Dragualian Silk William Maltese, 2010-01-01 Since 1969 William Maltese has penned more than 180 books under 36 pseudonyms His early novels are regarded as classics of gay literature selling on the collectors market for up to 1000 each But his fiction has continued to develop and now has the sheen and polish of the Dragualian Silk that he invented for his Stud Dragual mystery series This volume provides a complete list of the author's books and includes bibliographical data excerpts from the first 3 paragraphs of each monograph and 3 indexes Here's a book for anyone interested in the history of vintage paperbacks gay literature and popular culture Mystic Hours George A. Redman, 1859 Women in John's Gospel Susan Miller, 2023-01-26 Closely examines John s portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John s presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly asses several crucial female characters in John to stress how Jesus female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the Quiet Hours Mary Wilder Tileston, 1880 ruler of the world and inaugurates the new creation Littell's Living Age The Living Age ,1846 Blood and Water John Paul Heil, 2023-11-30 This book presents a comprehensive ,1846 treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables The Poetical Works of Caroline **Bowles Southey Caroline Bowles Southey, 1867 Spirit of the English Magazines** ,1823 Blackwood's Edinburgh Magazine ,1823 The Poetical Works of Caroline Bowles Southey. Collected Edition afterwards SOUTHEY BOWLES Poems of Idle Hours John Harris, 1903 (Caroline),1867 The Atheneum, 1823 Be My Knife David Grossman, 2003-04-19 The international bestseller Be My Knife is a compelling love story from David Grossman the leading Israeli novelist of his generation We could be like two people who inject themselves with truth serum and at long last have to tell it the truth I want to be able to say to myself I bled truth with her yes that s what I want Be a knife for me and I I swear will be a knife for you An awkward neurotic seller of rare books writes a desperate letter to a beautiful stranger whom he sees at a class reunion This simple lonely attempt at seduction begins a love affair of words between Yair and Miriam two married middle aged adults dissatisfied with their lives yearning for the connection that has always eluded them and

eventually reawakened to feelings that they thought had passed them by Their correspondence unfolds into an exchange of their most naked confessions of desire childhood tragedies joys and humiliations Through the dialogue between Yair a family man and surprisingly successful adulterer whose complex guarded letters reveal a life of secrets kept from the people closest to him and Miriam at first deceptively open and warm who fills her life with distraction to avoid a past full of painful secrets Be My Knife explores the nature and the limits of intimacy A deep departure from David Grossman's previous work Be My Knife is his subtlest most passionate novel yet Facing Loss and Death Peter Hühn, 2016-08-22 Lyric poetry as a temporal art form makes pervasive use of narrative elements in organizing the progressive course of the poetic text This observation justifies the application of the advanced methodology of narratology to the systematic analysis of lyric poems After a concise presentation of this transgeneric approach to poetry the study sets out to demonstrate its practical fruitfulness in detailed analyses of a large number of English and some American poems from the early modern period to the present The narratological approach proves particularly suited to focus on the hitherto widely neglected dimension of sequentiality the dynamic progression of the poetic utterance and its eventful turns which largely constitute the raison d tre of the poem To facilitate comparisons the examples chosen share one special thematic complex the traumatic experience of severe loss the death of a beloved person the imminence of one s own death the death of a revered fellow poet and the loss of a fundamental stabilizing order The function of the poems can be described as facing the traumatic experience in the poetic medium and employing various coping strategies The poems thus possess a therapeutic impetus Plumbers. Gas and New Monthly Magazine, and Universal Register ,1874 Steam Fitters Journal, 1911 **Truth on Trial** Andrew T. Lincoln, 2019-09-25 Religious truth has always been in dispute but there are certain times and places in which the debate has been more intense One such period was the first century CE when the rapid spread of Christianity with its claims about Jesus produced considerable ferment The Gospel of John written late in that century presents that dispute with greater clarity than any other document of the time John presents a Jesus who claims not only to tell the truth but also to be the truth And yet as the Roman magistrate asks Jesus in John s gospel what is truth Two millennia later in the Western world pluralism and postmodernism radically challenge traditional notions of truth Is there any truth beyond the formal logic of merely analytical propositions And if there is do humans have any way of knowing it Many who have a postmodern perspective deny that either rationality or imagination can give us access to the truth Instead they adopt a throughgoing incredulity toward metanarratives Truth is again on trial The Lady of the Isle Emma Dorothy Eliza Nevitte Southworth, 1859 The Lady of the Isle, Or, The Island Princess Emma Dorothy Eliza Nevitte Southworth, 1886
