and culture that continues to define Turkey today *BEING THE OTHER IN TURKEY* Aslihan Kas, Advocates of Silenced Turkey, A photo frame can sometimes loudly shout out the truth that hundreds of striking words may have difficulty in elucidating As AST we wanted to utilize the power of images to demonstrate the violations of rights that we have also tried to announce with reports and special studies This book in your hand focuses on people from all walks of life who have been subjected to the ruthless persecution of the regime in Turkey during the last decade Especially after the coup attempt of 15 July 2016 it is a reality that many people who have never been involved in violence in their lives have been subjected to monstrous pressure and discrimination just because of their social affiliations The state apparatus which has been rapidly evolving towards a one party dictatorship overturned all the rules of law in the ensuing period shelved the constitutional rights and decriminalized legal acts that could never be considered a crime within the framework of universal principles and even made a blatant attempt to retroactively exploit these newly defined crimes to sentence people As part of the mass cultural genocide perpetrated against the members of the Gu len Movement also known as Hizmet Investigations were launched against more than 1 5 million people for terrorism allegations 300 000 people were detained More than 100 000 people were arrested 234 419 passports revoked More than 17 000 women were arrested Nearly 900 babies had to grow up in prison with their mothers Hundreds of thousands were laid off from their jobs Properties of thousands of people were forcibly confiscated As AST we wanted to record the intense oppression and persecution and to demonstrate the unlawful and anti democratic practices of the political regime in Turkey and make a note of history with 159 photographs some of which could be the symbols of this period For example among many others the photos featured Zabit Kis i who was tortured for 108 days and lost 30 kilos due to intense torments Bilal Konakc a bomb disposal expert who was sent to prison on account of the membership in a terrorist organization years after he became blind and had a 98 percent disability when a bomb exploded while he was trying to defuse it or Ms Hacer whose hospital room door was well guarded by a police team that was there to detain her soon after she gave birth We were unable to demonstrate all the atrocities due to the physical limitations of this book Yet the book will achieve its purpose if it can interpret the sufferings of the innocent masses albeit with a weak voice

new Turkey After a chapter on the Ottoman Legacy the book covers the period since the revolution of 1908 and the development of the new Turkey Successive chapters chart the progress through the single party regime set up by Ataturk 1923 1945 the multi party period 1945 1960 and the three military interventions of 1960 1971 and 1980 The book ends in 1989 with the election of Turgat Ozal as president In contrast to most current analyses of modern Turkey the author emphasises the socio economic changes rather than continuities as the motor of politics *Daybreak in Turkey* James Levi Barton, 1908 **Turkey and Its Destiny** Charles MacFarlane, 1850
