## Face Of The Enemy:

The Human Face of War Jim Storr, 2009-05-25 Warfare is hugely important The fates of nations and even continents often rests on the outcome of war and thus on how its practitioners consider war The Human Face of War is a new exploration of military thought It starts with the observation that much military thought is poorly developed often incoherent and riddled with paradox The author contends that what is missing from British and American writing on warfare is any underpinning mental approach or philosophy Why are some tank commanders snipers fighter pilots or submarine commanders far more effective than others Why are many generals sacked at the outbreak of war The Human Face of War examines such phenomena and seeks to explain them The author argues that military thought should be based on an approach which reflects the nature of combat Combat fighting is primarily a human phenomenon dominated by human behaviour The book explores some of those human issues and their practical consequences The Human Face of War calls for and suggests a new way of considering war and warfare

*Whistling in the Face of Robbers* Dahn A. Batchelor, 2012-01-25 Dahn A Batchelor could have been born with a silver spoon in his mouth but instead he was born into poverty living the first year of his existence in a two room shack with no running water or electricity In this first volume of his memoirs author Dahn

A Batchelor shares the details of his life from his birth in Toronto in 1933 to his eleventh year in 1944. This book is the first of six volumes of his memoirs. In this volume he narrates the story of his childhood which, aside from being one of extreme poverty, he suffered from loneliness and several failures in school. But more than that, he has written about the events in history that encompassed his life along with the lives of his contemporaries. He describes what it was really like to live through the years of the Great Depression, the Spanish Civil War, and the Second World War. As Batchelor recalls his life from 1933 through to June 1944, you will get the feeling that you were there with him. Unbeknownst to him during his childhood years, he would later play a role in society that had a profound effect on the lives of millions of people around the world.

**The Changing Face Of Battle** Bryan Perrett, 2012-10-11. A fascinating study of the changing face of the art of warfare over the past 2000 years by one of today's most readable historians. Mankind has always been in conflict. Without war, there would be no peace, no stability, no safety. Men go to war to defend or acquire territory that they see as rightly theirs to defend or impose beliefs that they hold as fundamental truths. In 2000 years, while the causes of battle have hardly changed, the conduct of battle has changed and developed apace. Technology advances, weaponry becomes ever more powerful, military thinking shifts again and again. In *THE CHANGING FACE OF BATTLE*, historian Bryan Perrett reviews that continuous process of change from AD 9 through to the Gulf War. By analysis of some 30 significant battle confrontations, he shows in clear detail just how advanced we now are in the art of warfare. **The Pioneer Mail and Indian Weekly News**, 1920.

This book that you're holding in your hands will do what it was said about the two olive trees in Revelation and believe it: what is written in it will torment the inhabitants of the earth just like it is described in the book of Revelation. I am not a theologian, but in this book, you will find all the

evidences all the necessary proofs which expose the true face of the antichrist the true face of the devil the one Jesus talked about in Matthew 13 39 And the enemy who sows them is the devil In this book you will also find the name of the beast finally Name that millions have tried in vain to identify The devil sowed the lies but we have believed in them despite all of Jesus and his disciples warnings and this causes our lost Only the key of the kingdom of heaven that Jesus gave to Peter the truth the word of God can save us Read very carefully 2 Thessalonians 2 10 They perish because they refused to love the truth and to be saved If you really have love for the truth you will read The True Face of The Antichrist to the end even though it is very shocking and troubling as you have never been but remember one thing it is for your own salvation I already have my salvation because I saw and I believed the truth and I have accepted it So I wish you the same joy the same happiness The truth that is in this book is a knife straight to the heart of the beast The more it will be sold and the more the truth will be known and accepted the more the beast will be destroyed What gives the power to the beast are the ignorance and the hypocrisy of its members The beast has its foundation on lies and this is why it will be destroyed by the truth by the word of God just like the prophecy says See 2 Thessalonians 2 8 And then the lawless one will be revealed whom the Lord Jesus will overthrow with the breath of his mouth the word of God and destroy by the splendor of his coming James Prince **Echoes from old Calcutta, reminiscences of the days of Warren Hastings, Francis and Impey** Henry Elmsley Busteed, 1888
