Expository Notes On The Gospel Of Matthew:

Expository Notes on the Gospel of Matthew Henry Allan Ironside, 1959 Exploring the Gospel of Matthew John Phillips, 2005 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody magazine Expository notes on the Gospel of Matthew H.A. Ironside, 2015-04-30 Much of the material embodied in this volume has appeared in the course of the past nine years in The Sunday School Times and is used here in accordance with an understanding had with and permission given by the owners of that periodical when I assumed responsibility for the leading article on the weekly International Lesson With so much matter already in print and available for use it was thought best not to wait until circumstances permitted me to give a series of lectures on Matthew to be stenographically reported and edited for publication but rather to write a connected exposition filling in with new material what was lacking in the notes from The Sunday School Times This accounts for the different form in which this book appears to those on the other Gospels for which I have been responsible I send the book out with the earnest prayer that it may prove helpful to many H A Ironside Expository Notes on the Gospel of Matthew Henry Allan Ironside, 1977 **Expository Notes on the Gospel of Matthew** H. Ironside, 2016-04-10 While we have no means of knowing just when this Gospel was written or even whether as some suppose it first appeared in Hebrew or was originally written in Greek as it has come down to us it is very evident that it is placed rightfully at the beginning of the New Testament for it is very definitely the connecting link between the prophets of old and the new dispensation of grace The many quotations in it from the books of the prophets are designed to show how our Lord Jesus Christ came as the promised King of Israel in exact accordance with the numerous predictions which God had inspired His servants to give from Abraham s day to that of Malachi when prophetic testimony ceased and was silent for four hundred years until John the Baptist the last of the prophets came declaring The time is fulfilled **Expository Notes on the Gospel of Matthew** William Hersey Davis, 1930 **Expository Notes on the Gospel of Matthew** William Hersey Davis, 1930 Expository Notes on the Gospel of Matthew Wallie A. Walvoord, Roy B. Zuck, 2018-03-01 Walk with Those Who Walked with Jesus In the Gospels we witness the most crucial turning point in world history and the reason we believe what we do The New Testament begins with four accounts of the good news of the Son of God Drawing on the research of Dallas Theological Seminary scholars The Bible Knowledge Commentary Gospels explores similarities and differences among Matthew Mark Luke and John The authors also look at difficult or confusing passages apologetic evidence for these eyewitness accounts and what we can learn about Christ like living from observing the life of Jesus With dozens of visuals and Old Testament cross references this commentary is one of the most thorough and

theologically sound studies of the Gospels Journey with Jesus as if for the first time in this detailed look at His life on earth
