**Reprint)** Gerald S. Davies, 2016-08-14 Excerpt from Frans Hals The ever increasing esteem with which the work of Frans Hals is now regarded has of late years and even since the publication of my larger work naturally led to the unearthing of a few genuine examples of the master which had passed unnoticed It has at the same time led as naturally to the attaching of the name Of the master to a few works which are hardly worthy of his authorship Lastly it has led to that third form of adulation to which all great artists have to submit namely the manufacture of spurious works bearing the master's name Several of these have of late years left the shores of Europe to seek their fortunes in the far west About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The*
