From Someplace Else A Memoir:

Always from Somewhere Else Marjorie Agosin, 2000-08 Agosin surpasses just a familial memoir and delivers a stunning written testimony Copley News Service From Someplace Else Ralph Osborne, 2003-05-09 The decade between 1961 and 1971 was a time of tumult of innocence lost gained and lost again During those years Ralph Osborne moved from the confusions of being 17 to briefly believing that at 27 he knew everything It is he says my version of the Divine Comedy more comedic than divine From Someplace Else is an often hilarious occasionally tragic account of the exploration of boundaries inner and outer through a time of free love and psychedelic adventure And because the paths between Heaven and Hell good and bad and up and down are not linear this book is necessarily an account of one man's first trip around the circle Osborne's Holy Grail is identity His quest in which he sets out to learn a small piece of the puzzle one little thing I could know for certain takes him from a working class tenement on the east coast through the privileged confines of Westmount west to the cleansing air of the prairies and east again to the stoned out beginnings of Toronto the hip where he becomes general manager of the infamous Rochdale College From Someplace Else is a journey driven by the ever relevant question to be or to become It's also the slightly surreal description of the thin line between simplicity and squalor Home Is Somewhere Else Desider Furst, Lilian R.
