**Teaching in Challenging Circumstances** Chris Sowton, 2021. This book is an essential resource for teachers who work in challenging circumstances which might include formal education systems in the developing or developed world and informal or non-formal teaching in areas with growing numbers of refugees or displaced people. It draws on academic and professional research to provide practical advice that will help teachers address concerns including teaching large classes, working with limited resources and supporting learners who have experienced interrupted education and who may be suffering from trauma. It offers suggestions for creating a positive learning environment and implementing effective teaching practice and discusses the importance of resilience and wellbeing. Each chapter contains key takeaways, relevant case studies and classroom-ready teaching tips, and the book also includes opportunities for teachers to reflect on their own knowledge and experience and develop their resilience and ability.

La comprensión lectora en la enseñanza del español LE/L2 Victoria Rodrigo, 2018-10-09. La comprensión lectora en la enseñanza del español LE/L2 de la teoría a la práctica presents state-of-the-art theory and teaching practices for integrating reading skills into the teaching of Spanish. The book bridges a conspicuous gap between research supporting reading as a key component of language acquisition and actual practice by discussing how to implement reading successfully in and out of the classroom. Written entirely in Spanish, the book focuses on the needs of Spanish language learners with the goal of motivating students to read in the target language and work with diverse types of texts and genres. Written in a clear and accessible manner, La comprensión lectora en la enseñanza del español LE/L2 de la teoría a la práctica is an essential resource for teachers of Spanish at all levels. It is an excellent reference book for language teachers who wish to integrate reading into the teaching of the Spanish language.
