Black Cowboys of the Old West Tricia Martineau Wagner, 2010-12-21 The word cowboy conjures up vivid images of rugged men on saddled horses men lassoing cattle riding bulls or brandishing guns in a shoot out White men as Hollywood remembers them What is woefully missing from these scenes is their counterparts the black cowboys who made up one fourth of the wranglers and rodeo riders This book tells their story When the Civil War ended black men left the Old South in large numbers to seek a living in the Old West industrious men resolved to carve out a life for themselves on the wild roaming plains Some had experience working cattle from their time as slaves others simply sought a freedom they had never known before The lucky travelled on horseback the rest by foot Over dirt roads they went from Alabama and South Carolina to present day Texas and California up north through Kansas to Montana The Old West was a land of opportunity for these adventurous wranglers and future rodeo champions A long overdue testament to the courage and skill of black cowboys Black Cowboys of the Old West finally gives these courageous men their rightful place in history Praise for an earlier book by the same author Whether you are a history enthusiast or a lover of adventure stories African American Women of the Old West presents the reader with fascinating accounts of ten extraordinary generally unrecognized African Americans Tricia Martineau Wagner takes these remarkable women from the footnotes of history and brings them to life Ed Diaz President of the Association for African American Historical Research and Preservation

Writing Westerns Mike Newton, 2012-04-15 Craft a novel that evokes the spirit of the West Western Movies don t appear as frequently today as they did in the 1960s but those that make the cut in Hollywood prompt frequent Oscar buzz Nor have Western novels been eclipsed In 2010 Amazon com offered 213 new Western novels for sale plus many reprints of older classics Writing Westerns examines what a Western is while teaching you how to research and write one You ll benefit from the author s experience 248 books published since 1977 and the example of masters in the field from Zane Grey and Max Brand to Louis L Amour and Cormac McCarthy Each chapter includes a short list of recommended sources for further reading Appendices to the main text include a glossary of Old West slang and jargon which is helpful in writing realistic dialogue a timeline of significant historical events and a list of classic Western films and novels Research talent and imagination are the keys to writing a

successful novel Join us now as we set off into the West *Making Black Los Angeles* Marne L. Campbell, 2016-09-27 Black Los Angeles started small The first census of the newly formed Los Angeles County in 1850 recorded only twelve Americans of African descent alongside a population of more than 3 500 Anglo Americans Over the following seventy years however the African American founding families of Los Angeles forged a vibrant community within the increasingly segregated and stratified city In this book historian Marne L Campbell examines the intersections of race class and gender to produce a social history of community formation and cultural expression in Los Angeles Expanding on the traditional narrative of middle class uplift Campbell demonstrates that the black working class largely through the efforts of women fought to secure their own economic and social freedom by forging communal bonds with black elites and other communities of color This women led black working class agency and cross racial community building Campbell argues was markedly more successful in Los Angeles than in any other region in the country Drawing from an extensive database of all African American households between 1850 and 1910 Campbell vividly tells the story of how middle class African Americans were able to live work and establish a community of their own in the growing city of Los Angeles
