From Panthers to Promise Keepers Judith Lowder Newton, 2005 From Panthers to Promise Keepers draws on intimate observations of the men and networks who were involved in what some have called Othe menOs movementO and tells us why these networks mattered Focusing on the decades between 1950 and 2000 it argues that while public structural

change is necessary for gender equality getting men involved in efforts at social justice may well depend on their making changes with respect to feelings and with respect to their unconscious fears and anxieties as well **Liberated Territory** Yohuru Williams, Jama Lazerow, 2009-01-12 Essays on the Panther Party's local chapters as well as essays reconsidering the state of the field in 1960s Civil Rights black nationalist and popular history in light of these varied accounts of BPP chapters

The Dragon Guard: Special Edition Box Set Volume 4 Julia Mills, 2025-06-21 The Dragon Guard has battled the worst of the worst and saved Dragonkin and humankind from inevitable demise while keeping their Mates out of harm's way for many years What better way to experience them than with TEN OF THE FABULOUS STORIES all in one place Each tale is unique and beautiful and lives up to the overriding sentiment of this amazing Winged Warriors Fate Will Not Be Denied Step into the fantastic world of the Dragon Guard It will renew your faith in the good guys and give you all the feel goods after some thrills chills and close calls They are Dragons after all Grab this Limited Special Edition Box Set and all the others put your feet up and fly off into the land of the Dragon Guard You will never look at LOVE or FATE the same way again **Aww Snap, Dragon** Julia Mills, 2024-10-22 Roses are red violets are blue Dragons have wings and Fairies do too Unfortunately for Tristan no amount of Dragon Fire or Fairy Dust will keep the most famous Finder of Fated Love in the whole Universe from making sure he has his happily ever after in record time She's not putting up with any of his sh!t! ahem fertilizer No way no how Everything's coming up sunshine and daffodils come hell or high water Fate Will Not Be Denied especially with Babs MacAutley on Her side **St. George's Gazette**, 1914 Forest and Stream, 1917 Armoured Warfare from the Riviera to the Rhine, 1944-1945 Anthony Tucker-Jones, 2016-06-30 While the Allied armies were deadlocked with the Germans in Normandy after D Day and even as they broke out and began their long advance another campaign was being fought against the Germans in southern France and it is this campaign which is often neglected in accounts of the liberation of Europe that is the subject of Anthony Tucker Jones's latest photographic history In a sequence of over 150 wartime photographs he tells the story from the amphibious invasion of the French Riviera Operation Dragoon to the battle at Montelimar the forcing of the Belfort gap the destruction of German resistance in the Colmar pocket and the entry of Allied forces into southern Germany His concise narrative gives a graphic overview of each phase of the operations and the selection of photographs shows the American French and German forces in action The mechanized and armoured units and their equipment are a particular feature of the book The photographs are a valuable visual record of the tanks guns jeeps and trucks the most up to date military vehicles and weaponry of the time as they moved along the roads and through the towns and countryside of southern France The Panther Tank Anthony Tucker-Jones, 2016-08-31 This pictorial history of the Nazi Panther tank offers an in depth analysis of its innovative design and its role on the Eastern Front of WWII The German Panther was one of the most important tanks of the Second World War ranking alongside the American Sherman and the Soviet T 34 In a comprehensive study of this remarkable fighting vehicle author and military expert Anthony Tucker Jones presents more than

100 archival photographs along with a selection of color profiles illustrating its design development and operations in battle On the Eastern Front the German army needed to counter the Red Army's robust and utilitarian T 34 tank which were increasingly deployed by the Russians in decisive numbers The German military rapidly produced the Panther as its answer to this threat With its sloping armor and a high velocity 75mm gun it proved to be a better medium tank than its predecessor the Mk IV More versatile than the heavyweight Tiger it was superior to most of the Allied tanks it faced and had a significant influence on subsequent tank design

The Black Panthers and the Soviets Meredith L. Roman, 2025-05-15 The contemporaneous movements for human rights that Soviet rights defenders and the Black Panthers waged during the 1960s are analysed in a comparative fashion here for the very first time The book also examines the extra legal measures that both the KGB and FBI employed to destroy them The Black Panthers and the Soviets innovatively compares Soviet human rights activists' exposure of the workings of the Soviet police state with the miniature city level surveillance police states that the Black Panthers exposed as operating across the United States It illuminates the legal tactics of counter surveillance that Soviet rights defenders and the Black Panthers employed as a means of restraining acts of state sanctioned violence The book also highlights how the U S production of knowledge about Soviet dissidents reified white supremacist anti communist notions of dissent human rights and state violence that facilitated the repression of the Black Panthers and the mass incarceration of African Americans as criminals Meredith L Roman disrupts the enduring Cold War binaries of authoritarianism democracy and oppression freedom that obscure our understanding of the complex overlapping histories of these two superpowers Roman convincingly argues that the Soviet rights defenders and the Black Panthers' vast documentation of domestic human rights abuses and the repressive measures that they faced for mobilizing to end them serve as an important societal reminder they reaffirm that genuine democracy and the safeguarding of human

rights are incompatible with authoritarian practices the conditions of racial capitalism and the ideology of national security

Hero Me Not Chesya Burke,2023-04-14 First introduced in the pages of X Men Storm is probably the most recognized Black female superhero She is also one of the most powerful characters in the Marvel Universe with abilities that allow her to control the weather itself Yet that power is almost always deployed in the service of White characters and Storm is rarely treated as an authority figure Hero Me Not offers an in depth look at this fascinating yet often frustrating character through all her manifestations in comics animation and films Chesya Burke examines the coding of Storm as racially exotic an African woman who nonetheless has bright white hair and blue eyes and was portrayed onscreen by biracial actresses Halle Berry and Alexandra Shipp She shows how Storm created by White writers and artists was an amalgam of various Black stereotypes from the Mammy and the Jezebel to the Magical Negro resulting in a new stereotype she terms the Negro Spiritual Woman With chapters focusing on the history transmedia representation and racial politics of Storm Burke offers a very personal account of what it means to be a Black female comics fan searching popular culture for positive images of powerful women who look like you

Rising Time Schemes in Babylonian Astronomy John M. Steele,2017-03-20 This revealing work examines an approach from ancient astronomy to what was then a particularly important question namely that of understanding the relationship between the position in the ecliptic and the time it takes for a fixed length of the ecliptic beginning at that point to rise above the eastern horizon Schemes known as rising time schemes were used to give lengths of the celestial equator corresponding to each of the twelve zodiacal signs which make up the ecliptic This book investigates the earliest known examples of these schemes which come from Babylonia and date to the mid to late first millennium BC Making an important contribution to our knowledge of astronomy in the ancient world this volume includes editions and translations of all of the known Babylonian rising time texts including several texts that are identified for the first time Through a close examination of the preserved texts it has been possible to reconstruct the complete Babylonian rising time scheme This reconstruction is unprecedented in its completeness and it is also now possible to situate the scheme within a genre of Babylonian astronomy known as schematic astronomy which presents theoretical descriptions of the astronomical phenomena The unique discoveries and fresh explorations in this book will be of interest to historians of ancient astronomy scholars of Babylonian history and those investigating the origins of scientific thought

What We Have Endured John Missall, Mary Lou Missall, Willie Johns,2020-10-22 What We Have Endured tells the story of the Seminole Wars through the eyes of Aheedja a Seminole woman who suffers through nearly a half century of brutal warfare forced displacement and painful deprivation

Determined to remain in the land of their birth she and her people struggle against the unforgiving Florida climate and the overwhelming military might of the United States government Written by noted Seminole War historians and a senior tribal member What We Have Endured faithfully follows the history of America s longest and costliest war against a Native American nation Although Aheedja is a fictional character the sufferings depicted are typical of what many Seminole people experienced at the hands of a nation determined to drive them from their homes and destroy their way of life Metonymy in Grammar and Discourse Comprehension Antonio Barcelona,2024-12-30 This volume written by a foremost expert is a fascinating contribution to cognitive linguistic research on metonymy analyzing authentic texts Its five studies expand current metonymy theory by providing evidence that metonymies regularly occur at more than one analytical level of the same utterance and that they chain to each other in discourse following certain patterns Several analytical notions are developed or refined such as inferential metonymic chain cascading salience factor grid etc The role of metonymy in numerous constructional forms and meanings and in discourse pragmatic meaning is clearly demonstrated in the book
