## **Faberge Then And Now:**

**Fabergé** Géza von Habsburg, 2005-10 Carl Fabergé's unparalleled creativity and craftsmanship won him the recognition of the Russian Imperial Court at the turn of the last century. Few objects are as universally loved as his jewel encrusted Easter eggs crafted for the last two czars of Russia, each containing a surprise. Featured in this delightful introduction to the House of Fabergé is a selection of his most celebrated works that have found their way into American collections. Easter eggs are just a portion of this master's prodigious production, which comprised over 150,000 jewels, silver pieces, and objects of art. The latter are fantasies in gold, enamel, and hardstone and include elegant picture frames and cigarette cases created for the ruling families of Europe and other wealthy patrons. Intimate glimpses into the world of this ingenious designer are captured through excerpts from letters and quotes from an adoring press. The Dowager Empress Maria Feodorovna exclaimed upon receiving a Fabergé egg: "It is an unbelievably beautiful and superbly fine piece of work. Fabergé is the greatest genius of our time." The fifty-four choice objects, beautifully photographed, are from American public and private collections. The book also contains a chronology and a reading list.

*Fabergé's Eggs* Toby Faber, 2008-10-07 In Stradivari's *Genius*, Toby Faber charted the fascinating course of some of the world's most prized musical instruments. Now, in this enthralling new book, he tells the story of objects that are to many the pinnacle of the jeweler's art: the Fabergé imperial eggs. The Easter presents that Russia's last two czars gave to their czarinas have become synonymous with privilege, beauty, and an almost provocative uselessness. They are perhaps the most redolent symbols of the old empire's phenomenal craftsmanship, of the decadence of its court, and of the upheavals that brought about its inevitable downfall. *Fabergé's Eggs* is the first book to recount the remarkable story of these masterpieces, taking us from the circumstances that inspired each egg's design through their disappearance in the trauma of revolution to their eventual reemergence in the global marketplace. In 1885, Carl Fabergé created a seemingly plain white egg for Czar Alexander III to give to his beloved wife, Marie Fedorovna. It was the surprises hidden inside that made it special: a diamond miniature of the Imperial crown and a ruby pendant. This gift began a tradition that would last for more than three decades: lavishly extravagant eggs commemorating public events that in

retrospect seem little more than staging posts on the march to revolution Above all the eggs illustrate the attitudes that would ultimately lead to the downfall of the Romanovs their apparent indifference to the poverty that choked their country their preference for style over substance and during the reign of Nicholas II their all consuming concern with the health of the czarevitch Alexis the sickly heir to the throne a preoccupation that would propel them toward Rasputin and the doom of the dynasty More than a superb new account of a classic tragedy Fabergé's Eggs illuminates some fascinating aspects of twentieth century history The eggs amazing journey from revolutionary Russia features a cast of characters including embattled Bolsheviks acquisitive British royals eccentric artifact salesmen and such famous business and society figures as Arm and Hammer Marjorie Merriweather Post and Malcolm Forbes Finally Toby Faber tantalizingly suggests that some of the eggs long thought lost may eventually emerge Darting from the palaces of a besieged Russia to the showcases of New York's modern mega wealthy Fabergé's Eggs weaves a story unparalleled in its drama and extravagance Praise for Stradivari's Genius Fascinating lively more enthralling earthy and illuminating than any fiction could be The New York Times Book Review A celebration of six instruments and the master craftsman who made them Faber brings to the subject an infectious fascination with Stradivari's life and trade He writes with clarity and fluency Chicago Tribune An extraordinary accomplishment and a compelling read Like strange totems that cast an irresistible spell these instruments bring out the best and the worst of those who would own them and Faber deftly tells the stories in all their rich and surprising detail Thad Carhart author of The Piano Shop on the Left Bank A worthy contribution to the ongoing legend of Stradivari Minneapolis Star Tribune Fascinating accessible and enjoyable Tracy Chevalier author of Girl with a Pearl Earring [Masterpieces from the House of Fabergé](#) Alexander Von Solodkoff, Fabergé (Firm), 1989-03-25 Peter Carl Fabergé court jeweler to the czars is a name synonymous with beauty craftsmanship and sumptuous excess This exciting book features some of the best photographs ever made of Fabergé objects Over 350 illustrations 80 in full color **Fire Burn** Irene Zarina White, 2006-03-06 Fire Burn is based on diaries kept during World War II by a single young professional woman Irene Zarina White From September 1939 through May 1946 Irene lived under four different governments the Republic of Latvia the Soviet Union Nazi Germany and the United States Occupation She carefully recorded the details of each government's regime World War II in full swing and her everyday challenges She met a remarkable variety of people who became astonishingly candid in her presence And she documented it all For a sample click below to read about her encounter on a crowded train with an undercover Gestapo officer Irene survived the Soviet occupation of her home country Latvia an ancient multicultural crossroads of East and West at the Baltic Sea In Fire Burn she describes that last year of peace while she studied chemical engineering at the University of Latvia Then in 1940 two days after graduating the only female among 150 students the Soviets invaded Terrible months of terror torture arrests and deprivation followed for the citizens of Latvia Leaving extended family behind Irene and her mother were able to escape to Germany where another horror awaited them

*For All We Know* Abe S. Hoppenstein, 2010-11-29

The book fiction tells an engaging original story, an epic sweeping drama with character-driven pictures. During the 1930s, Baron Jacques Chavalmont, the wealthy and respected President and Chief Executive of an influential private merchant bank in Paris, became concerned by developments in Germany and meticulously crafted a plan for the survival of his extended family should a war ensue. The Plan required the transfer of substantial assets: bullion, currencies, art, and jewelry for safekeeping in the Barons Bank, The Bancario di Milano in Buenos Aires. The Baron arranged for his ambitious son-in-law, Caetano di Rosario, to manage the Bancario. The book narrates how its characters, a disparate group of talented men and women from Italy, Germany, Latvia, and Entre Rios, Argentina, Caetano Di Rosario, his wife Marie Helene, their son Alain, Max Elman, and his paramour Francine, Dr. Manfred

Lowen and Kathleen McCloud from Entre Rios converged on Buenos Aires during the 1930s. It relates their dreams, hopes, frustrations, passions, romances, adultery, greed, and dishonesty. It describes how the new Buenos Aires residents successfully adapted to their new environment and how their lives interacted over time against the backdrop of events leading to and after the Second World War, which took place in England, France, Germany, Monte Carlo, Latvia, Israel, and Buenos Aires. The immigrants never saw their loved families again. Most had perished in the Holocaust. After the end of the Second World War, a small group of European family survivors sued Caetano di Rosario and the Bancario in Buenos Aires for the recovery of their families' deposited assets. The fully described litigation process culminated in a most interesting denouement that directly affected Caetano, Marie, Helene, Alain, Kathleen, Manfred, and Sandra.
