The History of  
St. Andrew's Cathedral

By  
Rianna M. Williams

With assistance from the Rev. Canon Kenneth D. Perkins,  
Historian, St. Andrew's Cathedral

# From Royal Garden To Gothic Splendor The History Of St Andrews Cathedral

**J Ma**

## **From Royal Garden To Gothic Splendor The History Of St Andrews Cathedral:**

**From Royal Garden to Gothic Splendor** Riánna M. Williams, Kenneth D. Perkins, 1996      Emma George S.

Kanahele, 1999-01-01 In her reign as queen Emma both helped Kamehameha IV prevent the extinction of the Hawaiian people during the end of colonial rule and dedicated much of her philanthropic efforts to Hawai i s education and health care

**The Hawaiian Journal of History** ,2004      **A Power in the World** Lorenz Gonschor, 2019-06-30 Few people today know that in the nineteenth century Hawai i was not only an internationally recognized independent nation but played a crucial role in the entire Pacific region and left an important legacy throughout Oceania As the first non Western state to gain full recognition as a coequal of the Western powers yet at the same time grounded in indigenous tradition and identity the Hawaiian Kingdom occupied a unique position in the late nineteenth century world order From this position Hawai i s leaders were able to promote the building of independent states based on their country s model throughout the Pacific envisioning the region to become politically unified Such a pan Oceanian polity would be able to withstand foreign colonialism and become in the words of one of the idea s pioneers a Power in the World After being developed over three decades among both native and non native intellectuals close to the Hawaiian court King Kal kaua s government started implementing this vision in 1887 by concluding a treaty of confederation with S moa a first step toward a larger Hawaiian led pan Oceanian federation Political unrest and Western imperialist interference in both Hawai i and S moa prevented the project from advancing further at the time and a long interlude of colonialism and occupation has obscured its legacy for over a century Nonetheless it remains an inspiring historical precedent for movements toward greater political and economic integration in the Pacific Islands region today Lorenz Gonschor examines two intertwined historical processes The development of a Hawai i based pan Oceanian policy and underlying ideology which in turn provided the rationale for the second process the spread of the Hawaiian Kingdom s constitutional model to other Pacific archipelagos He argues that the legacy of this visionary policy is today re emerging in the form of two interconnected movements namely a growing movement in Hawai i to reclaim its legacy as Oceania s historically leading nation state on one hand and an increasingly assertive Oceanian regionalism emanating mainly from Fiji and other postcolonial states in the Southwestern Pacific on the other As a historical reference for both nineteenth century Hawaiian policy serves as an inspiration and guideline for envisioning de colonial futures for the Pacific region      **Historical Dictionary of Honolulu and Hawai'i** Robert D. Craig, 1998-09-24 The Historical Dictionary of Honolulu and Hawai i is a valuable historical reference to the U S island and its capital city The volume includes a broad range of information with equal weight given to the historical development and to the current situation of the island state The book begins with two maps of the entire state and the island of O ahu acronyms and pronunciation guides and a chronology of major events on the islands from its earliest settlements in approximately 700 A D to the present day The chronology is especially detailed for the years of 1990 to 1997 A 40 page introduction provides a

narrative history of the island with special attention to Honolulu It includes four historical drawings photographs of Honolulu from the years 1816 1854 1920 and 1997 as well as photographs of important historical landmarks and geographic locations The dictionary portion comprises over 250 entries on historical persons events landmarks organizations ethnic groups tourist related data economy religion and education among the many other topics Cross references are included to direct the reader to other useful entries An extensive bibliography provides other resources for expanded reading on Hawai i and Honolulu Various appendixes provide ready reference information for the reader including population figures from 1779 through 1997 the ethnic make up of Hawai i in 1990 budget figures for the state as well as detailed lists of Hawai i s unique holidays and celebrations Most importantly the inclusion of a large volume of contemporary information distinguishes this book from other historical references to the islands of Hawai i
