Shapiro, 2008-09-22 Original texts and translations are presented on facing pages allowing readers to appreciate the vigor and variety of the French and the fidelity of the English versions Divided into three chronological sections spanning the Middle Ages through the sixteenth century the seventeenth and eighteenth centuries and the nineteenth and twentieth centuries the volume includes introductory essays by noted scholars of each era s poetry along with biographical sketches and bibliographical references for each poet BOOK JACKET **The Complete Fables of Jean de La Fontaine** Jean La Fontaine, 2010-10-01 Inspired new translations of the work of one of the world s greatest fabulists Told in an elegant style Jean de la Fontaine s 1621-95 charming animal fables depict sly foxes and scheming cats vain birds and greedy wolves all of which subtly express his penetrating insights into French society and the beasts found in all of us Norman R Shapiro has been translating La Fontaine s fables for over twenty years capturing the original work s lively mix of plain and archaic language This newly complete translation is destined to set the English standard for this work Awarded the Lewis Galanti re Prize by the American Translators Association 2008 *Lyrics of the French Renaissance* , 2006-10 Renowned translator Norman R Shapiro here presents fresh English versions of poems by three of Western literature s most gifted and prolific poets the French Renaissance writers Cl ment Marot Joachim Du Bellay and Pierre de Ronsard Writing in the rhymed and metered verse typical of the original French poems which appear on facing pages Shapiro skillfully adheres to their messages but avoids slavishly literal translations instead offering creative and spirited equivalents Hope Glidden s accessible introduction along with the notes she and Shapiro provide on specific poems will increase readers enjoyment and illuminate the historical and linguistic issues relating to this wealth of more than 150 lyric poems A marvelous micro anthology of sixteenth century French letters Representing the pinnacle of French Renaissance verse the poems singled out here are sensitively interpreted in rhymed English versions There is a pleasant and inspiring craftsmanship in these interpretations Virginia Quarterly Review *The Feminist Encyclopedia of French Literature* Eva M. Sartori, 1999-07-30 The earliest known literary productions by women living in Europe were probably written by French writers As early as the 12th century women troubadours in the south of France were writing poems French women continued writing through the ages their number increasing as education became more available to women of all classes And yet of the great number of works by women writers who preceded the current feminist movement very few have survived A few writers such as Marie de France George Sand and Simone de Beauvoir became part of the canon But critics mostly male had judged the works of only a few women writers worthy of recognition As part of the feminist move to reclaim women writers and to rethink literary history scholars in French literature began to take a new look at women writers who had been popular during their lifetimes but who had not been admitted into the canon This reference book provides extensive information about French women writers and the world

in which they lived Included are several hundred alphabetically arranged entries for authors literary genres such as the novel poetry and the short story literary movements such as classicism realism and surrealism life cycle events particular to women such as menstruation and menopause events and institutions which affected women differently than men such as revolutions wars and laws on marriage divorce and education The volume spans French literature from the Middle Ages to the present and covers those writers who lived and worked mainly in France The entries are written by expert contributors and each includes bibliographical information The entries focus on each writer s awareness of how her gender shaped her outlook and opportunities on how categorizations structures and terms used to describe literary works have been defined for women and the ways in which women writers have responded to these definitions The volume begins with a feminist history of French literature and concludes with a selected general bibliography and a chronology of women writers

La Fontaine's Bawdy Jean de La Fontaine, Norman R. Shapiro, 1992-12-07 The Contes et nouvelles en vers of Jean de La Fontaine 1621 1695 were published at various times throughout his life both before and after his celebrated Fables between 1664 and 1685 and even posthumously In quite a different key from the more innocent Fables the Contes often threatened to get him in trouble with both Church and Acadmie It was indeed the bawdy tales of Boccaccio Rabelais and other medieval and renaissance masters of ribaldry that inspired La Fontaine s Contes presented here in a chronologically and stylistically diverse selection translated by Norman R Shapiro This spirited recent translation spanning the entire corpus offers about

half the tales from early to late in all their variety of lengths and poetic narrative forms The mildly suggestive mingle with the frankly bawdy while others would hardly raise a vicar's eyebrow Yet all these gems from one of France's truly great poets scrupulously faithful to the originals are rendered with the spirit of his style his subtle rhythms cadences rhymes and delectable wit left intact Encyclopedia of Literary Translation Into English: A-L O.
