Technique of Scott Fitzgerald. F. Scott Fitzgerald: His Art and His Technique. With a Bibliography. James Edwin MILLER,Francis Scott Fitzgerald,1964 **Francis Scott Fitzgerald : His Art and Vision** Ratan Bhattacharjee,2021-05-25 Francis Scott Fitzgerald's contribution to American fiction has to be judged keeping in mind that the naturalistic mimesis of the fiction of the earlier period is important as a critique of bourgeois society but it ultimately fails in representing the problematic nature of bourgeois reality The use of romance by Fitzgerald within mimetic realism is a logical culmination of the rise of the novel as it is Through this use of romance he is able to adequately explore the bourgeois myth of man **The Cambridge Companion to F. Scott Fitzgerald** Ruth Prigozy,2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald's career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work **Francis. The Curious Case of Benjamin Button and Other Jazz Age Stories F. Scott Fitzgerald, 2008-08-26 The inspiration for the major motion picture starring Brad Pitt and Cate Blanchett plus eighteen other stories by the beloved author of The Great Gatsby In the title story of this collection by one of America's greatest writers a baby born in 1860 begins life as an old man and proceeds to age backward F Scott Fitzgerald hinted at this kind of inversion when he called his era a generation grown up to find all Gods dead all wars fought all faiths in man shaken Perhaps nowhere in American fiction has this Lost Generation been more vividly preserved than in Fitzgerald's short fiction Spanning the early twentieth century American landscape this original collection captures with Fitzgerald's signature blend of enchantment and disillusionment America during the Jazz Age For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Jazz Age Stories F. Scott Fitzgerald, 1998-12-01 A generation grown up to find all Gods dead all wars fought all faiths in man shaken was how F Scott Fitzgerald defined his age Perhaps nowhere in American fiction is this statement better exemplified than in Fitzgerald's first two volumes of short fiction Flappers and Philosophers and Tales of the Jazz Age Penguin's new Jazz Age Stories gathers all of these early pieces in one volume which together capture the shine and seductive sound of early American jazz the scandalous affronts to religious pieties the nights of drunken revelry and the impending doom of financial moral and intellectual dissolution Spanning the early twentieth century American landscape the Minnesota of his youth the Princeton college years the squalor and opulence of New York this collection contains unforgettable images of modern America and eloquently expresses Fitzgerald's theme of the enchantment and disillusionment of materialism Jazz Age Stories includes The Ice Palace Bernice Bobs Her Hair and A Diamond as Big as The Ritz

The Beautiful and Damned F. Scott Fitzgerald, 2022-06-23 The victor belongs to the spoils F Scott Fitzgerald's second novel The Beautiful and Damned 1922 is a devastating portrait of a generation of wealthy young Americans who struggle to find meaning and happiness in their lives The sophisticated but emotionally fragile Anthony Patch enjoys an initially idyllic marriage to the beautiful Gloria Gilbert But

their intense romance turns sour as they waste their time and energy in decadent leisure and luxury Their happiness comes to depend on gaining a vast inheritance from Anthony s grandfather but they are stifled by their inner fears and are ill prepared for the inevitable loss of youth and prosperity Set amid the vibrant social and commercial world of New York in the early twentieth century the novel expresses the promise and disillusionment of America at the start of the Jazz Age This is the novel that confirmed Fitzgerald s status as the most celebrated young American writer of the Twenties The author s exuberant and enchanting style is on full display three years before the critical triumph of *The Great Gatsby*

This Side of Paradise F. Scott Fitzgerald, 2020-04-06 The wise writer I think writes for the youth of his own generation the critic of the next and the schoolmasters of ever afterward Following the education and young life of Amory Blaine from indulged only child to disillusioned war veteran *This Side of Paradise* is a thinly veiled account of Fitzgerald s time as a Princeton undergraduate and an aspiring writer set against the turbulent background of adolescence first loves and the outbreak of World War I Amory moves through a dynamic whirl of exuberant youth university escapades and adventures home and abroad as one of a new restless American generation *This Side of Paradise* ensured immediate fame as well as notoriety for F Scott Fitzgerald Not only Fitzgerald s bestselling novel during his lifetime it was also the work against which each of his later novels was measured It is impossible to overestimate the importance of *This Side of Paradise* without it the writing career of one of the twentieth century s most popular novelists would have been immeasurably different Brilliant and original in style and structure brimful of literary experimentalism and fearless originality it was a spectacular launching for Fitzgerald s career and instantly stamped him as the bard of the Jazz Age
