

Face Of God

John Arthur Thomas Robinson

Face Of God:

In the Face of God Michael Horton, 1996-09-23 Have modern believers grown too comfortable with God In response to the unbiblical mystical spirituality of our day Michael Horton calls for a return to the teaching of the Apostle Paul and the early church The result is a compelling picture of true spiritual intimacy with God

The Female Face of God in Auschwitz Melissa Raphael, 2003-09-02 The dominant theme of post Holocaust Jewish theology has been that of the temporary hiddenness of God interpreted either as a divine mystery or more commonly as God's deferral to human freedom But traditional Judaic obligations of female presence together with the traditional image of the Shekhinah as a figure of God's femaleness accompanying Israel into exile seem to contradict such theologies of absence The Female Face of God in Auschwitz the first full length feminist theology of the Holocaust argues that the patriarchal bias of post Holocaust theology becomes fully apparent only when women's experiences and priorities are brought into historical light Building upon the published testimonies of four women imprisoned at Auschwitz Birkenau Olga Lengyel Lucie Adelsberger Bertha Ferderber Salz and Sara Nomberg Przytyk it considers women's distinct experiences of the holy in relation to God's perceived presence and absence in the camps God's face says Melissa Raphael was not hidden in Auschwitz but intimately revealed in the female face turned towards the other as a refractive image of God especially in the moral protest made visible through material and spiritual care for the assaulted other

Kissing the Face of God Sam Hinn, 2002 With a genuine passion Sam Hinn creates an insatiable hunger to fall in love with God as he pushes believers over the edge into that precious zone of familiarity with God When was the last time you spent time in His presence or pressed in close enough to reach up and kiss His face This revealing message weaves together the coming move of God with Sam's personal experiences and encounters with the Holy Spirit His unforgettable stories will help you to develop a heart condition and a practical lifestyle of worship without a worship leader vocalists keyboard or any music Speaking to all generations he urges men and women to live every day in close proximity to God

The Face of God Paul Badde, 2010 Best selling journalist historian and author Paul Badde embarks on an exciting quest to discover the truth behind the Holy Face of Manoppello a relic recently rediscovered and rumored to be the veil of Veronica Badde was intrigued when he heard of a mysterious image in a remote Italian village an image of a man's face on byssus cloth Byssus or sea silk is a rare and delicate fabric woven from a silky filament produced by mollusks It is claimed that the fabric is so thin and delicate that it is impossible to paint on yet the image in Manoppello is clearly visible and when laid over the image of the face on the Shroud of Turin forms a perfect match Dust cover flap

Knowing the Face of God, Revised Edition Tim Stafford, 2005-09-23 There is no deeper more intense human longing than to know God is real and to see Him face to face In some circles having a personal relationship with God is synonymous with being a Christian We are told in fact that we must have such a relationship if we are truly God's children But if we are honest says Tim Stafford we must admit that often there is a considerable gap between our talk and our experience We want to know God The problem is

that we don't know how to know Him How do we know God personally After examining the traditional answers and finding their shortcomings for himself Stafford began his own search for the means to knowing personally a personal God Knowing the Face of God is the moving record of his quest *Nine Faces Of God* Peter Hannan,2001 *The Maternal Face of God* Leonardo Boff,1987 Keeping God at the Center David R. Blumenthal,2016-06-10 Keeping God at the Center is informative as well as instructional It contains four kinds of teaching first insights derived from pondering the meaning of selected phrases and prayers from the traditional liturgy second four chapters on the personalist theology behind traditional Jewish prayer third meditations on the liturgy and clear instructions on how to pray certain prayers and fourth instructions on how to pray certain prayers mystically Both those well acquainted with the prayerbook and those completely unfamiliar with it will be able to derive benefit from this book It is a continuation of the main themes of Blumenthal's earlier work in Jewish spirituality theology and mysticism The Ministry, Vol. 09, No. 10 Various Authors,2005-12-01 This issue of The Ministry contains the last nine messages given during the 2004 spring term of the Full time Training in Anaheim California The general subject of this series of messages is the God of Abraham Isaac and Jacob In a simple basic way the God of Abraham is the God of justification the God of Isaac is the God of grace and the God of Jacob is the God of transformation through divine discipline Messages 2 through 7 of the October 2005 issue of The Ministry presented the God of Abraham Messages 8 and 9 of that issue presented the God of Isaac In this issue Message 10 concludes the fellowship concerning the God of Isaac Isaac signifies our living a life of enjoying God hence we live a grace enjoying life for God's good pleasure Messages 11 through 17 present the God of Jacob The God of Jacob who is the God of transformation issues in the God of Israel who is the God of the transformed Jacob Message 18 presents the Israel of God All the experiences of the Father the Son and the Spirit represented by the lives and experiences of Abraham Isaac and Jacob are to produce this corporate person the Israel of God We do not have the experiences of the God of Abraham merely to be spiritual persons we do not enter into the experiences represented by Isaac simply to be individuals enjoying God's grace in a personal way and we do not go through all the experiences represented by Jacob's long life just to end up as spiritual individuals who have some spiritual stature God desires a corporate person He wants a people to express Him and represent Him Last of all we include a report concerning the Lord's move in the United Kingdom *Knowing the Face of God* Tim Stafford,1989 For the individual who wants to know God there is good news God wants to be known This book takes a look at what it takes to draw near to God and to recognize his face *Gazing Upon the Face of God* Steven Stoltzfus,2010-03-08 Gazing upon the face of God is our only source for ultimate Truth God did not just give us a bunch of rules to follow He gave us His very nature All of creation including mankind is a direct attribute of God Himself so it only makes sense that in order to understand anything we must look upon His face to determine Truth The world today is slipping towards a world order that defines Truth by popular demand and a majority of vote The screaming minorities become the majorities Without God as the ultimate Truth then there

is no source other than the will and laws of man and who is to say they are wrong or right but the majority Christianity has become a natural acceptance of belief that is acknowledged but hardly lived Reality as the world knows it has conformed completely to the natural laws of the physical senses The nature of God is hardly recognized as our source of reality Naturalism has become man's god and Spiritualism has become simply the reference of historical events back in bible times It is time we as Christians accept our role as outsiders to this world and take on the Nature of God in ushering in the Kingdom of Heaven upon earth

The Self-Disclosure of God William C. Chittick, 2015-03-26 The Self Disclosure of God offers the most detailed presentation to date in any Western language of the basic teachings of Islam's greatest mystical philosopher and theologian It represents a major step forward in making available to the Western reading public the enormous riches of Islamic teachings in the fields of cosmology mystical philosophy theology and spirituality The Self Disclosure of God continues the author's investigations of the world view of Ibn al Arab the greatest theoretician of Sufism and the seal of the Muhammadan saints The book is divided into three parts dealing with the relation between God and the cosmos the structure of the cosmos and the nature of the human soul A long introduction orients the reader and discusses a few of the difficulties faced by Ibn al Arab's interpreters Like Chittick's earlier work *The Sufi Path of Knowledge* this book is based primarily on Ibn al Arab's monumental work *al Futu al Makkiah* The Meccan Openings More than one hundred complete chapters and subsections are translated not to mention shorter passages that help put the longer discussions in context There are detailed indices of sources Koranic verses and hadiths The book's index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular

The Human Face of God John Arthur Thomas Robinson, 1974 *Desert Harvest* Robert Wild, 2019-04-10 Everyone really lives in the desert of his or her own cell his or her own soul Today this solitary existence is heightened by the loneliness created by the modern world Perhaps never before in the history of the world have so many people been forced to enter their personal loneliness because of circumstances The monk enters these deserts voluntarily whereas now the world is peopled by reluctant monks who have not chosen to be alone Their loneliness could become communion The key of course is to choose the desert This book is an attempt to share with all desert dwellers everywhere the committed and the reluctant the fruits of what God has taught

The National Psalmist Lowell Mason, George James Webb, 1848 **Face to Face with God** T. Desmond

Alexander, 2022-03-22 How can sinful humans approach a holy God In this ESBT volume T Desmond Alexander considers the often neglected themes of priesthood and mediation and how Christ fulfills these roles Through this study students church leaders and laypeople alike will gain a richer understanding of concepts such as holiness sacrifice covenant reconciliation and God's dwelling place **Contemplating the Holocaust** Bernhard H. Rosenberg, Chaim Z. Rozwaski, 1999 The essays in

this book cover a wide variety of topics from a survivor's very personal reflections and those of a son of survivors to the nature of the media's response during the Shoah Holocaust and the quest for the meaning of the tragedy of life The essays deal with such questions as the lack of standard universal commemorative services by Jewish communities the continuing efforts by the Catholic Church to christianize the Shoah the commercialization of the Shoah the attempt to de-emphasize the impact of the Shoah on the Jewish people the historical ways in which Jews commemorated their martyrs and the emergence of a Holocaust culture that serves as a surrogate for genuine Judaism The essays are a reflection of the questions that trouble all those who are concerned with the ethical political and theological questions raised by the Shoah

Mortal Grounding Richard Chambers Prescott, 2008-09-05 To see more manuscripts by Richard Chambers Prescott go to Scribd.com and enter Grascott or PrescottRC This manuscript *Mortal Grounding* has a simple thought in mind To bring together our modern cosmological knowledge with our understanding of what is consciousness It is something of a task to unite these two styles of comprehension about our existence as much as it is to join quantum physics with general and special relativity The idea is that both want to reach the source the source of what is cosmological and what is consciousness It seems simple enough Cosmology studies the creation searching for the creator of it all whatever that may be Consciousness seems to look more at what is the creator in order to understand creation They are parallel and reversed but both seek to understand re-link comprehend or unite with the Mystery This Universe's Given Moment of reaching of conscious mortal becoming grounded on Earth for the brief moment life to death yet in and as a rare something more the rarest star stuff circling back as consciousness that is able to grasp its origin without a direction transposed as times beginning This would be one idea of mortal grounding Some of the subjects taken up in this endeavor of unification are Pure Gravity Spacetime Fluid the Superclustering of Universes Wave Cosmology Non Local Independent Consciousness the question is this Logical or Mystical The text also leans heavily on Tantras explanations examining the myriad layers of consciousness and their psychological weight the intriguing erotic energy the hidden secrets that are rarely discussed and the nature of freedom according to the belief system of Tantra **The Face of God** Paddy Kavanagh, 1994-01-01
