspects of evil including stealth evils that are not even on our radar Although the author uses many scriptural verses to support the book's thesis it does not simply rely on scripture but relies on probability science and rationale to draw conclusions while showing consistency with and support of scripture Although the author is convinced that the bible is the infallible Word of God and believes in biblical

Christianity he is very critical of denominational Christianity and other religions including pseudo science and other religions that masquerade as secular entities He believes that the rapid and virtually complete secularization of our society has only been possible because of the many false foundations that have been established and accepted as fact when they are completely false and destructive Those false foundations justify and support many evils that have been and are being promoted in America The book discusses the situation in which America finds itself where we are being destroyed and are near the point of no return The book addresses the current political situation and the upcoming presidential election The final chapter of the book is to encourage skeptics to believe the truth of the bible through rational evidence Although this book should connect well with Christians it is hoped that the rational approach taken would attract atheists agnostics and skeptics as well as pastors and religious leaders Pastors and religious leaders are encouraged to teach the full council of God by relating scriptural principles to our evil culture and even go so far as to attack the false foundations that are making the gospel irrelevant or addressing the contaminated soil that prevents the gospel seeds from germinating

**Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

### **The Church Has Not Replaced God's Israel**

Pelham Gross, 2005-10 Seminary trained Gross states that it is impossible to relegate Israel to less than her biblical role To replace Israel with the church is wrong and dangerous because nothing in the Bible suggests God will ever change his mind about Israel's essential role in world politics or the individual lives of believers

### **God's Heart for Israel (and Us)**

John Weldon, 2011-07-12 We read God's promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God's promises and covenants given in the OT no longer apply to Israel What is Israel's global importance Is global anti-Semitism on the rise What will be Israel's ultimate future According to an article in the Jerusalem Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking book

### The Pro-Israel Lobby in Europe Elvira King, 2016-03-02

The activities of pro Israel pressure groups and lobbyists in the US are well known But the pro Israel lobby in Europe is less prominent in both academic and media accounts In a unique account Elvira King identifies the pro Israeli groups which attempt to influence policy makers and implementers in the EU specifically examining Christian Zionist groups Through a detailed study of the European Coalition for Israel ECI the only Christian Zionist lobby in Brussels Elvira King analyses whether and how a religious group can and can fail to influence decision makers in the EU By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU wide policies King offers an analysis which demonstrates how the EU can be a site where religion and politics meet rather than just being a secular institution It therefore contains vital primary research for both those interested in the pro Israel lobby as

well as those examining the role of religion in politics more generally      A Rabbi Looks at the Last Days Jonathan Bernis, 2013-01-15 A Rabbi Offers a Fresh Look at the End Times Few topics capture the imagination of believers like the last days Yet fear and incorrect teachings continue to surround this topic Rabbi Jonathan Bernis by contrast offers with warmth and clarity a unique and surprising perspective on the end times Many see explosive turmoil in the Middle East and the mark of the beast as signs of the return of the Messiah Bernis points out an even clearer and more immediate sign the fulfillment of Old Testament prophecies regarding the restoration of the land of Israel and the regathering of the Lost Tribes of Israel which is happening in record numbers right now This book unpacks surprising and life changing insights on Israel the last days and the Messianic hope of every believer      Evangelicals and Israel Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In Evangelicals and Israel Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies Evangelicals and Israel corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism      **The Prayer I Wished I Had Never Prayed** Roger Henry, 2022-01-01 Have you watched what is happening in the world and wondered why things seem to be going from bad to worse After a 21 day fast God answered my prayer of what is taking place by showing me how all that is happening is fulfilling New Testament Bible prophecies As I watch all the pieces falling into place I sometimes wish I had never prayed that prayer because it can be heartbreaking As you read through these pages you will be overwhelmed at how the Word of God is so true at the same time you will feel deep pain as we watch the world drift closer and closer to destruction The question you will be able to answer in the end is this Will I be ready to deal with all that is going to happen if

the rest of God's Word is being fulfilled      *Israel and the Body of Christ* Don Hill, 2011-09-22 At a time when the United States and Israel find themselves mired in controversy it is important to understand how God's chosen people the Israelites must remain a focal point for Christianity Using in depth study of the Scriptures *Israel and the Body of Christ* provides a succinct overview of the unique relationship between Israel and Christianity Author Don Hill details the covenant made between God and Abraham and shows how it paved the way for recognizing the promises made to Israel It is these promises that point directly to Jesus Christ and clearly show a distinct connection between the Israelites and the Body of Christ Hill breaks down this essential information into an easy to read format perfect for those wishing to dig deeper into this connection Hill discusses topics such as Old and New Testament interpretation replacement theology fulfillment of the law through Christ the birth of the early Church and apostasy and religion As more people turn away from God and many Christians lack boldness in their faith it is imperative for true believers to immerse themselves in the Scriptures and renew their connection to Israel *Israel and the Body of Christ* is a comprehensive study guide ideal for every Christian

**Christian Antisemitism** Michael L. Brown, 2021-02-02 Hate isn't a thing from history The Jewish people and Israel have been described as a dominant and moving force behind the present and coming evils of our day a monstrous system of evil that will destroy us and our children if not resisted and a group that seeks the annihilation of almost every Gentile man woman and child and the establishment of a satanic Jewish led global dictatorship What's worse is that these comments were all made by professing Christians Respected Messianic Bible scholar Michael L Brown PhD documents shocking examples of modern Christian antisemitism and exposes the lies that support them Carefully researched this book shows that church based antisemitism is no longer a thing of the past Rather a dangerous shocking tide on the rise and it could be present in your church today Dr Brown shows you how to stem this tide now and overcome its evil with the powerful love of the cross This book will show you how to confront everyday antisemitism in all areas of your life and become a champion for the people of Israel      **60 Questions Christians Ask About Jewish Beliefs and Practices** Michael L. Brown, 2011-10 Respected

scholar and Messianic Jew answers sixty common questions Christians have about Jewish people culture practices and the Jewish background to the New Testament      *Christian Zionism in the Twenty-First Century* Motti Inbari, Kirill Bumin, 2024 This study draws on three original surveys conducted by the authors to understand the religious social and political factors that lead evangelical and born again Christians to support the state of Israel in the Israeli Palestinian conflict
