From The Center Of The Earth The Search For The Truth About China:

From the Center of the Earth Richard Bernstein, 1982-01-01 Good No Highlights No Markup all pages are intact Slight Shelfwear may have the corners slightly dented may have slight color changes slightly damaged spine *Mainland China* Yu-ming Shaw, 2019-04-05 Over the past several years Mainland China has undertaken reforms in various domestic areas including culture and society education the economy and the Communist Party In addition since September 1982 Peking has begun to pursue an independent course in foreign relations In this volume based on the Thirteenth Sino American Conference in Tai **Assignment China** Mike Chinoy, 2023-03-21 Reporting on China has long been one of the most challenging and crucial of journalistic assignments Foreign correspondents have confronted war revolution isolation internal upheaval and onerous government restrictions as well as barriers of language culture and politics Nonetheless American media coverage of China has profoundly influenced U S government policy and shaped public opinion not only domestically but also given the clout and reach of U S news organizations around the world This book tells the story of how American journalists have covered China from the civil war of the 1940s through the COVID 19 pandemic in their own words Mike Chinoy assembles a remarkable collection of personal accounts from eminent journalists including Stanley Karnow Seymour Topping Barbara Walters Dan Rather Melinda Liu Nicholas Kristof Joseph Kahn Evan Osnos David Barboza Amy Qin and Megha Rajagopalan among dozens of others They share behind the scenes stories of reporting on historic moments such as Richard Nixon s groundbreaking visit in 1972 China s opening up to the outside world and its emergence as a global superpower and the crackdowns in Tiananmen Square and Xinjiang Journalists detail the challenges of covering a complex and secretive society and offer insight into eight decades of tumultuous political economic and social change At a time of crisis in Sino American relations understanding the people who have covered China for the American media and how they have done so is crucial to understanding the news Through the personal accounts of multiple generations of China correspondents **Assignment China** provides that understanding **China Briefing, 1982** Richard C. Bush, 2019-02-28 This book provides a brief overview of events in the People s Republic of China PRC since mid 1981 It includes essays that focus on underlying trends and key issues in the PRC and the island of Taiwan The book is useful for business executives tourists and students **China's Continuous Revolution** Lowell Dittmer, 2024-03-29 China s Continuous Revolution The Post Liberation Epoch 1949 1981 explores the ambitious and transformative era of China s political landscape after the founding of the People s Republic in 1949 This meticulously researched volume delves into the ideology of continuous revolution under the dictatorship of the proletariat and its profound impact on Chinese politics Drawing from extensive interviews and historical analysis the book examines key elements such as charismatic leadership mass mobilization and the complex restructuring of authority highlighting the successes failures and eventual exhaustion of revolutionary zeal It provides a nuanced perspective on China s socio political evolution during a pivotal era of change grappling with questions about

legitimacy power dynamics and the role of ideology in shaping policy and governance Dittmer's work also contrasts China's revolutionary trajectory with global ideological movements presenting a critical examination of the enduring tensions between utopian aspirations and practical governance By analyzing the Cultural Revolution agricultural collectivization and the broader socio political reforms of the era the book offers a compelling narrative of a nation's struggle to reconcile revolutionary ideals with the realities of modern state building Scholars students and readers interested in China's contemporary history and political development will find this an invaluable resource for understanding the complexities of revolution and reform in a rapidly transforming society This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987 **Routledge**

Handbook of Chinese Media Ming-Yeh T. Rawnsley, Yiben Ma, Gary D. Rawnsley, 2015-04-24 The study of Chinese media is a field that is growing and evolving at an exponential rate Not only are the Chinese media a fascinating subject for analysis in their own right but they also offer scholars and students a window to observe multi directional flows of information culture and communications within the contexts of globalization and regionalization Moreover the study of Chinese media provides an invaluable opportunity to test and refine the variety of communications theories that researchers have used to describe analyse compare and contrast systems of communications The Routledge Handbook of Chinese Media is a prestigious reference work providing an overview of the study of Chinese media Gary and Ming Yeh Rawnsley bring together an interdisciplinary perspective with contributions by an international team of renowned scholars on subjects such as television journalism and the internet and social media Locating Chinese media within a regional setting by focusing on Greater China the People's Republic of China Taiwan Hong Kong Macau and overseas Chinese communities the chapters highlight the convergence of media and platforms in the region and emphasise the multi directional and trans national character of media information flows in East Asia Contributing to the growing de westernization of media and communications studies this handbook is an essential and comprehensive reference work for students of all levels and scholars in the fields of Chinese Studies and Media Studies *Background Notes, China*, 1984 [Earth Odyssey](#) Mark Hertsgaard, 2009-01-16 Like many of us Mark Hertsgaard has long worried about the declining health of our environment But in 1991 he decided to act on his concern and investigate the escalating crisis for himself Traveling on his own dime he embarked on an odyssey lasting most of the decade and spanning nineteen countries Now in *Earth Odyssey* he reports on our environmental predicament through the eyes of the people who live it From the gilded boardrooms of Paris to the traffic clogged streets of Bangkok we travel from the deep human past to our still unfolding future Much of the story revolves around people like Zhenbing Hertsgaard's charismatic interpreter in China whose desire to escape poverty leaves him indifferent to his country's horrific air and water

pollution We also meet Garang a proud Dinka tribesman whose response to Sudan s famine shows the difficulty of building an environmentally sustainable future without bridging the gap between rich and poor Drawing on interviews with V clav Havel Al Gore Jacques Cousteau and numerous other prominent figures Hertsgaard offers fresh insight into such complex issues as humanity s growing addiction to the automobile the insidious spread of nuclear technology and the inevitable tension between unfettered capitalism and the health of the biosphere Earth Odyssey is a vivid passionate narrative about one man s journey around the world in search of the answer to the most important question of our time Is the future of the human species at risk Combining first rate reportage with irresistible storytelling Mark Hertsgaard has written an essential and ultimately hopeful book about the uncertain fate of humankind **People's Diplomacy** Kazushi Minami,2024-03-15 In **People s Diplomacy** Kazushi Minami shows how the American and Chinese people rebuilt US China relations in the 1970s a pivotal decade bookended by Richard Nixon s 1972 visit to China and 1979 normalization of diplomatic relations Top policymakers in Washington and Beijing drew the blueprint for the new bilateral relationship but the work of building it was left to a host of Americans and Chinese from all walks of life who engaged in people to people exchanges After two decades of estrangement and hostility caused by the Cold War these people dramatically changed the nature of US China relations Americans reimaged China as a country of opportunities irresistible because of its prodigious potential while Chinese reinterpreted the United States as an agent of modernization capable of enriching their country and rejuvenating their lives Drawing on extensive research at two dozen archives in the United States and China **People s Diplomacy** redefines contemporary US China relations as a creation of the American and Chinese people **US-China Review** ,1982 The Journal of Asian Studies ,1983 An essential resource for those interested in Asia Recognized as the leading publication in its field It features articles on the history arts social sciences and contemporary issues of East South and Southeast Asia as well as a large book review section *The Australian Journal of Chinese Affairs* ,1983 **A London Bibliography of the Social Sciences** ,1931 Vols 1 4 include material to June 1 1929 **Asian Thought & Society** ,1986 China Notes ,1975 **Asian Thought and Society** ,1985 **A History of World Societies: From the French Revolution to the present (Chapters 25-40)** John P.
