Armstrong, 2002-12-15 Unlike many social movements the gay and lesbian struggle for visibility and rights has succeeded in combining a unified group identity with the celebration of individual differences Forging Gay Identities explores how this happened tracing the evolution of gay life and organizations in San Francisco from the 1950s to the mid 1990s  
*Working with Gay Men and Lesbians in Private Psychotherapy Practice* Christopher J Alexander, 2020-03-24 Working with Gay Men and Lesbians in Private Psychotherapy Practice is written for private practitioners solely by private practice clinicians who specialize in the treatment of gay men or lesbians Focusing on numerous clinical issues that gays and lesbians often deal with Working with Gay Men and Lesbians in Private Psychotherapy Practice also offers you proven guidance for maintaining and promoting your psychotherapy practice as a business You will explore issues such as whether the therapist should disclose her his sexual orientation and how the therapist should address the degree to which internalized stigma about sexual orientation may impact the client's concerns about the process of therapy in general This insightful volume also focuses on the special complexities introduced to psychotherapy by managed care You'll find detailed practical information about a strategic plan for establishing marketing and developing a private practice in l g b psychology staying abreast of the latest research and trends in gay lesbian mental health treatment planning with gay and lesbian clients lesbian gay couples counseling multiple identity and gender issues particular to culture and ethnicity boundary issues Working with Gay Men and

Lesbians in Private Psychotherapy Practice tackles how to therapeutically respond to the issues of gay men and lesbians. The practical strategies and specific suggestions can be directly incorporated into your work with gay and lesbian clients to ensure your success in confronting the specific issues and challenges they face. HIV and Social Work R Dennis Shelby, David M Aronstein, Bruce J Thompson, 2014-05-22 As HIV AIDS continue to plague societies around the world more and more social workers encounter HIV infected individuals and their families and friends who are searching for help and support. In HIV and Social Work A Practitioner's Guide experienced social workers share their practice wisdom, knowledge and skills on a broad range of issues. Their words of wisdom will give you the willingness to follow problems through and the flexibility and creativity that are required when dealing with issues concerning HIV AIDS. At the same time you will achieve a sense of empowerment and optimism as you realize that there are things you can do. Very specific kinds of help you can offer that can make an enormous difference in the lives of people with HIV AIDS and those who love and care for them. HIV and Social Work is a practical, user friendly resource for social workers who practice in a variety of settings and fields. You'll find it a rich and useful book if you're moving into HIV AIDS work and want guidance or if you're experienced and want to sharpen your skills or if you just want to be prepared for when you find people with HIV or their family members in your office in need of help. Specifically you'll gain valuable insight about basic psychosocial interventions for people with HIV AIDS in depth, practical suggestions for specific problem areas and specific groups of people with HIV AIDS, better listening skills, how to know your own limitations and live your own life more fully in the face of sadness, the importance and challenge of returning to fundamental social work skills. You'll refer to HIV and Social Work time and time again as you confront new HIV related situations in your practice for which you need easy to understand descriptions of what to do and how to do it. Acknowledging your busy schedule, the book is organized so that you may use it on a knowledge as needed basis or read it straight through. Written specifically by and for social workers, HIV and Social Work is highly recommended as required reading in social work programs at the Bachelor's and/or Master's levels. **Foundations of Social Work Practice with Lesbian and Gay Persons** Gerald P Mallon, 2013-09-13 Focusing on the pragmatic aspects of social work with gay and lesbian persons, this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men. Written by scholars and practitioners in the social work profession, Foundations of Social Work Practice with Lesbian and Gay Persons teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals, couples, families, groups, communities and organizations. The book's sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at risk client populations. A foundation level text on social work practice with gays and lesbians, this book is designed to provide social work students, academics and

practitioners with an understanding of the values and ethics fundamental to practice with this group of clients Foundations of Social Work Practice with Lesbian and Gay Persons summarizes the variety of issues dynamics and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles To further help you in your practice it also discusses providing skilled professional assistance to gay victims of hate crimes how homophobia can prevent lesbians and gay men from receiving adequate services the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice practitioner self disclosure regarding sexual identity developmental milestones for lesbian and gay persons alcohol and substance abuse among lesbians family therapy concepts of fusion and enmeshment same gender socialization assessing issues of sexual expression Counselors social workers and students and academics in gay and lesbian studies will find that Foundations of Social Work Practice with Lesbian and Gay Persons greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver Countertransference and Older Clients Bonnie Genevay, Renee S.

Katz, 1990-10 When working with older clients or clients who have become instantly old due to disability can a professional's personal feelings affect the helping process Countertransference and Older Clients explores this issue and focuses on the use of countertransference the powerful linkage between a helper's personal feelings and his/her professional work This practical volume shows helping professionals how to confront and examine their own denial fear of growing old being helpless and dying anger related to death and loss and their need for control Contributors address such issues as how practitioners overhelp and underhelp some clients because of their feelings and experiences how personal and family biases contribute to inappropriate diagnosis referral and treatment why service is prolonged with some clients and terminated too soon with others and how fear of AIDS death and suicide hinder effective support and treatment In addition actual case studies are woven throughout to illustrate how practitioners can effectively put their feelings and behaviors to use during the helping process Written for practitioners in the field of aging mental health social work nursing psychology and psychiatry Countertransference and Older Clients is an important therapeutic tool for all helping professionals Throughout this clear concise interesting little book the authors communicate a warmth and sensitivity to the needs and feelings of both helpers and older clients One interesting feature is the inclusion of a chapter written by an older worker an often neglected perspective in gerontological literature Journal of Psychology and Theology Bonnie Genevay and Renee Katz have made an enormous contribution to gerontological practice by focusing on the conscious and unconscious attitudes and feelings of practitioners toward their older clients which enhance or diminish their helpfulness to older people In this very useful volume they and other experts cover a wide range of problematic situations including disability dementia and dying with empathy

Teachers and supervisors as well as those working in direct practice will find this book highly instructive Barbara Silverstone Executive Director The Lighthouse The New York Association for the Blind This unique text approaches many aspects of aging and countertransference of caregivers not elsewhere seen in the vast array of gerontological publications It provides a sensitive and compassionate presentation of the various issues and problems of countertransference experienced by individuals providing care to elders in a variety of difficult situations I highly recommend this text for its unique content warmth of presentation and insights into relationships with the old I have come away enriched and enlightened Priscilla Ebersoll Ph D San Francisco State University This book is a must for anyone who works with older clients It contains dozens of case examples of how our own desires and fears about aging and conditions associated with it interfere with our capacity to function as professionals should It is full of suggestions for dealing constructively with our emotional reactions that occur in the conduct of our professional lives It deals with important topics such as terminal illness and death suicidal elders disability and AIDS It is clear concise and very useful Robert C Atchley Miami University Oxford Ohio A profound respect and caring for both older clients and service providers permeate each chapter The book is exceptionally strong in its comprehensive and sensitive review of issues that many of us do not like to face how our own fears and attitudes about aging may interfere with our professional effectiveness Included are topics that have not been adequately dealt with elsewhere By clearly and sensitively highlighting the importance of self awareness to professional effectiveness the authors have made a significant contribution to the practice literature and ultimately to practice with older adults Generations This book makes a major contribution to the field by supplying numerous sensitive and revealing examples of personal emotional reactions to working with older adults It should be read by everyone who counsels older adults and by students aspiring to careers in serving the elderly Bob G Knight Merle H Bensinger Associate Professor Gerontology and Psychology University of Southern California The book s strength an important one lies in its conciseness of writing and clarity It is an easy read Yet it offers valuable insights and practical suggestions The topics too while diverse are pulled into a homogeneous frame so as to make the book extremely cohesive not easy in an edited work The offering of case histories makes the book come alive as the reader becomes enmeshed in the dialogue scenario going on between client and worker The book should make a genuine impact on the field of aging promoting growth in workers and clients alike Clinical Gerontologist Countertransference and Older Clients offers a well written collection of articles by several authors dealing with aging loss disability and death It explores feelings that emerge between professional caregivers and their elderly clients in various settings Other topics include suicidal elders AIDS and HIV illness dementia substance abuse sexuality and nursing home placement Good case examples are provided A valuable addition to the body of knowledge for professionals working with older adults NASW California News      *Social Work Practice with Lesbian, Gay, Bisexual, and Transgender People* Gerald P. Mallon, 2009-06-02 A new more comprehensive edition of the classic Social Work text Although the vast majority of LGBT persons are healthy

resilient and hardy individuals who do not seek social work intervention some have been or will be clients in social work agencies Social Work Practice with Lesbian Gay Bisexual and Transgender People is the updated classic text that has expanded its scope to include new content on practice with bisexual and transgender populations and incorporated this content throughout This informative book provides a knowledge base of practice that will better prepare students and practitioners for working sensitively competently and effectively with LGBT individuals The text now covers content on LGBT populations as articulated by the National Association of Social Workers NASW and the Council on Social Work Education CSWE Comprehensive and practical this unique text discusses the pragmatic aspects of social work with lesbian gay bisexual and transgender people It will improve and reinforce competent practice with LGBT persons and their families in multiple settings Chapters focus on important topics such as the profession s core values and ethical principles identifying analyzing and resolving ethically challenging practice problems LGBT persons of color heterosexism racism and sexism applying the life model and the stress coping process the root of conflicts in allegiances and pressures for unity via homogeneity practice with bisexual transgender and gender non conforming persons sexual conversion therapy traditional psychoanalytic notions of lesbian couples the impact of sexual abuse on lesbian couples internalized homophobia heterocentrism and gay identity group work practice with the LGBTQ community clinical assessment for families where sexual orientation is an issue LGBT parenting the role of health care and many more Complete with a highly detailed appendix of symbols definitions and terms Social Work Practice with Lesbian Gay Bisexual and Transgender People is an invaluable resource for social workers and mental health professionals as well as for students and educators at all levels of experience      **AIDS Bibliography** ,1989
