From Our Mothers Kitchens:

From My Mother's Kitchen Daniel Golio, 2023-07-20 Italians who emigrated to the United States brought their cuisine with them and their food became a way of comforting them in the new world For my family as with many Italian families food plays an important part of their daily lives It can be said that Italian culture and food go hand in hand It is a way of socializing A family celebration a festival or just a nice meal brings Italians together Food provides a sense of community in Italian households Good food and conversation at the dinner table make for an enjoyable experience Add a bottle or two or three of Italian wine and a few storytellers and you got a typical Italian dinner From My Mother's Kitchen is my rendition of my mother's recipes as I remember them The recipes I chose for this cookbook were the ones my mom made that I really liked a lot and I hope you do too Keep in mind that with all recipes there are many versions of the same recipe and with Italian cooking that is definitely the case as each region of Italy believes their region makes the best and one true recipe So hence many versions of the same recipe Also the recipes in this cookbook are authentic Italian recipes not Italian American recipes So if you are looking for a spaghetti and meatball recipe in this book you will not find one This Italian cookbook is an excellent cookbook for the home cook and for those looking to learn authentic Italian cooking From My Mother's kitchen includes recipes for first and second courses vegetables desserts and sandwiches These are authentic Italian Recipes handed down from three generations of real Italians Classic authentic Italian recipes such as Caponata Crostini con Alici e Burro Roman suppl Zuppa di Nozze Cacio e Pepe Carbonara Pollo alla Romana Rosticciana Cacciucco Pizza Cannoli Struffoli And many more authentic Italian recipes As with most Italian foods each has a legend of how they came to be and as such I have included many of these legends as well as stories of my time growing up on Pleasant Avenue in New York City learning and eating these truly authentic recipe dishes If you are tired of getting your sauce out of a jar or eating frozen pizza or buying your meatballs from commercial companies that use made up Italian names and images of fake Italians to represent their products then this cookbook is for you Pasta dishes like Cacio e pepe in Rome Italy is made with just three ingredients pasta pepper Pecorino Romano cheese and pasta water It is not made with milk cream butter or some processed cheese food product GET THE REAL THING MAKE IT YOURSELF

Lessons from My Mother's Kitchen Ranjini Rao, 2020-10-20 When I lost my mother to a long and painful battle with cancer four years ago I was thousands of miles away alone and thick with grief At first everything seemed distant and pale and I went through my days like a robot lead footed and sandy eyed trying to make sense of each moment It took a while but I came to understand that the only way out was through At some point I submitted to the dagger of sorrow as it carved out a hollow in my heart turning me into some sort of an unself conscious sculpted form I re-lived all the memories of my mother and gleaned new lessons from them Through the eighteen essays in this book I recount how her food music and stories all the things that she birthed in her spacious sun dappled kitchen helped me cope with long distance grief and taught me to look at life with renewed hope I also present some special recipes straight

from Amma's kitchen and a bunch of kitchen poems in her honour finding her in such things as the sizzling of spices the bubbling of flavourful broths or a melodious Raga swirled into my cup of coffee My wish is that this book will come to stand for all this and more a celebration of life and a quiet acceptance of death I hope that it will inspire and touch many those who are going through rough times or those who are simply living the ordinary life for often we forget that there's so much magic in it

My Mother's Kitchen Peter Gethers, 2017-04-04 My Mother's Kitchen is a funny moving memoir about a son's discovery that his mother has a genius for understanding the intimate connections between cooking people and love Peter Gethers wants to give his aging mother a very personal and perhaps final gift a spectacular feast featuring all her favorite dishes The problem is although he was raised to love food and wine he doesn't really know how to cook So he embarks upon an often hilarious and always touching culinary journey that will ultimately allow him to bring his mother's friends and loved ones to the table one last time The daughter of a restaurateur the restaurant was New York's legendary Ratner's Judy Gethers discovered a passion for cooking in her 50s In

time she became a mentor and friend to several of the most famous chefs in America including Wolfgang Puck Nancy Silverton and Jonathan Waxman she also wrote many cookbooks and taught cooking alongside Julia Child In her 80s she was robbed of her ability to cook by a debilitating stroke But illness has brought her closer than ever to her son Peter regularly visits her so they can share meals and he can ask questions about her colorful past while learning her kitchen secrets Gradually his ambition becomes manifest he decides to learn how to cook his mother the meal of her dreams and thereby tell the story of her life to all those who have loved her With his trademark wit and knowing eye Peter Gethers has written an unforgettable memoir about how food and family can do much more than feed us they can nourish our souls
