Janet Ewald

From Slave To Soldier:

From Slave to Soldier Deborah Hopkinson, 2007-01-09 A boy who hates being a slave joins the Union Army to fight for freedom and proves himself brave and capable of handling a mule team when the need arises **From Slave to Soldier**

Deborah Hopkinson, 2007 A boy who hates being a slave joins the Union Army to fight for freedom and proves himself brave and capable of handling a mule team when the need arises **From Slave to Soldier** Deborah Hopkinson, 2005-10 A boy

who hates being a slave joins the Union Army to fight for freedom and proves himself brave and capable of handling a mule team when the need arises **From Slaves to Soldiers** Joanne Randolph, 2018-07-15 The period of time including the Civil War and Reconstruction in the United States was an era that involved a lot of change For many African Americans this transition included going from a life of slavery to becoming a soldier This engaging and informative book presents readers with the stories of many of these people while also addressing important issues such as racism and prejudice Detailed text paired with eye catching photographs helps support key social studies curriculum and hold the attention of readers From

Slave to Soldier to Servant William Furman, 2022-01-05 from Slave to Soldier to Servant is a saga of first century Roman military exploits of love and family and daily life all told with believable dialogue The story revolves around a man named Titus Cornelius who advances through the layers of society experiencing some twist and turns along the way The beginning builds a background for the major characters The main character Cornelius begins life in submission He gains freedom to become a Roman soldier whose fighting skills provide a path to become a Centurion and later marries Neither he nor the woman he marries have love in their hearts at the time but love sprouts and grows Then an obsession to find answers to profound questions becomes the focal point of the narrative However uncontrollable events thwart the success of this obsession Yet it does result in a meeting with a man who changes Cornelius life and he willingly takes on a life of submission The story concludes with an inspirational message *Standing Soldiers, Kneeling Slaves* Kirk Savage, 2018-07-31 A history

of U S Civil War monuments that shows how they distort history and perpetuate white supremacy The United States began as a slave society holding millions of Africans and their descendants in bondage and remained so until a civil war took the lives of a half million soldiers some once slaves themselves *Standing Soldiers Kneeling Slaves* explores how the history of slavery and its violent end was told in public spaces specifically in the sculptural monuments that came to dominate streets parks and town squares in nineteenth century America Looking at monuments built and unbuilt Kirk Savage shows how the greatest era of monument building in American history took place amid struggles over race gender and collective memory *Standing Soldiers Kneeling Slaves* probes a host of fascinating questions and remains the only sustained investigation of post Civil War monument building as a process of national and racial definition Featuring a new preface by the author that reflects on recent events surrounding the meaning of these monuments and new photography and illustrations throughout this new and expanded edition reveals how monuments exposed the myth of a united people and have only become more

controversial with the passage of time *From Slave to Soldier* Noel Crowson,2010 *From Slave to Soldier* ANGELA. MONROE,2025-03-10 *From Slave to Soldier* The Black Military Experience chronicles the remarkable journey of African Americans in the U S military from forced enlistment during the American Revolution to leadership roles in modern conflicts This book explores their struggles triumphs and sacrifices highlighting key figures pivotal battles and the ongoing fight for equality From the heroism of the Buffalo Soldiers to the activism of Vietnam War veterans this compelling narrative reveals how Black military service has shaped American history and civil rights A powerful tribute to courage and resilience *From Slave to Soldier* sheds light on a legacy of perseverance and patriotism *From Slave to Untouchable* Paul Kalra,2011 A century and a half ago the first shots fired at Fort Sumter began the Civil War that claimed 620 000 American lives more than all other wars the country has waged In *From Slave to Untouchable* Lincoln s Solution Paul Kalra challenges the assumption that the Civil War was fought to end black slavery in the United States He meticulously traces the evolution of slavery in the U S to the Protestant slave code adopted by Southern slaveholders It was primarily slaveholders the wealthiest most powerful class in pre Civil War America who framed the undemocratic Constitution that essentially divided the populace into slaveholders and non slaveholders Slaves were declared less than human a commodity to be bought used and sold to further their masters economic advantage and not entitled to citizenship or civil rights Even the Northerners who had abolished slavery to attract European wage workers rather than on moral grounds accepted it as long as blacks remained in the South As immigrants flooding the slave free North diminished the South s political advantage and the slaveholders unfair Constitution threatened the nation s economic balance it became clear that the lies written into the Constitution were not sustainable The tipping point was the election of Lincoln whose opposition to expanding slave territories translated to the inevitability of Civil War Kalra contends that Civil War bloodshed could have been avoided had early Americans adopted the Catholic slave code which recognized the humanity of slaves rather than the Protestant code His well crafted argument weaves in an impressive array of perspectives often in the words of the players Northerners and Southerners slaveholders and slaves distinguished and obscure voices of the times Finally he maintains that the legacy of the slaveholders self serving Constitution persists today rendering blacks in America an essentially untouchable class still viewed by whites as second class citizens *Aaron's Journey -- from Slave to Master* Howard Herskowitz,2009 ***Slaves to Soldiers*** Wallace B. Black,1998 Explores the circumstances of African Americans who fought in the Civil War including slaves free southerners and northerners ***From Slaves to Prisoners of War*** Will Smiley,2018-08-21 The Ottoman Russian wars of the eighteenth century reshaped the map of Eurasia and the Middle East but they also birthed a novel concept the prisoner of war For centuries hundreds of thousands of captives civilians and soldiers alike crossed the legal and social boundaries of these empires destined for either ransom or enslavement But in the eighteenth century the Ottoman state and its Russian rival through conflict and diplomacy worked out a new system of regional international law Ransom was abolished soldiers

became prisoners of war and some slaves gained new paths to release while others were left entirely unprotected These rules delineated sovereignty redefined individuals relationships to states and prioritized political identity over economic value In the process the Ottomans marked out a parallel non Western path toward elements of modern international law Yet this was not a story of European imposition or imitation the Ottomans acted for their own reasons maintaining their commitment to Islamic law For a time even European empires played by these rules until they were subsumed into the codified global law of war in the late nineteenth century This story offers new perspectives on the histories of the Ottoman and Russian Empires of slavery and of international law

Ain't No Black Men: From Slave to Soldier to Savior Bob Iverson, 2020-10-08

Jackboy was born into slavery on a Barbados sugar plantation His constant attempts to escape finally pushed the masters too far They punished the whole family by splitting them up and selling them off His father s last words had been It s okay son don t ever give up Several years later wracked by guilt but still obsessed with freedom he slips away from a South Carolina tobacco plantation and outsmarts the Confederacy s most vicious slave patrol captain who is hot on his trail He swims across the Savannah River and taunts his pursuers by hurling obscenities at them from the opposite bank After days of searching for the safety of Sherman s Army in Georgia he stumbles across a Confederate soldier behind enemy lines and gets into a life or death fight A maverick Union lieutenant named Jack Johnson happens upon him just as he is about to bash in the skull of this rebel sniper the officer has been chasing for days After taking control of the situation and assuring Jackboy that he is safe Johnson interrogates the young man and discovers he is remarkably intelligent and resourceful He takes Jackboy under his wing enlists him into the army and teaches him to read write and use a gun Jackboy is beguiled and confused as he witnesses the soft spoken young officer transform into a cold blooded battlefield killer with his small squad of seasoned troops wielding sixteen shot Henry repeating rifles When Jackboy asks him about it Johnson says My folks had money and sent me to war with a dozen Henrys They told me to use them wisely and not to come home dead I only hand them out to a few veteran soldiers I really trust We re usually outnumbered but we re never out gunned I figure the faster we kill them all the safer my men will be Jackboy embraces the logic and hopes to be in that rare company one day Under Johnson s command Jackboy learns quickly gets promoted to sergeant and is allowed to recruit an all black squad of raiders who fear him more than the enemy The ex slave soon becomes a legend to his own people who readily share valuable intelligence about hidden southern resources and troops On a mission to plunder Confederate assets they encounter a small band of terrified black men on the run who report that the same depraved slave patrol captain who once chased after Jackboy is now selling hunting trips to southern elites on his nearby estate using captured runaways as prey animals The next one is scheduled for the following day They also share a piece of information so shocking that Jackboy keeps it to himself knowing that no white man would ever believe it possible When Jackboy reports his findings Johnson realizes there is no time to seek approval from his commanders or wait for reinforcements They are the only ones who can prevent the mass slaughter of sixty men women and children

despite the odds against them Johnson hands Jackboy one of his spare Henry rifles and says You earned it Kill em all and do it fast Filled with pride Jackboy replies We might be outnumbered but we won t be out gunned With steely resolve the small band of Union troops launches a rescue mission to save the sixty doomed slaves and maybe even capture two dozen high ranking enemy officers and politicians They know it will be bad when they get there but what they actually find is worse than anyone could have imagined Then as a complete surprise in the heat of battle Jackboy discovers something he thought had been lost forever and earns personal redemption for what his obsession with freedom had once cost his family **The Scars**

We Carve Allison M. Johnson,2019-04-10 In *The Scars We Carve Bodies and Wounds in Civil War Print Culture* Allison M Johnson considers the ubiquitous images of bodies white and black male and female soldier and civilian that appear throughout newspapers lithographs poems and other texts circulated during and in the decades immediately following the Civil War Rather than dwelling on the work of well known authors *The Scars We Carve* uncovers a powerful archive of Civil War era print culture in which the individual body and its component parts marked by violence or imbued with rhetorical power testify to the horrors of war and the lasting impact of the internecine conflict The Civil War brought about vast changes to the nation s political social racial and gender identities and Johnson argues that print culture conveyed these changes to readers through depictions of nonnormative bodies She focuses on images portrayed in the pages of newspapers and journals in the left handed writing of recent amputees who participated in penmanship contests and in the accounts of anonymous poets and storytellers Johnson reveals how allegories of the feminine body as a representation of liberty and the nation carved out a place for women in public and political realms while depictions of slaves and black soldiers justified black manhood and citizenship in the midst of sectional crisis By highlighting the extent to which the violence of the conflict marked the physical experience of American citizens as well as the geographic and symbolic bodies of the republic *The Scars We Carve* diverges from narratives of the Civil War that stress ideological abstraction showing instead that the era s print culture contains a literary and visual record of the war that is embodied and individualized *From Slave to Separate but Equal* Paul Kalra ,2021-12-25 *From Slave to Separate but Equal* The Constitution Slave Capitalism Human Rights Civil War Reckoning is a secret history of the United States not taught in schools about Economic Social and Political effects of Protestant slavery included in the Constitution denying citizenship to Blacks resulting in a Civil War reckoning with a million casualties *From Slave to Separate but Equal* challenges the assumption that the Civil War was fought to end black slavery Author Paul Kalra presents a convincing argument that by far the bloodiest war the U S has waged could have been avoided had slaveholders adopted the Catholic slave code which recognized the humanity of slaves By adopting the Protestant slave code and framing it into an undemocratic Constitution slaveholders created distinct slaveholder and non slaveholder classes and denied Blacks citizenship This inevitably led to economic and political dilemmas that became insurmountable once immigrants flooded the slave free North and Lincoln was elected President Prince Estabrook Alice M. Hinkle,2001 True

story of a slave named Prince Estabrook who fought for his freedom and ours on the first day of the American Revolution

Soldiers, Traders, and Slaves Janet Ewald, 1990 In the Nuba Hills on the frontiers of the Islamic Sudan a dynasty of Muslim warrior kings arose in the eighteenth century Their kingdom Taqali survived as an independent state resisting conquest by larger empires and coming under external control only during the twentieth century Janet Ewald has written the first comprehensive account of the origins and development of the Taqali kingdom Ewald shows how events originating far beyond the Taqali massif allowed local Muslim soldiers to become kings of the Taqali in the eighteenth century and then to hold on to their power But the nature of that power was shaped by the highland farmers who stubbornly and largely successfully resisted the efforts of the kings to parlay their control over the means of production In this struggle religion became an ideological weapon on both sides as the Taqali farmers asserted their local beliefs against their Muslim rulers Political confrontations also bore unintended economic consequences Ewald's account of Taqali challenges current views on the impact of Islam merchant capitalism and Egyptian military administration in nineteenth century Sudan

Arming Slaves Christopher Leslie Brown, Philip D. Morgan, 2008-10-01 Arming slaves as soldiers is a counterintuitive idea Yet throughout history in many varied societies slaveholders have entrusted slaves with the use of deadly force This book is the first to survey the practice broadly across space and time encompassing the cultures of classical Greece the early Islamic kingdoms of the Near East West and East Africa the British and French Caribbean the United States and Latin America To facilitate cross cultural comparisons each chapter addresses four crucial issues the social and cultural facts regarding the arming of slaves the experience of slave soldiers the ideological origins and consequences of equipping enslaved peoples for battle and the impact of the practice on the status of slaves and slavery itself What emerges from the book is a new historical understanding the arming of slaves is neither uncommon nor paradoxical but is instead both predictable and explicable

Slaves of Fortune Ronald M. Lamothe, 2011 The Anglo Egyptian reconquest of Sudan Churchill's River War has been well chronicled from the British point of view but we still know little about its front line troops the Sudanese soldiers of the Egyptian Army Making use of unpublished primary sources and published material located in the United Kingdom and Sudan *Slaves of Fortune* provides an historiographic correction It argues that nineteenth century Sudanese slave soldiers were social beings and historical actors shaping both European and African destinies just as their own lives were being transformed by imperial forces

Slavery & Race in American Popular Culture William L. Van Deburg, 1984 Spanning more than three centuries from the colonial era to the present Van Deburg's overview analyzes the works of American historians dramatists novelists poets lyricists and filmmakers and exposes through those artists often disquieting perceptions the cultural underpinnings of American current racial attitudes and divisions Crucial to Van Deburg's analysis is his contrast of black and white attitudes toward the Afro American slave experience There has in fact been a persistent dichotomy between the two races literary historical and theatrical representations of slavery If white culture makers have stressed the

unmanning of the slaves and encouraged such stereotypes as the Noble Savage and the comic minstrel to justify the blacks subordination Afro Americans have emphasized a counter self image that celebrates the slaves creativity dignity pride and assertiveness ISBN 0 299 09634 3 pbk 12 50

Getting the books **From Slave To Soldier** now is not type of inspiring means. You could not abandoned going like book deposit or library or borrowing from your friends to entre them. From Slave To Soldier Introduction

In today's digital age, the availability of From Slave To Soldier books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of From Slave To Soldier books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of From Slave To Soldier books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing From Slave To Soldier versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, From Slave To Soldier books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing From Slave To Soldier books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for From Slave To Soldier books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, From Slave To Soldier books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of From Slave To Soldier books and manuals for download and embark on your journey of knowledge?
