*Thanks Be for These* Richard S. Gilbert,2013-01-29 There is an almost desperate quest for spirituality in our time The nones claim to be spiritual but not religious Gurus abound quick fixes are everywhere In Thanks Be for These the Rev Richard Gilbert provides a spiritual starting point for both the spiritual and the religious seeker Here is a collection of meditations written from the perspective of a mystical religious humanist Gilbert claims that gratitude is at the heart of the religious experience It is fundamentally a spiritual act We are grateful in the first place for being itself Everything else is a bonus This gratitude is expressed not in the philosophical abstract but in the existential concrete It is details of the everyday which make life worth living despite our finitude and the inherent messiness of existence Gilbert divides the book in two sections Thanks living for the blessings of being and Gratitude in Grief a collection

of materials designed for memorial services at time of death Thanks Be for These challenges us to dig deeply into the meaning of our lives These meditations on gratitude place the responsibility of living gratefully squarely on us where it belongs
