A Box of Photographs Roger Grenier,2019-04-05 Most attempts to generalize about photography as a medium run up against our experience of the photographs themselves We live with photos and cameras every day and philosophies of the photographic image do little to shake our intimate sense of how we produce photographs and what they mean to us In this book that is equal parts memoir and intellectual and cultural history French writer Roger Grenier contemplates the ways that photography can change the course of a life reflecting along the way on the history of

photography and its practitioners Unfolding in brief charming vignettes *A Box of Photographs* evokes Grenier's childhood in Pau his war years and his working life at the Gallimard publishing house in Paris Throughout these personal stories Grenier subtly weaves the story of a lifetime of practicing and thinking about photography and its heroes Henri Cartier Bresson Weegee Alfred Eisenstaedt George Brassa Inge Morath and others Adding their own insights about photography to the narrative are a striking range of writers thinkers and artists from Lewis Carroll Albert Camus and Arthur Schopenhauer to Susan Sontag Edgar Degas and Eugène Delacroix Even cameras themselves come to life and take on personalities an Agfa accompanies Grenier on grueling military duty in Algeria a Voigtlander almost gets him killed by German soldiers during the liberation of Paris and an ill fated Olympus drowns in a boating accident Throughout Grenier draws us into the private life of photographers seeking the secrets they hold for him and for us A valedictory salute to a lost world of darkrooms proofs and the gummed paper corners of old photo albums *A Box of Photographs* is a warm look at the most honest of life's mirrors

Refocusing the Vision, the Viewer and Viewing Through an Interdisciplinary Lens, 2020-04-14 This volume was first published by Inter Disciplinary Press in 2010 **Wartime Kiss** Alexander Nemerov, 2013 A deeply personal meditation on the haunting power of American photos and films of the 1940s *Wartime Kiss* is a personal meditation on the haunting power of American photographs and films from World War II and the later 1940s Starting with a stunning reinterpretation of one of the most famous photos of all time Alfred Eisenstaedt's image of a sailor kissing a nurse in Times Square on V J Day Alexander Nemerov goes on to examine an array of mostly forgotten images and movie episodes from a photo of Jimmy Stewart and Olivia de Havilland lying on a picnic blanket in the Santa Barbara hills to scenes from such films as *Twelve O'Clock High* and *Hold Back the Dawn* Erotically charged and bearing traces of trauma even when they seem far removed from the war these photos and scenes seem to hold out the promise of a palpable and emotional connection to those years Through a series of fascinating stories Nemerov reveals the surprising background of these bits of film and discovers unexpected connections between the war and Hollywood from an obsession with aviation to Anne Frank's love of the movies Beautifully written and illustrated *Wartime Kiss* vividly evokes a world in which Margaret Bourke White could follow a heroic assignment photographing a B 17 bombing mission over Tunis with a job in Hollywood documenting the filming of a war movie Ultimately this is a book about history as a sensuous experience a work as mysterious indescribable and affecting as a novel by W G Sebald **The History of the Kiss!** M. Danesi, 2013-12-05 How and when did the kiss become a vital sign of romance and love In this wide ranging book pop culture expert Marcel Danesi takes the reader on a fascinating journey through the history of the kiss from poetry and painting to movies and popular songs and argues that its romantic incarnation signaled the birth of popular culture *Queen of the Court* Madeleine Blais, 2023-08-15 From the Pulitzer Prize winning journalist Madeleine Blais the dramatic and colorful story of legendary tennis star and international celebrity Alice Marble In August 1939 Alice Marble graced the cover of *Life* magazine photographed by the famed Alfred Eisenstaedt She was a

glamorous worldwide celebrity having that year won singles women s doubles and mixed doubles tennis titles at both Wimbledon and the US Open then an unprecedented feat Yet today one of America s greatest female athletes and most charismatic characters is largely forgotten Queen of the Court places her back on center stage Born in 1913 Marble grew up in San Francisco her favorite sport baseball Given a tennis racket at age 13 she took to the sport immediately rising to the top with a powerful aggressive serve and volley style unseen in women s tennis A champion at the height of her fame in the late 1930s she also designed a clothing line in the off season and sang as a performer in the Sert Room of the Waldorf Astoria Hotel in New York to rave reviews World War II derailed her amateur tennis career but her life off the court was if anything even more eventful She wrote a series of short books about famous women She turned professional and joined a pro tour during the War entertaining and inspiring soldiers and civilians alike Ever glamorous and connected she had a part in the 1952 Tracy and Hepburn movie Pat and Mike and she played tennis with the likes of Charlie Chaplin Marlene Dietrich and her great friends Clark Gable and Carole Lombard However perhaps her greatest legacy lies in her successful efforts working largely alone to persuade the all white US Lawn Tennis Association to change its policy and allow African American star Althea Gibson to compete for the US championship in 1950 thereby breaking tennis s color barrier In two memoirs Marble also showed herself to be an at times unreliable narrator of her own life which Madeleine Blais navigates skillfully especially Marble s dramatic claims of having been a spy during World War II In Queen of the Court the author of the bestselling In These Girls Hope Is a Muscle recaptures a glittering life story
