

F-5

TIGERS OVER VIETNAM

Anthony J. Tambini

1F-5 – TIGERS OVER VIETNAM

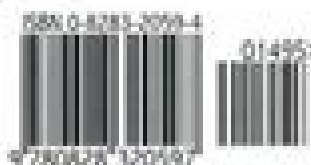

The F-5A/B Skoshi Tiger and F-5E Tiger II are perhaps the most unappreciated aircraft of the Vietnam War. This book is intended to provide the reader with a history of the F-5 in combat over Vietnam. Utilized by the Republic of Vietnam Air Force, it was the backbone of air defense. Little known is the fact that the Skoshi tigers flew combat air patrols over North Vietnam. It was also used extensively as a ground attack aircraft, capable of carrying 8,000 pounds of ordnance (the F-5E). It was the first and only supersonic aircraft in the Vietnamese inventory. With its low visual cross section, coupled with its high speed, the F-5 was extremely survivable in combat. Several F-5As returned to base after sustaining missile hits in their engine tailpipes. Designed as a reliable and maintainable aircraft, these features were put to good use by the Vietnamese in greatly expanded sortie generation rates. The author has firsthand knowledge of F-5 and the Republic of Vietnam Air Force. Spending three years as a civilian technical advisor from 1972 through 1975, the author has documented the history of the F-5 in service with the Vietnam Air Force.

ABOUT THE AUTHOR:

The author has spent the past 33 years in the aerospace industry, starting out as an aircraft mechanic on fighters in the USAF. After active duty, he enlisted in the Air Force Reserve as a flight engineer on the C-124 Globemaster II, flying routinely into Vietnam. He has worked his way through the civilian aerospace industry, as a Reliability and Maintainability Engineer, Technical Representative, to his current position as a Logistics Representative of a major aerospace company on a flight test program. His aerospace work has allowed him to travel to a wide variety of countries, which include Saudi Arabia, Thailand, Korea, Canada, Australia, Spain, Finland, and Vietnam. He had spent three years in Vietnam as a technical advisor, was evacuated from Da Nang in March of 1975, three days before that city fell to the North Vietnamese. He departed Vietnam in April of 1975, less than two weeks before the country collapsed into the hands of the North Vietnamese.
