

The background image is a lush, misty garden. In the foreground, a large, dark, circular stone table is set on a path of smooth, dark stones. The table is covered with numerous small, round, metallic coins or tokens, some of which have Chinese characters on them. To the left of the table, an open book with Chinese text lies on the path. To the right, two small, square, lantern-like objects with Chinese characters are placed on the path. In the background, a stone bridge with a railing crosses a small stream, and a large, gnarled tree stands on the right. The overall atmosphere is peaceful and traditional.

Manual de feng shui George Birdsall, 2000-09 El Manual de feng shui es una guía práctica que utiliza el antiguo arte chino de la geomancia para lograr equilibrio armónico y prosperidad en el ambiente que rodea a las personas. El feng shui, que en chino significa literalmente viento y agua, es un antiguo sistema chino de reglas, conceptos y principios cuyo propósito es explicar la relación pragmática y espiritual que existe entre nuestra vida y nuestro entorno. El autor se basa en sus propias experiencias para demostrar que estos principios se pueden poner en práctica con poco dinero, tanto en los edificios nuevos como en los ya existentes, con lo que se mejora significativamente el bienestar físico y la economía de las personas que viven en ellos. Un sencillo cambio en la ubicación de los muebles o la colocación de una planta en una habitación puede tener un impacto significativo en la vida de un individuo. Junto con los expertos residentes de los conceptos básicos de esta antigua ciencia, el arquitecto George Birdsall presenta instrucciones claras para conseguir que se desee estar en determinado lugar en vez de estar continuamente intentando escapar de él porque algo no se siente bien. Gracias al Manual de feng shui, crear armonía en el entorno se convierte en algo automático y natural.

La tiranía de la elección Renata Salecl, 2022-10-05 La ideología capitalista postindustrial suele presentar al individuo como alguien cuyo disfrute no tiene límites todo el tiempo, dispuesto a traspasar las fronteras del placer a fin de satisfacer la expansión constante de sus deseos. Pero paradójicamente es mucha la gente que no encuentra satisfacción en una sociedad que aparenta no tener límites y es mucha la gente que se inclina en cambio hacia la autodestrucción. El capitalismo siempre se aprovecha de nuestros sentimientos de inadecuación, así como de la confianza en que somos libres para decidir el camino que tomaremos en el futuro y que nos llevará a una vida mejor.
