times and prosperity He notes the contributions of the University to Nebraska from the early experiments in sugar beet cultivation to the national fame of its football team Most important its education of generations of Nebraskans has lifted state goals and achievement and its outreach has made the University an international community Robert E Knoll is D B and Paula Varner Professor of English Emeritus at the University of Nebraska Lincoln He is the author of numerous books and editor of the letters of Weldon Kees His articles have appeared in journals such as American Speech College English Hudson Review and Prairie Schooner **The Eastern and Western States of America** James Silk Buckingham,1842 Bulletin Illinois State Geological Survey,1916 **Prairie and Rocky Mountain Adventures, Or, Life in the West** John C.
