Ickes, 1874-1952** T. H. Watkins, 2019-08-15 Born in rural western Pennsylvania Harold LeClair Ickes 1874 1952 son of a gambler womanizer drunk father and of a strictly reared Presbyterian mother grew up desperately poor and desperately ambitious He became a Chicago newsman during its gilded era a key figure in the Progressive Party and in FDR's cabinet became America's longest serving and most influential Interior Secretary As Interior Secretary he helped change the face of America forging that department into the most powerful tool for the protection of our lands He was also a major force in reshaping the character and quality of American society often seeming to speak ex cathedra as the conscience of FDR's administration Opinionated vigorously outspoken as impassioned defending minorities as defending our wild places Ickes who happily styled himself the Old Curmudgeon was arguably the most controversial and most beloved figure in the New Deal When Ickes wrote his first column in the New Republic the editors of the magazine introduced him on May 2 1949 as old enough to be called an Elder Statesman but he is too salty for that label He himself has cheerfully accepted the epithet of Curmudgeon which likewise is insufficient to his case A more accurate description would be that he is America's most venerable progressive and one of the stoutest fighters at any age for justice and good government Righteous Pilgrim was a non fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award an outstanding biography that is also a major work of social history spanning the first half of the 20th century Ickes was a courageous public servant who in Righteous Pilgrim receives long overdue recognition Herbert Mitgang The New York Times highly successful Written in a delightful conversational style that disguises the impressive scholarly research that went into its preparation this is an appreciative biography of a man who was so temperamental thin skinned and bluntly outspoken that he acknowledged these traits himself This thoughtful readable and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal Righteous Pilgrim is likely to be one of the most significant histories of the Progressive and New Deal reform impulse to appear in a decade Howard R Lamar Washington Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that

swirled and eddied about Ickes with admirable clarity A complex fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn't put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins's biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward
