Frontier Village:

Frontier Village Catherine E. Chambers, 1984 This classic series tells absorbing stories while relaying important information *Frontier Village* Bob Johnson, Allen Weitzel, 2013 In the late 1950s businessman Joe Zukin Jr had a dream of building an amusement park with a Wild West theme in Santa Clara County His dream was realized with the 1961 opening of Frontier Village on the former grounds of the Hayes Mansion in south San Jose Among the trees rose a fantasy frontier town complete with a Main Street where hourly gunfights always ended with the bad guys being carted off to Boot Hill Visitors could relax in the town square or ride the train around the park Guests could paddle an Indian war canoe ride in a stagecoach or venture into the interior of a haunted mine Frontier Village was a safe and clean place that welcomed children and their families Encroaching subdivisions and changing economic conditions forced the park to close in 1980 but to this day fond memories of the park continue to live on in everyone who ever visited or worked in Frontier Village Jamestown Tom Domek, Journé Domek, Keith Norman, 2013 Jamestown s history began long before its appearance on railroad maps in 1872 Nomadic clans occupied the region thousands of years ago hunting the icy edges of glaciers for bison Evidence of mound builders from around 2 000 years ago is found in Stutsman County Modern tribes claimed the territory including the Dakota Sioux and by the early 1800s explorers and trappers had encroached upon the region With the Civil War the United States began operations to suppress tribal people as pioneers moved west Uncle Sam s expansion brought railroaders adventurers homesteaders merchants and others to the Upper Plains Images of America Jamestown introduces a wide assortment of local characters Anton Klaus the father of Jamestown Peggy Lee the feverish singer and bluesy jazz artist and Louis L Amour the prolific writer of Western novels Discover Jamestown s rich history and dynamic people from farmers and newspaperwomen to soldiers and bankers Longtime residents will enjoy rediscovering places and personalities they may only vaguely remember **Las Vegas** Lynn Zook, Carey Burke, Allen Sandquist, 2009-03-02 Everyone thinks they know the story of Las Vegas the showgirls the gambling the mob But Las Vegas has always been much more Families have lived here since its founding in 1905 After 1931 legalized gaming became the big tourist draw and following World War II the town began to market itself as Americas Playground That is when the famed Las Vegas Strip came into its own and downtown was dubbed Glitter Gulch These vintage postcards show how Las Vegas evolved from a dusty railroad town into the Entertainment Capital of the World while remaining a city filled with families and pioneering souls *American West* Karen R. Jones, 2009-03-21 The American West used to be a story of gunfights glory wagon trails and linear progress Historians such as Frederick Jackson Turner and Hollywood movies such as Stagecoach 1939 and Shane 1953 cast the trans Mississippi region as a frontier of epic proportions where savagery met civilization and boys became men During the late 1980s this old way of seeing the West came under heavy fire Scholars such as Patricia Nelson Limerick and Richard White forged a fresh story of the region a new vision of the West based around the conquest of peoples and landscapes This book explores the bipolar

world of Turner's Old West and Limerick's New West and reveals the values and ambiguities associated with both historical traditions. Sections on Lewis and Clark, the frontier and the cowboy sit alongside work on Indian genocide and women's trail diaries. Images of the region as seen through the arcade Western Hollywood film and Disney theme parks confirm the West as a symbolic and contested landscape. Tapping into popular fascination with the Cowboy Hollywood movies, the Indian Wars and Custer's Last Stand, the authors show the reader how to deconstruct the imagery and reality surrounding Western history. Key Features: Uses popular subjects: the Cowboy Hollywood westerns, the Indian Wars and Custer's Last Stand to enliven the text. Includes 13 b/w illustrations. Interdisciplinary approach covers film, literature, art and historical artefacts.

which progressed slowly and unevenly States of Division demonstrates that along with the crucial context of the Cold War multiple historical and social frameworks are required to decipher division and explain how and where it took place Dividing a modern integrated society along a thousand mile border was not planned or intended by the allies and at no stage was agreed upon by East and West German authorities It gave rise to contradictions and conflicts with practice and tradition undermining economy and culture in the borderlands and required protracted negotiations and considerable resources It was not a fait accompli of Yalta or Potsdam nor was it completed with the construction of the Berlin Wall in 1961 German division only stabilized as a sociopolitical fact through the inter German compromise of the 1970s which also planted the seeds of its undoing Integrating local regional and national perspectives this volume tells a complex story showing how diplomacy and policy affected daily practices and were affected by them [Atlas Obscura](#) Joshua Foer,Dylan Thuras,Ella Morton,2016-09-20 It s time to get off the beaten path Inspiring equal parts wonder and wanderlust Atlas Obscura celebrates over 700 of the strangest and most curious places in the world Talk about a bucket list here are natural wonders the dazzling glowworm caves in New Zealand or a baobab tree in South Africa that s so large it has a pub inside where 15 people can drink comfortably Architectural marvels including the M C Escher like stepwells in India Mind boggling events like the Baby Jumping Festival in Spain where men dressed as devils literally vault over rows of squirming infants Not to mention the Great Stalacpipe Organ in Virginia Turkmenistan s 40 year hole of fire called the Gates of Hell a graveyard for decommissioned ships on the coast of Bangladesh eccentric bone museums in Italy or a weather forecasting invention that was powered by leeches still on display in Devon England Created by Joshua Foer Dylan Thuras and Ella Morton ATLAS OBSCURA revels in the weird the unexpected the overlooked the hidden and the mysterious Every page expands our sense of how strange and marvelous the world really is And with its compelling descriptions hundreds of photographs surprising charts maps for every region of the world it is a book to enter anywhere and will be as appealing to the armchair traveler as the die hard adventurer Anyone can be a tourist ATLAS OBSCURA is for the explorer [Commonwealth History of Massachusetts, Colony, Province and State: Province of Massachusetts, 1689-1775](#) Albert Bushnell Hart,1928 **Preserving Western History** Andrew Gulliford,2005-08-15 The first collection of essays on public history in the American West [The Wars of the Nineties](#) Andrew Hilliard Atteridge,1899 **The Wide World Magazine** ,1916 [Western Turkestan](#) John Mowbray Trotter,1882
