Frontier Of The Dark:

Frontier of the Dark A. Bertram Chandler, 2016-05-26 The Mannschenn Drive was the gateway to the stars but it had one unfortunate side effect Traveling faster than light mankind reverted to the bestial form of his own legendary nightmare the lycanthropic horror that the full moon once called forth from the soul's depths now no longer howling at the moon but soaring far beyond it Dark Directions Kendall R. Phillips, 2012-02-28 A Nightmare on Elm Street Halloween Night of the Living Dead These films have been indelibly stamped on moviegoers' psyches and are now considered seminal works of horror Guiding readers along the twisted paths between audience auteur and cultural history author Kendall R Phillips reveals the macabre visions of these films' directors in *Dark Directions* Romero Craven Carpenter and the Modern Horror Film Phillips begins by analyzing the works of George Romero focusing on how the body is used cinematically to reflect the duality between society and chaos concluding that the unconstrained bodies of the Living Dead films act as a critical intervention into social norms Phillips then explores the shadowy worlds of director Wes Craven In his study of the films *The Serpent* and *the Rainbow Deadly Friend* *Swamp Thing* *Red Eye* and *Shocker* Phillips reveals Craven's vision of technology as inherently dangerous in its ability to cross the gossamer thresholds of the gothic Finally the volume traverses the desolate frontiers of iconic director John Carpenter Through an exploration of such works as *Halloween* *The Fog* and *In the Mouth of Madness* Phillips delves into the director's representations of boundaries and the haunting consequences for those who cross them The first volume ever to address these three artists together *Dark Directions* is a spine-tingling and thought-provoking study of the horror genre In analyzing the individual works of Romero Craven and Carpenter Phillips illuminates some of the darkest minds in horror cinema **The Dark Frontier** Eric Ambler, 1959 The Psion of Darkness Kyle West, 2022-07-08 After countless trials Lucian has collected multiple Orbs and has almost proven himself to be the true Chosen of the Manifold Only one person stands in his way Xara Mallis the Psion of Darkness Lucian is not ready to face her With each Orb he gains the Shadow that follows him grows ever stronger Lucian can't risk it becoming fully formed He puts his quest for the Orbs on hold and sets his sights on the Mako Academy hoping the masters there can teach him how to defeat Xara Mallis while preventing the inevitable Joining While Lucian is seeking answers the Psion of Darkness is making her own play And unlike Lucian she has no qualms about using the dark powers of the Shadow Lord She has not given up the title of Chosen and intends to fight to the death for it Only Lucian can contest her But this will require rising above his own self-doubt and defeating the phantom force haunting him Keywords associated with this series science fiction fantasy space opera mages space mage fantasy series space opera series space fantasy epic fantasy dragons magic progression fantasy light novel space opera futuristic sci-fi alien worlds alien invasion space adventure sci-fi adventure Fans of the following series are known to enjoy the *Starsea Cycle* *Star Wars* *Star Trek* *Dune* *The Expanse* *Lord of the Rings* *The Wheel of Time* *Red Rising* *the Hunger Games* **Geological Survey Bulletin** Geological Survey (U.S.), 1959 *U.S. Geological Survey Bulletin* , 1983
