Doyle DH Lawrence Joseph Conrad HG Wells Agatha Christie and Jack London to discover what they did when they got here what their opinion was of Australia and Australians how the public and media reacted to them and how their future works were shaped or influenced by this country *In Time's eye* Jan Montefiore, 2016-05-16 Challenging received opinion and breaking new ground in Kipling scholarship these essays on Kipling's attitudes to the First World War to the culture of Edwardian England to homosexuality and to Jewishness bring historical literary critical and postcolonial approaches to this perennially controversial writer The Introduction situates the book in the context of Kipling's changing reputation and of recent Kipling scholarship After the perspectives of Chesterton 1905 Orwell 1942 and Jarrell 1960 newer contributions address Kipling's approach to the Boer war his involvement with World War One his Englishness and the politics of literary quotation Different aspects of Kipling's relation to India are explored including the Mutiny Eastern religions his Indian travel writings and his knowledge of the vernacular This collection whose contributors include Hugh Brogan Dan Jacobson Daniel Karlin and Bryan Cheyette is essential reading for academics and students of Kipling Victorian and Edwardian English literature and cultural history **The Who's Who of Nobel Prize Winners, 1901-2000** Louise S. Sherby, 2001-12-30 The Who's Who of Nobel Prize Winners is a one stop source of detailed information on the men and women who earned the Nobel Prize during the 20th century Organized chronologically by prize each extensive article contains in depth information on the laureate's life and career as well as a selected list of his or her publications and biographical resources on the individual A concise commentary explains why the laureate received the award and summarizes the individual's other important achievements This completely updated edition also contains a history of the prize Four indexes distinguish this title from similar biographical references and enable researchers to search by name education nationality or citizenship and religion

Reporting the First World War in the Liminal Zone Sara Prieto, 2018-02-28 This book deals with an aspect of the Great War that has been largely overlooked the war reportage written based on British and American authors' experiences at the Western Front It focuses on how the liminal experience of the First World War was portrayed in a series of works of literary journalism at different stages of the conflict from the summer of 1914 to the Armistice in November 1918 Sara Prieto explores a number of representative texts written by a series of civilian eyewitness who have been passed over in earlier studies of literature and journalism in the Great War The texts under discussion are situated in the liminal zone as they were written in the middle of a transitional period half way between two radically different literary styles the romantic and idealising ante bellum tradition and the cynical and disillusioned modernist school of writing They are also the product of the various stages of a physical and moral journey which took several authors into the fantastic albeit nightmarish world of the Western Front where their understanding of reality was transformed beyond anything they could have anticipated **Kitty and Mr. Kipling**, 2005 Writer Rudyard Kipling's ill fated attempt to settle down in his American wife's small Vermont town gets a worshipful once over through the eyes of fictional young Mary Sadie dubbed Kitty by her father after the cat killed by

curiosity It s an appropriate moniker as Kitty is forever asking questions of her parents and other grownups a device the author leans on heavily to describe and to explain events that take place largely offstage Kipling s efforts to help out a ne er do well brother in law end in criminal charges and ultimately drive the writer back to England Before he goes though he makes a big impression on Kitty as a sensitive observer with his own bottomless well of curiosity Nothing she writes was just ordinary to Mr Kipling Occasional ink drawings place dignified characters in peaceful rural settings Though weighed down by an excess of historical detail not to mention a substantial afterword and bibliography the tale does bring this great writer closer to his modern audience of Best Beloveds without idealizing either the man or his now offensive politics Fiction 10 12

The Peculiar Sanity of War Celia Malone Kingsbury,2002 During wartime paranoia gossip and rumor become accepted forms of behavior and dominant literary tropes The Peculiar Sanity of War examines the impact of war hysteria on definitions of sanity and on standards of behavior during World War I Drawing upon Joseph Conrad s comprehensive understanding of war s impact on soldiers and civilians alike and extending Michel Foucault s construction of madness and reason Kingsbury expands the definition of war neurosis to include peculiar sanity at home as well as on the front lines While other investigations of World War I consider shell shock to be the only definable war madness Kingsbury is the first to build a powerful argument around the insanity of the home front s vilification of the enemy Ultimately Kingsbury s study establishes peculiar sanity among civilians and soldiers as an inevitable response to war s madness The Peculiar Sanity of War begins by
