White,1888 **Voice of His Glory** R. Bhakther Solomon,2017-09-20 Today is a good news day as Ms Mercy wife of Mr Madhi Vijayakumar of Mission of Loving Shepherd India has organized this gathering at Uthukottai She requested I share a few thoughts on Christianity Because the participants are from mixed religious background and are mostly women from nearby villages of Uthukottai I have decided to introduce the Bible and mention a few episodes from Genesis the first Book of the Bible *The Story of the Word* Trevor Laurence,2017-02-01 What is the Bible really all about Is it primarily a work of history tales of long ago Is it a collection of spiritual episodes designed to inspire Is it a series of moral stories intended to show you how to be a better person Or is it more In forty five devotional meditations *The Story of the Word* explores the Bible from its beginnings in Genesis all the way to its glorious end in Revelation showing how Scripture narrates God s story of the world a story which finds its ultimate meaning and fulfillment in Jesus Christ This book guides you on a prayerful journey through the major turning points in the Bible inviting you to trace the developing storyline from creation to the cross to the consummation of history And as you learn to read the story of the Bible as the story of Jesus you ll discover how you fit in to the wondrous story God is telling The Church History of Britain from the Birth of Jesus Christ Until the Year MDCXLVIII Thomas Fuller,1868 Invitation to Biblical Theology Jeremy M. Kimble,Ched Spellman,2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy *The Virgin Birth of Christ* J. Gresham Machen,2022-01-01 In what remains a widely discussed issue in contemporary theology J Gresham Machen s *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and

contrasting the stories of Jesus birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen s study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress     *The Christian Century* ,1927     **An essay towards an unfolding the glory of Christ, sermons.
