Hartwell Horne,1852 Jesus' Exposition of the Old Testament in Luke's Gospel Charles Kimball,1994-03-01 This work presents an inductive exegetical analysis of Jesus exegetical methods and expositions in Luke's Gospel in light of first century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations This study offers the following conclusions In Luke's Gospel Jesus expounded Scripture as the basis for understanding his person and ministry teaching his followers and inquirers and debating his religious opponents He employed many of the exegetical methods of ancient Judaism Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself In turn he influenced the early church's biblical expositions in considerable measure Jesus expounded Scripture for Christological and doctrinal lessons In his Christological expositions he made an eschatological application of certain biblical texts to himself claiming to be the fulfillment of Old Testament messianic prophecies In his doctrinal expositions he corrected traditional Jewish interpretation claiming a superior exegesis of Scripture The Christological expositions employed peshar fulfillment motifs and several midrashic techniques to show that the Shepherd's Notes: 2 Corinthians Dana Gould,1998-10-01 You grew up using the well known black and yellow striped Cliff's Notes to help you grasp everything from great literary works to algebra Unfortunately what Cliff forgot was the greatest literary work in history the complete Holy Bible Enjoy the ease of understanding the Bible like never before book by book Shepherd's notes helps reader's learn about the inspired authors of the Bible books and when and where they were first penned Each Bible book is revealed in simple understandable steps that outline and underscore the focal points and personalities of the biblical text You'll look to these unique books for their use in Bible studies teaching personal devotions and even in sermon preparation Christian and home schools will find Shepherd's Notes an invaluable resource **Annotations on the Pentateuch** Henry Ainsworth,2024-06-23 Annotations upon the five bookes of Moses the booke of the Psalmes and the Song of Songs or Canticles VVherein the Hebrevv vvords and sentences are compared with and explained by the ancient Greeke and Chaldee versions and other records and monuments of the Hebrewes but chiefly by conference with the holy Scriptures Moses his words lawes and ordinances the sacrifices and other legall ceremonies heretofore commanded by God to the Church of Israel are explained With an advertisement touching some objections made against the sinceritie of the Hebrew text and allegation of the Rabbines in these annotations As also tables directing unto such principall things as are observed in the annotations upon each severall booke By Henry Ainsworth The Church School Journal ,1873 **Preaching That Comes Alive** Maggie Low,2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body

taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers **The Doctrine of the Trinity Apologetically Considered** John Richardson Illingworth,1907 *Outlines and exposition of the Apocalypse, or Revelation of st.
