Extremism On The Right A Handbook:

Extremism on the Right, 1983 Extremism on the Right B'nai B'rith. Anti-defamation League, 1988 Eyes Right! Chip Berlet, 1995 A collection of 21 reports on recent research conducted in the area of alpha keto dehydrogenase complexes reveals their central role in cellular metabolism and regulations sites The implications in medical research range from defects in regulation linked to diabetes heart disease and obesity and inherited and acquired immune diseases such as maple syrup urine disease and biliary cirrhosis The volume integrates structure function relationships gene regulation and genetic defects and extends the variety of experimental approaches in each area Annotation copyright by Book News Inc Portland OR *Aryan Cowboys* Evelyn A. Schlatter, 2009-06-03 During the last third of the twentieth century white supremacists moved both literally and in the collective imagination from midnight rides through Mississippi to broadband wired cabins in Montana But while rural Montana may be on the geographical fringe of the country white supremacist groups were not pushed there and they are far from fringe elements of society as many Americans would like to believe Evelyn Schlatter's startling analysis describes how many of the new white supremacist groups in the West have co-opted the region's mythology and environment based on longstanding beliefs about American character and Manifest Destiny to shape an organic home grown movement Dissatisfied with the urbanized culturally progressive coasts disenfranchised by affirmative action and immigration white supremacists have found new hope in the old ideal of the West as a land of opportunity waiting to be settled by self-reliant traditional families Some even envision the region as a potential white homeland Groups such as Aryan Nations The Order and Posse Comitatus use controversial issues such as affirmative action anti-Semitism immigration and religion to create sympathy for their extremist views among mainstream whites while offering a solution in the popular conception of the West as a place of freedom opportunity and escape from modern society *Aryan Cowboys* exposes the exclusionist message of this American ideal while documenting its dangerous appeal God, Guns, and Sedition Bruce Hoffman, Jacob Ware, 2024-01-02 Winner 2025 Airey Neave Memorial Book Prize Airey Neave Trust Shocking acts of terrorism have erupted from violent American far right extremists in recent years including the 2015 mass murder at a historic Black church in Charleston and the January 6 2021 attack on the U S Capitol These incidents however are neither novel nor unprecedented They are the latest flashpoints in a process that has been unfolding for decades in which vast conspiracy theories and radical ideologies such as white supremacism racism antisemitism xenophobia and hostility to government converge into a deadly threat to democracy *God Guns and Sedition* offers the definitive account of the rise of far right terrorism in the United States and how to counter it Leading experts Bruce Hoffman and Jacob Ware trace the historical trajectory and assess the present day dangers of this violent extremist movement along with the harm it poses to U S national security They combine authoritative nuanced analysis with gripping storytelling and portraits of the leaders behind this violence and their followers Hoffman and Ware highlight key terrorist tactics such as the use of cutting edge

communications technology the embrace of leaderless resistance or lone wolf strategies infiltration and recruitment in the military and law enforcement and the movement's intricate relationship with mainstream politics An unparalleled examination of one of today's great perils *God Guns and Sedition* ends with an array of essential practical recommendations to halt the growth of violent far right extremism and address this global terrorist threat

The New Terrorism Walter Laqueur, 1999 One of the foremost experts on terrorism and international strategic affairs recounts the history of terrorism and examines the future of terrorist activity worldwide

Hate Crimes Jack Levin, Jack MacDevitt, 2013-11-09

Hate Prejudice and Racism Milton Kleg, 1993-08-20 Hate Prejudice and Racism provides a comprehensive overview of the problems created by prejudiced attitudes racist beliefs and acts of discrimination from the casual racial or ethnic joke to the unrestrained violence of a lynch mob It addresses such topics as the nature of ethnicity stereotyping aggression and hate groups and individuals who promote ethnic and racial hatred Kleg's discussion of ethnicity and ethnic groups challenges us to reexamine the meaning of a multicultural society He traces the history of race as a scientific concept and its use as a social concept designed to stigmatize and subordinate members of minority racial and ethnic groups Chapters on prejudice stereotyping and discrimination scapegoating provide a foundation for the chapter on hate groups and haters which includes in depth descriptions of beliefs and activities of white supremacist groups and individuals who promote racism and anti-Semitism Finally Kleg outlines implications of hate prejudice and racism for educators and all cultural workers outlining suggestions on how to approach and study this important and controversial topic

The Enemy of My Enemy George Michael, 2006 In the violent world of radical extremists the enemy of my enemy is my friend This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups

Nongovernmental Organizations and the Ideas of Human Rights Lowell Livezey, 1988 [Researching the Far Right](#) Stephen D. Ashe, Joel Busher, Graham Macklin, Aaron Winter, 2020-11-09 Researching the Far Right brings together researchers from across the humanities and social sciences to provide much needed discussion about the methodological ethical political personal practical and professional issues and challenges that arise when researching far right parties their electoral support and far right protest movements Drawing on original research focussing mainly on Europe and North America over the last 30 years this volume explores in detail the opportunities and challenges associated with using ethnographic interview based quantitative and online research methods to study the far right These reflections are set within a wider discussion of the evolution of far right studies from a variety of disciplinary viewpoints within the humanities or the

social sciences tracing the key developments and debates that shape the field today This volume will be essential reading for students and scholars with an interest in understanding the many manifestations of the far right and cognate movements today It also offers insight and reflection that is likely to be valuable for a wider range of students and scholars across the humanities and social sciences who are carrying out work of an ethically politically personally practically and professionally challenging nature

The Judicial Process Henry Julian Abraham, 1986 Written by one of the nation's most astute observers of the court this classic text examines the theory practice and people behind the judicial process The new seventh edition brings the work completely up to date by examining important developments and structural changes in these three judicial systems up through the end of 1997 including judicial appointments during the Bush and Clinton administrations significant alterations in the structure and organization of the United States British French and other European courts with an emphasis on the ongoing changes in the judiciary of the United Kingdom and the collateral developments on the frontiers of judicial review procedures as well as the judicial role At once comparative expository analytical and evaluative this new edition of *The Judicial Process* illuminates even more vividly the judiciary's political legal and governmental roles examining closely that much debated but little understood line between judicial activism and judicial restraint

Normalization of the Global Far Right Ulrike M. Vieten, Scott Poynting, 2022-09-26 Exploring how the boundary between the extremist far right and centre right parties and politics became blurred *Normalization of the Global Far Right* deconstructs one of the most pressing issues of today the rise of the far right

Discourses of Globalisation, Ideology, and Human Rights Joseph Zajda, Yvonne Vissing, 2022-03-11 This book examines dominant discourses in human rights education globally Using diverse paradigms ranging from critical theory to discourse analysis the book examines major human rights education reforms and policy issues in a global culture with a focus on the ambivalent and problematic relationship between human rights education discourses ideology and the state The book discusses democracy ideology and human rights which are among the most critical and significant factors defining and contextualising the processes surrounding human rights education globally The book critiques current human rights education practices and policy reforms illustrating the shifts in the relationship between the state ideology and human rights education policy Written by authors from diverse backgrounds and regions the book examines current developments in research concerning human rights education The book enables readers to gain a more holistic understanding of the nexus between human rights education and dominant ideologies both locally and globally It also provides an easily accessible practical yet scholarly insights into international concerns in the field of human rights education in the context of global culture

The Canadian Far-Right and Conspiracy Theories Ahmed Al-Rawi, Carmen Celestini, Nicole K. Stewart, Joseph M. Nicolai, Nathan Worku, 2024-12-31 This book provides an empirical analysis mapping and assessment of Canadian right wing extremist RWE groups and their conspiracy theories While the majority of studies on RWE groups focus on American and European actors this book critically examines conspiracies disseminated by Canadian actors on different

online sites and social media platforms The authors deploy a mapping metaphor to chart the conspiratorial ideas that RWE groups create and share online The book also examines the infrastructural terrain that supports mainstream and alternative platforms and the dark monetization structures that act as important conduits for this negative messaging Theoretically the study is situated within the concepts of dark social movements where dark participation on dark platforms often occurs A conceptualization of conspiracy theories is developed by exploring four specific aspects 1 topics 2 targets 3 concerns and 4 actors This concept is operationalized by applying it to BitChute and Telegram The book also offers a historical understanding of different RWE groups and their ideological positions In addition it provides an empirical investigation of Google s autocomplete feature Amazon books the Dark Web and several other alternative social media sites It will be of interest to researchers of Canadian politics conspiracy theories and the far right

CTS and Right-Wing Terrorism and Counterterrorism Alice Martini, Raquel da Silva, 2023-08-22 This volume is a timely contribution to the current debates and potential efforts to study and counter the phenomena of extreme right violence in a period when the rise of right wing extremism is being witnessed across the globe Against this backdrop the violent radicalisation and extremism of individuals and groups belonging to the extreme right threaten to undermine and destabilize societies and democratic orders leaving a research gap that has only started to be filled in recent years but that is still quite wide when it comes to counter terrorism approaches to extreme right violence Learning from the past and trying to avoid similar mistakes this volume creates a much needed space for open honest and ethical debate around countering extreme right violence answering social and political calls to debate how to counter this kind of violence This volume brings together a group of interdisciplinary scholars to contribute to national and international academic and policy debates about countering extreme right violence from a critical perspective Volume II focuses particularly on exploring how extreme right violence has been approached in different spatial and temporal contexts examining how the criminal justice system has dealt with the threat of and actual violence perpetrated by the extreme right deconstructing current counter terrorism approaches from feminist and gender perspectives and formulating a critical approach to countering extreme right violence It will be of great interest to all students of terrorism studies security studies international relations and political science in general The chapters in this book were originally published in Critical Studies on Terrorism
