Sweet Dreams Dylan Jones, 2020-09-29 David Bowie Culture Club Wham Soft Cell Duran Duran Sade Adam Ant Spandau Ballet The Eurythmics Excellent Guardian Hugely enjoyable Irish Times Dazzling LRB Fascinating New Statesman An absolute must read GQ One of the most creative entrepreneurial periods since the Sixties the era of the New Romantics grew out of the remnants of post punk and developed quickly alongside club culture ska electronica and goth The scene had a huge influence on the growth of print and broadcast media and was arguably one of the

most bohemian environments of the late twentieth century Not only did it visually define the decade it was the catalyst for the Second British Invasion when the US charts would be colonised by British pop music making it one of the most powerful cultural exports since the Beatles In Sweet Dreams Dylan Jones charts the rise of the New Romantics through testimony from the people who lived it For a while Sweet Dreams were made of this Cat's Meow Melissa de la Cruz,2010-06-15 Cat McAllister grew up as a Hollywood child star spent her adolescence modeling in Japan and now as she celebrates her twenty fifth birthday for the fourth time she lives for velvet ropes Mo t Chandon gold leaf invitations and other fashionista prizes But on her way up the social ladder making her way past the who s who and the what s what Cat finds herself stuck in that seventh circle of celebrity hell What s worse her funds are running dry What s a girl to do Marry rich And so the ruckus begins taking us from China for a baby adoption to Paris for the couture shows to the it world of Gotham And that s just the hors d oeuvres Punctuated with Kim DeMarco s illustrations Cat s Meow is a spectacularly witty novel about a young woman looking for love clothes and what will make her truly happy in life **Holding Tight, Letting Go** Sarah Hughes,2022-03-31 Too often we minimise the reality of terminal cancer concentrating instead on survival records and talking only in positive pink ribbon terms But what of those who live daily with the shadow of the disease This is a book about how that feels It is about how to die as much as about how to live yet it is also life affirming funny and shot through with hope Life is full of small details that we tuck away somewhere to revisit when we need them most the calming sound of the sea that childlike joy when you feel the sun hit your face on an early February morning These small details knitted together make up our perfect ordinary lives Few understood the importance of these more than Sarah Hughes who lived with terminal metastatic cancer for over three years and who died in April 2021 This book is a celebration of everything that can make up a life and how to hold it all close how to cherish the perspective changing exhale bringing perspective of a trashy novel how to find the upside of chemo finally being able to fit into flippy french tea dresses how to explore the intimate topography of a body that s yours and yours alone For fans of Matt Haig and Maggie O Farrell this is a tender word of mouth bestseller the sort of book you ll press into the hands of your friends family and a stranger in a bookshop B Model Miranda Darling,2004 Both humorous and shocking this memoir tells the story of a 16 year old model trying to make it during the 1980s when the supermodel phenomenon reached a hysterical peak She is one of the hundreds of B models those boys and girls who craved a lifestyle of success and glamor but in the meantime walked the streets in uncomfortable shoes underdressed and hungry for work love and a decent meal The Counting Room Lucie Bishop,2020-05-16 When Sydney private detective Peter Malone agrees to help his client cash out millions in Bitcoin he comes up against a gang of violent criminals hell bent on stopping him Peter s only job is to keep his client safe until they can get to the counting room It leads to a wild ride through Sydney s dark underbelly of sleaze guns for hire and drugs Nobody knows Sydney sleaze and corruption quite like Peter When one of his long time sources turns up dead he finds himself struggling to stay one step ahead of the gang What started as a routine
