Kim-Van-Kieu Thuy Lexuan,2010-12-17 Kim Van Kieu for centuries has been regarded by the Vietnamese as the most
 beautiful jewel in painting the sentimental tenderness of the human soul Edited in the early 1813s this masterpiece of 3250
 verses was structured in a particular form of prosody that has become since then a cherished anthem of Vietnamese poetry
 The story concerns a maiden endowed with mental and bodily graces an elite who placed between love and filial devotion
 deliberately chose the harder way she sold herself to save her father a victim of an unjust calamity And from that day on she
 passed from one misfortune to another until she sank into the most abject depravity But like the lotus after a long chain of
 stormy winds she succeeded in elevating herself and preserving the pure perfume of her original soul Homesickness seemed
 to carry away Her soul toward the forlorn clouds of Tsin My poor old parents Both now must be quite old Since my departure
 has their grievance Subsided any as time went by So fast more than ten years out of sight If they still live maybe their skin
 Has been wrinkled and their hair has turned gray Like frost covered as it had never been And the old love Regretful I may
 say Like the lotus torn off from its stem Though their former binding had been broken The feelings Kieu had conceived for
 Kim Seemed to still have a slight venation Kim Van Kieu 1963 Edition English translation by Professor Le Xuan Thuy had
 given the Western readers a chance to taste the delights of a new style of poem in prose version of Vietnamese poetry into
 English Forty six years later came into light a fresher gem with a more inspired form The Soul of Poetry inside Kim Van Kieu
 a vibrant versification of Kim Van Kieu by Professor Le Xuan Thuy himself well known online as international poet Hall of

 N. Nguyen,2017-09-20 This reference manual provides a list of approximately 300 technical terms and phrases common to
 environmental engineering which non English speakers often find difficult to understand in English The manual provides the
 terms and phrases in alphabetical order followed by a concise English definition then a translation of the term in Vietnamese
 and finally an interpretation or translation of the term or phrase in Vietnamese Following the Vietnamese translations section
 the columns are reversed and reordered alphabetically in Vietnamese with the English term and translation following the
 Vietnamese term or phrase The objective is to provide a technical term reference manual for non English speaking students
 and engineers who are familiar with Vietnamese but uncomfortable with English and to provide a similar reference for
 English speaking students and engineers working in an area of the world where the Vietnamese language predominates
