### **From The Motherland To The Mothership:**

From the Motherland to the Mothership Shurlene B. Wallace, 2001-08-30 Angels Butterflies Dragons 2 edition has more captivating twist of heartfelt poetry prose and short stories added you don't want to miss this edition You will laugh more cry more reflect relate and capture many moments in time Angels Butterflies Dragons 2 will bless your heart and soul in more ways than one

**Intimate Alien** David J. Halperin, 2020-03-24 A voyage of exploration to the outer reaches of our inner lives UFOs are a myth says David J Halperin but myths are real The power and fascination of the UFO has nothing to do with space travel or life on other planets It's about us our longings and terrors and especially the greatest terror of all the end of our existence This is a book about UFOs that goes beyond believing in them or debunking them and to a fresh understanding of what they tell us about ourselves as individuals as a culture and as a species In the 1960s Halperin was a teenage UFOlogist convinced that flying saucers were real and that it was his life's mission to solve their mystery He would become a professor of religious studies with traditions of heavenly journeys his specialty With *Intimate Alien* he looks back to explore what UFOs once meant to him as a boy growing up in a home haunted by death and what they still mean for millions believers and deniers alike From the prehistoric Balkans to the deserts of New Mexico from the biblical visions of Ezekiel to modern abduction encounters *Intimate Alien* traces the hidden story of the UFO It's a human story from beginning to end no less mysterious and fantastic for its earthliness A collective cultural dream UFOs transport us to the outer limits of that most alien yet intimate frontier our own inner space

*There Is No Hiv* Damian Q. Laster, 2014-12-19 *Im The Living Proof THERE IS NO HIV The Rainbow Warrior Exposing The Truth About HIV Antibody Testing and the Metaphysics of Self Healing Through Chakra and Kundalini Awareness* is the author's personal story of healing and a journey toward spiritual awakening having transcended the HIV Debacle and Crisis The author reveals the horrible atrocity of genocide and eugenics that is taking place all over the globe with respect to the effects of deception and deceit about HIV The goal of this book is to give the readers a chance to learn of the HIV dissenting perspective Resources are provided for readers to research the crisis for themselves and then make health care decisions from a place of awareness rather than being blindly led by those who might not have their best interest in mind and certainly not at heart Learn to let go of everything you thought was true what you have been told for the last 30 years Break down illusions and heal your mind heal your body heal your spirit and heal your life

**Post-Soul Satire** Derek C. Maus, James J. Donahue, 2014-07-07 From 30 Americans to Angry White Boy from Bamboozled to The Boondocks from Chappelle's Show to The Colored Museum this collection of twenty one essays takes an interdisciplinary look at the flowering of satire and its influence in defining new roles in black identity As a mode of expression for a generation of writers comedians cartoonists musicians filmmakers and visual conceptual artists satire enables collective questioning of many of the fundamental presumptions about black identity in the wake of the civil rights movement Whether taking place in popular and controversial television shows in a provocative series of short internet films

in prize winning novels and plays in comic strips or in conceptual hip hop albums this satirical impulse has found a receptive audience both within and outside the black community Such works have been variously called post black post soul and examples of a New Black Aesthetic Whatever the label this collection bears witness to a noteworthy shift regarding the ways in which African American satirists feel constrained by conventional obligations when treating issues of racial identity historical memory and material representation of blackness Among the artists examined in this collection are Paul Beatty Dave Chappelle Trey Ellis Percival Everett Donald Glover a k a Childish Gambino Spike Lee Aaron McGruder Lynn Nottage ZZ Packer Suzan Lori Parks Mickalene Thomas Tour Kara Walker and George C Wolfe The essays intentionally seek out interconnections among various forms of artistic expression Contributors look at the ways in which contemporary African American satire engages in a broad ranging critique that exposes fraudulent outdated absurd or otherwise damaging mindsets and behaviors both within and outside the African American community Bitter Root #15 David F. Walker, Chuck Brown, 2021-08-11 LEGACY Part Five The third arc of the Eisner Award winning BITTER ROOT comes to an epic conclusion that will decide the fate of humanity For the Sangerye family it means making another sacrifice while searching for hope during hopeless times Bitter Root Vol. 3: Legacy David F. Walker, Chuck Brown, 2021-10-27 The monster hunting Sangerye family has faced terrifying challenges in their fight to protect humanity and while they have suffered pain and loss they have never been defeated That is about to change A great evil has invaded Earth and the Sangeryes are not prepared for the battle they must face But if they cannot protect the world who can See the Harlem Renaissance as you never have before as the Eisner Award winning series continues Collects BITTER ROOT 11 15 **New Age**, 2001 **Motherland** Elissa Altman, 2020-09-08 I m reading this book right now and loving it Cheryl Strayed 1 New York Times bestselling author of Wild How can a mother and daughter who love but don t always like each other coexist without driving each other crazy Vibrating with emotion this deeply honest account strikes a chord People A wry and moving meditation on aging and the different kinds of love between women O The Oprah Magazine After surviving a traumatic childhood in nineteen seventies New York and young adulthood living in the shadow of her flamboyant mother Rita a makeup addicted former television singer Elissa Altman has managed to build a very different life settling in Connecticut with her wife of nearly twenty years After much time therapy and wine Elissa is at last in a healthy place still orbiting around her mother but keeping far enough away to preserve the stable independent world she has built as a writer and editor Then Elissa is confronted with the unthinkable Rita whose days are spent as a fl neur traversing Manhattan from the Clinique counters at Bergdorf to Bloomingdale s and back again suffers an incapacitating fall leaving her completely dependent upon her daughter Now Elissa is forced to finally confront their profound differences Rita s yearning for beauty and glamour her view of the world through her days in the spotlight and the money that has mysteriously disappeared in the name of preserving youth To sustain their fragile mother daughter bond Elissa must navigate the turbulent waters of their shared lives the practical challenges of caregiving for someone who

refuses to accept it the tentacles of narcissism and the mutual frenetic obsession that has defined their relationship Motherland is a story that touches every home and every life mapping the ferocity of maternal love moral obligation the choices women make about motherhood and the possibility of healing Filled with tenderness wry irreverence and unforgettable characters it is an exploration of what it means to escape from the shackles of the past only to have to face them all over again Praise for Motherland Rarely has a mother daughter relationship been excavated with such honesty Elissa Altman is a beautiful big hearted writer who mines her most central subject her gorgeous tempestuous difficult mother and the terrain of their shared life The result is a testament to the power of love and family Dani Shapiro author of Inheritance

**Keepers of the Motherland** Dagmar C. G. Lorenz, 1997-01-01 Keepers of the Motherland is the first comprehensive study of German and Austrian Jewish women authors Dagmar Lorenz begins with an examination of the Yiddish author Glikl Hamil whose works date from the late seventeenth and early eighteenth centuries and proceeds through such contemporary writers as Grete Weil Katja Behrens and Ruth Kl\_ger Along the way she examines an extraordinary range of distinguished authors including Else Lasker Sch\_ler Rosa Luxemburg Nelly Sachs and Gertrud Kolmar Although Lorenz highlights the author s individualities she unifies Keepers of the Motherland with sustained attention to the ways in which they all reflect upon their identities as Jews and women In this spirit Lorenz argues that the themes and characters as well as the environments evoked in the texts of Jewish women authors writing in German resist patriarchal structures The term motherland defining the domain of the Jewish woman s native language regardless of political or ethnic boundaries is juxtaposed with the concept fatherland referring to the power structures of the nation or state in which she resides Lorenz describes a vital diverse and largely dissident literary tradition a brilliant countertradition in effect that has endured in spite of oppression and genocide Combining careful research with inspired synthesis Lorenz provides an indispensable work for students of German Jewish and women s writings

*The Sex Revolts* Simon Reynolds, Joy Press, 1995 The first book to look at rock rebellion through the lens of gender The Sex Revolts captures the paradox at rock s dark heart the music is often most thrilling when it is most misogynistic and macho And looking at music made by female artists the authors ask must it always be this way

**Daniels' Orchestral Music** David Daniels, David W. Oertel, David A. Rahbee, 2022-06-30 Daniels Orchestral Music is the gold standard for all orchestral professionals from conductors librarians programmers students administrators and publishers to even instructors seeking to research and plan an orchestral program whether for a single concert or a full season This sixth edition celebrating the fiftieth anniversary of the original edition has the largest increase in entries for a new edition of Orchestral Music 65% more works roughly 14 050 total and 85% more composers 2 202 total compared to the fifth edition Composition details are gleaned from personal inspection of scores by orchestral conductors making it a reliable one stop resource for repertoire Users will find all the familiar and useful features of the fifth edition as well as significant updates and corrections Works are organized alphabetically by composer and title containing information

on duration instrumentation date of composition publication movements and special accommodations if any Individual appendices make it easy to browse works with chorus solo voices or solo instruments Other appendices list orchestral works by instrumentation and duration as well as works intended for youth concerts Also included are significant anniversaries of composers composer groups for thematic programming a title index an introduction to Nieweg charts essential bibliography internet sources institutions and organizations and a directory of publishers necessary for the orchestra professional This trusted work used around the globe is a must have for orchestral professionals whether conductors or orchestra librarians administrators involved in artistic planning music students considering orchestral conducting authors of program notes publishers and music dealers and instructors of conducting

The Routledge Research Companion to Popular Music and Gender Stan Hawkins, 2017-03-16 Why is gender inseparable from pop songs What can gender representations in musical performances mean Why are there strong links between gender sexuality and popular music The sound of the voice the mix the arrangement the lyrics and images all link our impressions of gender to music Numerous scholars writing about gender in popular music to date are concerned with the music industry's impact on fans and how tastes and preferences become associated with gender This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender The contributors are drawn from a range of disciplines including musicology sociology anthropology gender studies philosophy and media studies providing new reference points for studies in this interdisciplinary field Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working where the focus falls primarily on gender roles Amongst the innovative approaches taken up in this collection are queer performativity gender theory gay and lesbian agency the female pop celebrity masculinities transculturalism queering transgenderism and androgyny This Research Companion is required reading for scholars and teachers of popular music whatever their disciplinary background

**Extended Play** John Corbett, 1994 In *Extended Play* one of the country's most innovative music writers conducts a wide ranging tour through the outer limits of contemporary music Over the course of more than twenty five portraits interviews and essays John Corbett engages artists from lands as distant as Sweden Siberia and Saturn With a special emphasis on African American and European improvisers the book explores the famous and the little known from John Cage and George Clinton to Anthony Braxton and Sun Ra Employing approaches as diverse as the music he celebrates Corbett illuminates the sound and theory of funk and rap blues and jazz contemporary classical free improvisation rock and reggae Using cultural critique and textual theory Corbett addresses a broad spectrum of issues such as the status of recorded music in postmodern culture the politics of self censorship experimentation and alternativism in the music industry and the use of metaphors of space and madness in the work of African American musicians He follows these more theoretically oriented essays with a series of extensive profiles and in depth interviews that offer contrasting and complementary perspectives on some of the world's most creative musicians and their work Included here are more than

twenty original photographs as well as a meticulously annotated discography The result is one of the most thoughtful and most entertaining investigations of contemporary music available today The Afrofuturist Evolution Ytasha L.

Womack,2025-03-25 The spaces revealed through the practice of time manipulation in Black cultures lend themselves to storytelling a time hopping process that integrates memory and community Drawing on disparate philosophies and science behind electronic beat making lyricism dance memory myth and cosmology in the African and African Diasporic traditions this book seeks to demonstrate relationships between rhythm space and ways of being as an articulation of futures and alternate realities made present Infused with author and Afrofuturist educator Ytasha Womack s own practice and contemplations this book rich in anecdotes will interrogate Afrofuturism as an experience that unfolds through combinations of being a maker and theorist Readers will take a creative journey that allows them to bring Afrofuturist practices into their own lives The goal is to expand imagination rootedness and possibility From Senegalese poet political theorist and politician Leopold Sedar Senghor s ideas on the plastic arts and Negritude to writer Malidoma Patrese Some s articulation of water symbolism in Burkina Faso from tap dance exercises to composer DJ and recording artist King Britt s Blacktronica The Afrofuturist Evolution aims to demonstrate Afrofuturism as embodied theory in practice This book in simple straightforward but powerful ways invites readers to bring these practices into their own lives The Preeminence of Christ and the Motherland Religions Delores A. Vaughan,2005-02 An unexamined belief is a worthless belief That is why the effectiveness of Christian Apologetics is so vital to the Church informing them of the dangers of Cults the real enemy within our midst

**Motherland** William Nicholson,2013-04-09 From an Academy Award nominated screenwriter an epic novel of love and loss and the long shadows war leaves behind Summer 1942 Kitty an army driver stationed in Sussex meets Ed a Royal Marine commando and Larry a liaison officer with Combined Ops She falls instantly in love with Ed who falls in love with her So does Larry Both men go off to war and Ed wins the highest military honor for his bravery But sometimes heroes don t make the best husbands Motherland follows Kitty Ed and Larry from wartime England and the brutally tragic Dieppe raid to Nazi occupied France India after the war and Jamaica before independence Against this ever changing backdrop as they witness history being made and participate in the smaller dramas of romance friendship and parenthood these three friends make choices that will determine the challenges and triumphs of their lives But the insistent current running through all they experience is the unacknowledged tension of the love triangle that binds them together and must somehow be resolved Written by an award winning screenwriter whose novels have earned extraordinary critical praise Motherland is a compelling page turning narrative brimming with stunning war scenes pageantry politics and questions about faith and art as well as quiet intimate moments of passion doubt and longing Above all it is a great love story about three people struggling to find happiness and meaning amid war and its aftermath Reading Rock and Roll Kevin J. H. Dettmar,William Richey,1999 Considering the work of such artists as Madonna George Clinton U2 Elvis Costello and Nirvana the contributors deftly

combine the rigors of scholarship with the energy of rock journalism to provide an analysis at once critical contextualized and enthusiastic While a number of scholars have recently turned their attention to rock and pop music most of their work has focused on providing sweeping cultural contexts for its popularity rather than exploring the music itself Now in Reading Rock and Roll Kevin Dettmar and William Richey have gathered a wealth of erudite original and clever writings that perform close readings of rock music often with surprising results The authors in this volume view rock and roll as having had affinities with postmodernism from its inception With its mongrel pedigree drawing on blues folk R and B and bluegrass and its relation to mass media and high tech modes of production rock music has been self conscious and full of irony from the beginning These essays regularly call attention to the allusiveness and intertextuality of rock and roll whether it is Kurt Cobain undermining the Beatles M C Hammer stealing from Rick James s Super Freak or U2 s use of Johnny Cash s legendary voice From a careful examination of the roles of addictions and female sexuality in the remakings of Courtney Love and Madonna to the politics of George Clinton s uses and abuses of language to the referencing of Elvis Costello in two recent novels and the use of 1970s rock in several recent film soundtracks these essays are as varied as the artists they consider Informal and theoretically informed Reading Rock and Roll is an important investigation of the music that more than any other has defined our century *Women's Writing of the First World War* Emma Liggins, Elizabeth Nolan, 2019-04-10

The First World War was a transformative experience for women facilitating their entry into new spaces and alternative spheres of activity both on the home front and on the edges of danger zones in Europe and beyond The centenary of the conflict is an appropriate moment to reassess what we choose to remember about women s roles and responsibilities in this period and how women recorded their experiences It is timely to re consider the narratives of women s involvement not only as nurses VADs and mourning mothers but as pacifist campaigners poets war correspondents and contributors to developing genres of war writing This interdisciplinary volume examines women s representations of wartime experience across a wide range of genres including modernist fiction ghost stories utopia poetry life writing and journalism Contributors provide fresh perspectives on women s written responses to the conflict exploring women s war work constructions of femininity and the maternal in wartime and the relationship between feminism suffrage and pacifism The volume reinforces the importance of the retrieval of women s wartime experience urging us to rethink what we choose to commemorate and widening the presence of women in the expanding canon of war writing This book was originally published as a special issue of *Women s Writing* **Operation Motherland** Scott K. Andrews, 2009-01-15 I celebrated my sixteenth birthday by crashing a plane

fighting for my life and facing execution again Lee Keegan travels to Iraq on the trail of his missing father only to find himself caught between desperate rebels and a general who wants to strap him into an electric chair In England Jane Crowther one time matron of St Mark s School for Boys attracts the wrong kind of attention and has to fight to protect her new school from unlikely enemies And in a bunker underneath Washington a madman issues orders that will tip two devastated countries into

total war     The Sun Will Rise Misha Zelinsky, 2023-11-28 Inspired by true events The Sun Will Rise by Misha Zelinsky honors those bravely fighting and dying for their freedom in Ukraine Oksana Shevchenko remembers life as it once was Before the War Before the Invaders stripped her freedom away Before the Motherland decided to take what wasn't hers and call it her own As the leader of the local Union thirty one year old Oksana has met her match in enemy officer Lieutenant General Mikhailovich who will stop at nothing to win glory for the Motherland and himself After he captures the city of Heryvin the young ambitious Mikhailovich forces Oksana and her Union comrades to operate the local nuclear power plant for the Motherland's gain while sapping its capacity to operate safely It's a nightmare for a city still reeling from the disastrous accident that took the lives of dozens including Oksana's father decades before Caught between her loyalty to those resisting the Occupation and a nuclear catastrophe threatened by increasingly impossible orders Oksana must find a way to defeat Mikhailovich before his sadistic determination leads him to doing the unthinkable But Oksana might not be alone in her fight because war makes heroes out of the ordinary and unlikely A grandmother defiantly waving the colour of her nation A principal offering a safe haven for students dreaming of brighter futures A young adult choosing courage in the face of mortal danger A country quietly showing that glory belongs to those who dare to hold on against impossible odds Because one day soon the sun will set on dictators And the sun will rise on freedom once again Inspired by true events in Ukraine The Sun Will Rise is a tribute to those bravely fighting for their freedom and ours

Right here, we have countless books **From The Motherland To The Mothership** and collections to check out. We additionally find the money for variant types and as a consequence type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as skillfully as various additional sorts of books are readily easy to get to here.
