

FACE READING

A close-up portrait of a young woman with light brown hair and blue eyes, looking directly at the camera with a slight smile. Her face is the central focus, with various personality traits labeled in black text on different parts of her face. The background is dark and textured, with some white and red rose petals scattered around her head.

Face Reading What Does Your Face Say:

The Power of Face Reading Mac Fulfer, JD, 2019-06-15 Make stronger connections with anyone in the world by learning how to read faces The Power of Face Reading is the most comprehensive easy to use book on face reading available today Author Mac Fulfer makes face reading fun and easy for you to understand more about the people you encounter no matter who you meet or where you are in the world Face reading is our foundational international language and none of our seeming differences matter whether nationality gender race or culture because every person's face can be read in the exact same way For instance the lines on our faces don't reflect aging They're actually a roadmap showing where we have been and what we've done So this book is not about interpreting facial expressions it's about learning to read the stories that a person's face can tell Using a unique approach that combines both genetics the face you are born with and epigenetics the way life events alter facial features over time this book helps you understand others better Discover how learning to interpret simple and easily recognized features such as ear size and eyebrow shape can allow you to make a better connection with anyone anywhere Superbly illustrated and organized like an encyclopedia The Power of Face Reading guides you through all you need to know about reading faces from top to bottom detail to gestalt gesture to metaphoric meaning The approach shared in this book is so easy to learn that you can put this how to guide to use and begin reading faces within minutes of opening it up Everyday applications for face reading include Improving both work and personal relationships Interviewing and hiring the right people Team building Negotiating better Coaching counseling Finding the right job Increasing sales by identifying buy signals Identifying better business partners Reading your audience when presenting The Power of Face Reading includes 275 illustrations Clear explanations of what each facial feature means Personality profiles to provide insight into every person you meet Sample readings to learn Mac's step by step face reading approach A useful checklist to help you read faces immediately A fun face reading quiz to test yourself

The Art and Science of Face Reading Jennifer Lamonica, 2019-08-13 A complete illustrated guide to the ancient tradition of reading the face to gain insight into health personality relationships and career Details how to read the profile front face features and musculature of the face to reveal temperament personality traits health predispositions and mental state Explores the history and development of face morphology from its origins in Israel and Egypt more than 4 500 years ago to its modern use in French medical schools Examines the Foursquare diagram developed by French occultist Papus for highly accurate and detailed facial readings The face is a unique reflection of our genetic inherited inclinations as well as the effects that life nature and relationships have had upon us By looking at a person's face you can gain valuable insight into their personality health and how they navigate in the world In this illustrated guide Jennifer Lamonica reveals the sacred tradition of face morphology an esoteric system that has been passed quietly from rabbi to student as an unbroken oral tradition for more than 4 500 years She explores the history and development of this ancient art from its origins in Israel and Egypt to its use as the major diagnostic system in

Europe until the Enlightenment and its current applications in French medical schools Sharing the techniques of master face readers the author details how to read the angles of the profile as well as palm color and nose shape to determine a person's temperament providing health and career insight into each of the four temperaments including nutritional needs digestive issues sleep patterns health predispositions and ideal occupational paths Exploring the Foursquare diagram developed by French occultist Papus for highly accurate and detailed facial readings she explains how to read the front face in combination with planetary shapes which reveal a person's character the major facial features such as eyebrows which reveal personal inclinations and the musculature of the face including expressions which reveals a person's current mental state Providing case studies she examines how to apply face morphology in relationships and in parenting Exploring the meaning of each facial variation while also honoring the intuitive impression received at first glance Lamonica reveals how the ancient science of face reading allows you to compassionately help your loved ones students or clients as well as overcome personal obstacles and better know yourself

Face Reading Barbara Roberts, 1994-09-01 *Read the Face* Eric Standop, Elisa Petrini, 2019-10-01 Relearn the intuitive language of face reading From birth face is our first language We are born face readers knowing to seek out human features and faces from the moment our eyes open We all have the intuitive ability to read and interpret the feelings and expressions of those around us In *Read the Face* master face reader Eric Standop unlocks the power of this innate human ability sharing his own journey to become a face reading master along with stories that illustrate the power of this unique language Using a combination of three different schools of face reading along with a scientific accuracy to detect the most fleeting microexpressions Standop is able to read personality character emotions and even the state of a person's health all from simply glancing at their face The book is divided into sections focusing on specific ways that face reading can offer insight such as Health Love Communication Work and Success The stories are accompanied by detailed black and white illustrations of faces allowing readers to observe the same features that Standop interpreted The final section of the book outlines the meanings of dozens of facial features and face shapes so that readers can recognize their own innate intuitive powers and develop them *Read the Face* is a guide to using the ancient art and science of face reading to go beyond the surface and create the boldest life possible
