Charles MacKay's groundbreaking examination of a staggering variety of popular delusions, crazes, and mass follies is presented here in full with no abridgements. The text concentrates on a wide variety of phenomena which had occurred over the centuries prior to this book's publication in 1841. Mackay begins by examining economic bubbles such as the infamous Tulipomania, wherein Dutch tulips rocketed in value amid claims they could be substituted for actual currency. As we progress further, the scope of the book broadens into several more exotic fields of mass self-deception. Mackay turns his attention to the witch hunts of the 17th and 18th centuries, the practice of alchemy, the phenomena of haunted houses, the vast and varied practices of fortune telling, and the search for the philosopher's stone, to name but a handful of subjects.

Today *Extraordinary Popular Delusions and The Madness of Crowds* is distinguished as an expansive, well-researched, and somewhat eccentric work of social history.

Charles Mackay Extraordinary Popular Delusions and the Madness of Crowds is an early study of crowd psychology by Scottish journalist Charles Mackay first published in 1841 In reading the history of nations we find that like individuals they have their whims and their peculiarities their seasons of excitement and recklessness when they care not what they do We find that whole communities suddenly fix their minds upon one object and go mad in its pursuit that millions of people become simultaneously impressed with one delusion and run after it till their attention is caught by some new folly more captivating than the first We see one nation suddenly seized from its highest to its lowest members with a fierce desire of military glory another as suddenly becoming crazed upon a religious scruple and neither of them recovering its senses until it has shed rivers of blood and sowed a harvest of groans and tears to be reaped by its posterity At an early age in the annals of Europe its population lost their wits about the sepulchre of Jesus and crowded in frenzied multitudes to the Holy Land another age went mad for fear of the devil and offered up hundreds of thousands of victims to the delusion of witchcraft
