Land of the Rising Lifespan Barbara Lovesy, 2025-08-29 Embarking on a journey of self discovery doesn't require a passport to Japan a love for sushi or fluency in the language Instead it's about immersing yourself in a time honoured way of life that can

significantly enhance your well being on multiple levels This book invites you to explore the rich tapestry of an ancient culture offering practical insights that you can weave into your daily routine to enrich your life regardless of your current circumstances Each chapter beckons you to embrace the fascinating aspects of this culture encouraging you to integrate these elements into your life Consider starting with small steps like replacing one of your daily cups of tea with soothing green tea experimenting with a Japanese recipe each week dedicating a few minutes daily to meditation setting goals that resonate with your deepest aspirations or simply pausing to breathe between meetings I genuinely believe that even adopting a single ritual from this book can spark a transformation setting off a chain reaction of positivity that propels you toward the life you've always envisioned This book is more than a guide it's an invitation to uncover the potential within you and cultivate a life filled with purpose and joy

How to cope with difficult people Alain Houel, Christian H. Godefroy, Transform difficult relations complex issues and ideas down to concise actionable material The problem with difficult people is that well they are difficult and they are everywhere in the cafe at the office in stores or at school But with the ability to recognize them for what they are to protect yourself against them and to turn their defences upside down you can reach your goals Sadly most people don't know how to cope with difficult people Either they are contaminated by the aggressivity or negativity or they get into a verbal fight with these difficult persons Sometimes they even lose faith and try to go around the difficulties but that can only last so far But you can make difficult conversations painless There are different kinds of difficult people and what you'll learn first in this book is to recognize them for what they are You won't be able to cure them they would have to go into therapy most of the time to become better selves But you'll also find your weapons to overcome the obstacle that these aggressive negative or just silent people erect on your path Working in stages to assess the situation and the profile of the difficult people you face you'll be able to shield yourself and turn their shortcomings into an opportunity for both of you You can reach your objectives without resorting to force You have a number of weapons at your disposal whose effectiveness will astonish you once you learn how to use them Whatever type of difficulties you encounter you need a strategy to deal with difficult people effectively and make the occasions a cause for success instead of for failure Here's what you're going to learn inside What if others consider you a difficult person Recognizing the aggressive type Overcoming the negative type Opening up the Clam type Verbal Ping Pong or The Dangers of Playing Offense Four Important Stages The Weapon of Words Shields and Inner Strength The Supreme Weapon Humour How will this book improve you Never fall for people's dirty argument tricks Always find the better arguments to stop confrontation You'll radiate positivity a positivity that circles and comes back to you You'll listen to people in a way that makes them confident about you Finally dealing with difficult people also means dealing with your own fears dispelling those old demons and making your life a harmonious experience that others can share in and admire Your relationships will improve and grow with ease trust and honesty Know exactly how to capitalize on your strengths and minimize your weaknesses with others It's time to break out of your rut and discover what it takes to cope with
