Lewis L. Gould

From The Center To The Edge The Politics And Policies Of The Clinton Presidency:

From the Center to the Edge William C. Berman, 2001-04-11 An historical interpretation of the politics and public policies of the Clinton administration Political historian William C Berman describes the origins evolution and transformation of Clinton s programs for change as well as the reasons for its various successes and failures Berman sheds light on both domestic matters such as welfare reform deficit reduction and the impeachment process and key foreign policy issues including American relations with Russia and China and the conflicts in Bosnia and Kosovo

Book Reviews on Presidents and the Presidency Frank H. Columbus, 2008 This new book presents 245 in depth and incisive book reviews about presidents and the presidency of the United States This book is a must reference in political science current affairs and sociology

The Presidency of Bill Clinton Mark White, 2012-05-15 The presidency of Bill Clinton has an intrinsic historical significance a marker of generational change as he was the first baby boomer to reach the White House the first president whose personal life received no less attention than his policies and the first elected Democrat President to win re election since Franklin Roosevelt This book provides wide ranging coverage of Clinton s career addressing the salient aspects of Clinton s life in politics his governorship the 1992 presidential campaign the battle for health care reform his economic policies the issue of character including the Monica Lewinsky scandal his foreign policy specifically his role in the peace process in Northern Ireland and in authorizing an aerial war in Kosovo his handling of the issue of gay rights and his relationship with the Hollywood film industry Based on the latest research this volume provides important new perspectives on Clinton s life in politics It will be essential reading for anyone interested in American History Politics and International Relations

The Powers of the Presidency , 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president

and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

Encyclopedia of Public Administration and Public Policy David Andrew Schultz, James A Beverly, Professor and Senior Fellow David Schultz, 2014-05-14 An alphabetical listing of administrative agencies and departments with details about the office and its role in government as well as terms and definitions

The Modern American Presidency Lewis L. Gould, 2009 The Modern American Presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos

The Transformation of the American Democratic Republic Stephen M. Krason, 2017-09-08 In this stimulating volume Stephen M Krason considers whether the Founding Fathers vision of the American democratic republic has been transformed and if so in what ways He looks to the basic principles of the Founding Fathers then discusses the changes that resulted from evolving contemporary expectations about government Referencing philosophical principles and the work of great Western thinkers Krason then explores a variety of proposals that could forge a foundation for restoration Acknowledging that any attempt to revive the Founders views on a democratic republic must start in the public sphere Krason focuses on concerned citizens who are aware of the extent to which our current political structures deviate from the Founders vision and want to take action Ultimately a democratic republic can exist be sustained and flourish only when there is a deep commitment to it in the minds and norms of its people Written by a foremost authority in the field of US Constitutional law this book will appeal to those interested in American history society and politics

The Age of Impeachment David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use

America, Empire of Liberty David Reynolds, 2009-01-29 It was Thomas Jefferson who envisioned

the United States as a great empire of liberty In the first new one volume history in two decades David Reynolds takes Jefferson s phrase as a key to the saga of America helping unlock both its grandeur and its paradoxes He examines how the anti empire of 1776 became the greatest superpower the world has seen how the country that offered liberty and opportunity on a scale unmatched in Europe nevertheless founded its prosperity on the labour of black slaves and the dispossession of the Native Americans He explains how these tensions between empire and liberty have often been resolved by faith both the evangelical Protestantism that has energized U S politics since the foundation of the nation and the larger faith in American righteousness that has impelled the country s expansion Reynolds account is driven by a compelling argument which illuminates our contemporary world

Social History of the United States Brian Greenberg,Linda S. Watts,Richard A. Greenwald,Gordon Reavley,Alice L. George,Scott Beekman,Cecelia Bucki,Mark Ciabattari,John C. Stoner,Troy D.

Paino,Laurie Mercier,Andrew Hunt,Peter C. Holloran,Nancy Cohen,2008-10-23 This ten volume encyclopedia explores the social history of 20th century America in rich authoritative detail decade by decade through the eyes of its everyday citizens Social History of the United States is a cornerstone reference that tells the story of 20th century America examining the interplay of policies events and everyday life in each decade of the 1900s with unmatched authority clarity and insight Spanning ten volumes and featuring the work of some of the foremost social historians working today Social History of the United States bridges the gap between 20th century history as it played out on the grand stage and history as it affected and was affected by citizens at the grassroots level Covering each decade in a separate volume this exhaustive work draws on the most compelling scholarship to identify important themes and institutions explore daily life and working conditions across the economic spectrum and examine all aspects of the American experience from a citizen s eye view Casting the spotlight on those whom history often leaves in the dark Social History of the United States is an essential addition to any library collection

Culture Wars Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics

of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today *White House Studies Compendium* Robert W. Watson, 2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia consists of the combined and rearranged issues of the journal *White House Studies* with the addition of a comprehensive subject index Preface Presidents on Political Ground Bruce Miroff, 2018-01-19 How much power does a president really have Theories and arguments abound pointlessly Bruce Miroff says if we don't understand the context in which presidents operate Borrowing from Machiavelli Miroff maps five fields of political struggle that presidents must traverse to make any headway media powerful economic interests political coalitions the high risk politics of domestic policy and the partisan politics of foreign policy The prince readying for war Machiavelli writes must learn the nature of the terrain and know how mountains slope how valleys open how plains lie and understand the nature of rivers and swamps So it is with presidents navigating the political landscape The variability of political ground and of the conflicts fought on it is a core proposition of this study The swift collapse of the Soviet Union the terrorist attacks of 9/11 and the financial crisis of 2008 recent history offers a quick lesson in fortune's role in the careers of presidents Taking a historical perspective which opens on an array of cases Miroff explores the various ways in which a president's agenda is constrained or facilitated by political conditions on the ground His book reveals how political identity is constructed and contested in the media through the ever changing presidential spectacle what happens when Democrats in the White House tangle with the titans of the economy why presidents claiming to represent the entire nation have to manage political coalitions that direct rewards to their own followers why domestic policy has become tough terrain for presidents and how partisan polarization has reshaped presidential leadership in foreign policy an area once considered beyond politics Providing a new perspective on why and how presidents succeed or fail in each of these areas this book is an indispensable resource for understanding the forces that shape presidencies and the power of a president to fight on such fraught terrain **Centrism** Ian Dunt, Dorian Lynskey, 2024-10-17 AN ORIGIN STORY BOOK Provides clarity scholarship with and essential insight into why our world is the way it is Adam Rutherford I wish I could make Ian and Dorian's work mandatory Sathnam Sanghera A coherent political philosophy or a vacuous cop out A pragmatic middle way between the extremes of left and right or a cynical strategy to secure power and neuter debate Politicians have long invoked centrism as both a term of abuse Margaret Thatcher and a badge of pride Tony Blair Figures as important as John Maynard Keynes Roy Jenkins Bill Clinton and Emmanuel Macron have all had different ideas about how to make sure the centre holds But for a term that purports to describe consensus it's ironic just how little agreement there is over what centrism actually means In

Centrism The Story of an Idea Ian Dunt and Dorian Lynskey trace the evolution of centrism from ancient Greece to the French Revolution the Second World War to the 2024 elections They find a story that is much bigger than the sum of its parts and that raises some uncomfortable questions about tribalism and compromise **Clinton's Foreign Policy in Russia**

George A. MacLean, 2017-11-30 Some of Bill Clinton's most basic foreign policy elements democratic peace the post Cold War peace dividend geopolitics and state society relations are epitomized in the US Russian Highly Enriched Uranium HEU Purchase Agreement It was one of the most remarkable initiatives of Clinton's presidency but oddly one of the most obscure that still continues under George W Bush This agreement illustrates how successfully the US and Russia could work together to reduce global nuclear fears but also how a series of decisions pitted global designs over American domestic interests Illustrating one of the most compelling decisions Clinton made as President this remarkable book elucidates the theory of democratic peace and demonstrates a new and more advanced nuclear restraint regime from reduction to elimination The story behind Clinton's decision has repercussions for our understanding of arms control foreign policy decision making and US Russian relations This is a book about the intersection of levels of analysis international security concerns and domestic political economy and as such is ideal as a supplementary text for advanced courses in security and foreign policy **The**

Conservative Ascendancy Donald T. Critchlow, 2011-09-07 Hailed as perhaps the best scholarly overview of the conservative movement in print American Conservative Donald Critchlow's The Conservative Ascendancy has depicted as no other book has the wild ride of the Republican Right Newly updated and available for the first time in paperback it continues to offer the best account of the conservative struggle to reverse the momentum of the New Deal In tracing the conservative revival Critchlow chronicles how conservative beliefs were translated into political power He shows how conservatives from think tank theorists to grassroots mobilizers gained control of the Republican party by defeating its liberal eastern wing only to find that the welfare state was not so easily dismantled Looking back at the 1964 Goldwater debacle and the scandal plagued Nixon years he then revisits the triumph of the Reagan presidency and describes how George W Bush injected into American politics a level of partisanship not seen since the nineteenth century Critchlow recounts the conflict between purity of principle and political practice for conservatives and the dilemma of maintaining an anti statist ideology in an era of mass democracy and Cold War hostilities Throughout he delineates the intellectual foundations of the Right's positions including the ongoing schism that separates social conservatives from libertarians while plumbing America's increasing ideological divide This updated edition not only features a new preface and conclusion but also boasts an entirely new chapter covering the 2008 presidential election the 2008 financial meltdown the first two years of Obama's presidency the emergence of the Tea Party the 2010 midterms and ongoing economic problems Here Critchlow foresees a new epoch in which the old conservative progressive divide is unable to address the problems caused by national debt entitlement deficits and a new global economy a new reality sure to transform both parties As conservatives continue to wave the banners of limited

government individual responsibility and free enterprise Critchlow's book provides a clear guide to the country's most dynamic political movement and is essential reading for students and citizens alike as the political center continues to tack to the right **Tough Times for the President** , *The Presidency and the Challenge of Democracy* M. Genovese, L. Han, 2006-09-16 The rise of presidential power poses a significant threat to America's democratic values As the presidency apparently eclipses Congress the courts in power and public media attention the balance of powers has tilted In this accessible book leading scholars explore the reasons for and implications of the rising power of the presidency

From The Center To The Edge The Politics And Policies Of The Clinton Presidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download From The Center To The Edge The Politics And Policies Of The Clinton Presidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From The Center To The Edge The Politics And Policies Of The Clinton Presidency has opened up a world of possibilities. Downloading From The Center To The Edge The Politics And Policies Of The Clinton Presidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From The Center To The Edge The Politics And Policies Of The Clinton Presidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From The Center To The Edge The Politics And Policies Of The Clinton Presidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From The Center To The Edge The Politics And Policies Of The Clinton Presidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From The Center To The Edge The Politics And Policies Of The Clinton Presidency, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From The Center To The Edge The Politics And Policies Of The Clinton Presidency has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
